

About our products:

Designed to protect carpet and hardwood floors during the Holiday season, the Christmas tree stand mats are lightweight, water resistant, and economically friendly. Easy to store, just roll up for convenient, compact storage.

To clean, just vacuum or spot clean using a light detergent. A high-pressure hose may be used (not to exceed 500 PSI) to blow the mat off, and hot water not to exceed 120° F may be used for oily or messy spills. Allow to dry on a flat surface.

Do not use:

- Steam
- Bleach
- Degreasers containing butyl
- Costic chemicals
