Whitehall Leather Sofa

Item #:LL7780-33

DESCRIPTION	Leather upholstery often requires more seams to get the detailing and best use of the hide. Note the seams on the outarm and outback are typical for a leather sofa, however it may not be as obvious on the single seat cushion, often referred to as a bench seat. The seams will flow in line with the three blend down back cushions but the ultra down seat cushion is one cushion core.
DIMENSIONS	88½W x 35D x 34H in.
INSIDE WIDTH	78 in.
INSIDE DEPTH	22 in.
ARM HEIGHT	24½ in.
SEAT HEIGHT	19 in.
