

INSTALLATION INSTRUCTIONS

FITS FUTON 54"X75"

95% POLYESTER, 5% SPANDEX

CARE INSTRUCTIONS:

MACHINE WASH, COLD WATER. GENTLE CYCLE. TUMBLE DRY.

INSTALLATION INSTRUCTIONS

YOUR FUTON COVER IS CONSTRUCTED TO EASILY FIT STANDARD FUTON COVERS MEASURING 54"X75". THE STRETCH FABRIC WILL ALLOW THE COVER TO FIT FUTONS UP TO 7" THICK.

THE EASIEST INSTALLATION IS TO STAND YOUR FUTON MATTRESS VERTICALLY WITH ONE OF THE 75" SIDES ON THE FLOOR, AND THE MATTRESS LEANING AGAINST ONE ARM FOR SUPPORT.

SIMPLY OPEN THE ZIPPER, AND INSERT 4" OF THE FUTON ON THE LEFT SIDE THEN 4" ON THE RIGHT SIDE. REPEAT THIS PROCESS, UNTIL THE ENTIRE FUTON IS ENCASED. (DO **NOT** EXCEED 4" AT ANY TIME ON EITHER SIDE. THIS WILL PROTECT THE SEAM FROM RIPPING)

ONCE THE FUTON IS FULLY ENCASED, CLOSE THE ZIPPER AND PLACE ON FUTON
