This credenza is built like your favorite antique. With so many details, it's sure to become a treasured piece. Crafted entirely of rift-cut oak, the best quality cut of wood, it is finished in a sable-toned veneer with bold, organic wood textures. The cabinet doors have a beautiful radial-pattern detail and over-sized brass pulls. Inside, you'll find ample storage space and on the right are pull-out drawers with felt lining and cutlery inserts. Rests on four tapered, eucalyptus finished legs.
