Read all instructions before starting assembly.

Step #1 Remove all the contents from the package and check all the components listed in "Packaged" are included. Carefully lay console Top (E) upside down on a flat, protected work surface and pull out the drawer by 2/3, being careful not to dislodge the drawer and not to scratch the finish.

Step #2 Align one Front Leg (F) into the front notch of table Top (E) apron against the corresponding holes and attach by using Flat Washer (C), Lock Washer (B) and Bolt (A), loosely tighten. Repeat procedure for the other Front Leg (F).

Step #3 Align the Back Left Leg (G) to the back corner of console Top (E) against corresponding holes and attach by using Flat Washer (C), Lock Washer (B) and Bolt (A), loosely tighten. Repeat procedure for the Back Right Leg (H).

Step #4 Attach the console Cross Stretcher (I) into the legs (F) through the countersink hole on the legs (F) by using Wood Screw (D). Repeat the procedure for the rest of the Legs (G,H). Loosely tighten.

Step #5 Securely tighten all Bolts (A) and Wood Screws (D) in step#2 #3 and #4.

Step #4 Turn the assembled Table into upright position.
