NOTICE: To protect the tabletop, frame, and legs from scratches, assemble this table on a soft surface (such as carpet) or on a clean, empty packaging carton.

ASSEMBLY INSTRUCTIONS

WARNING

Two-Person Assembly Required This coffee table is equipped with a large metal frame and heavy tempered glass panels. The whole installation process must be completed by two cooperating adults.

1 Preparation

Remove all **parts** and **hardware** from the packaging and organize them by type to prevent loss.

2 Attach the Lower Frame

Lay the **Upper Frame** (C) flat on a **soft cloth** or **clean cardboard** to prevent scratching. Locate **Screws** (①), align the holes of the **Table Legs** (E) with the holes of the **Upper Frame** (C), and secure them in place using the **Allen Wrench** (③).

3 Attach the Lower Frame

Locate **Screws** (①), align the bottom holes of the **Lower Frame** (D) with the holes on the upper mounting tabs of the **Table Legs** (E), and secure them in place using the **Allen Wrench** (③).

4 Install the Suction Cups

Take the **Round Suction Cups** (②) and **press them firmly** into the small holes on the mounting tabs of both the upper and lower frames.

5 Place the Glass Panels

Two people lift the **Lower Tempered Glass** (B) onto the mounting tabs of the lower frame. In the same manner, place the **Upper Tempered Glass** (A) onto the mounting tabs of the upper frame.

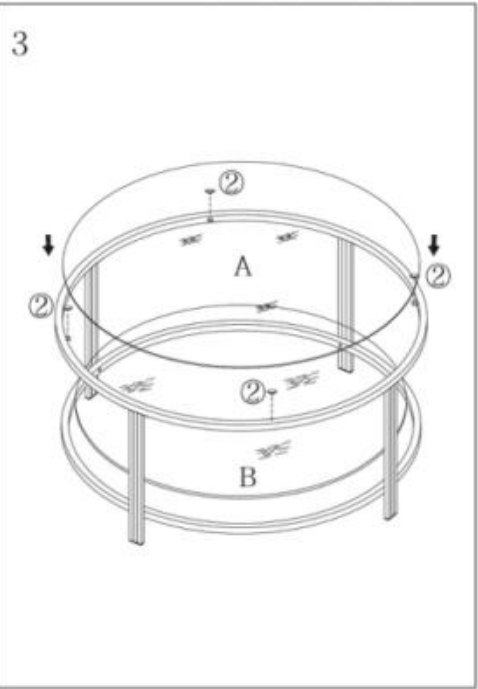

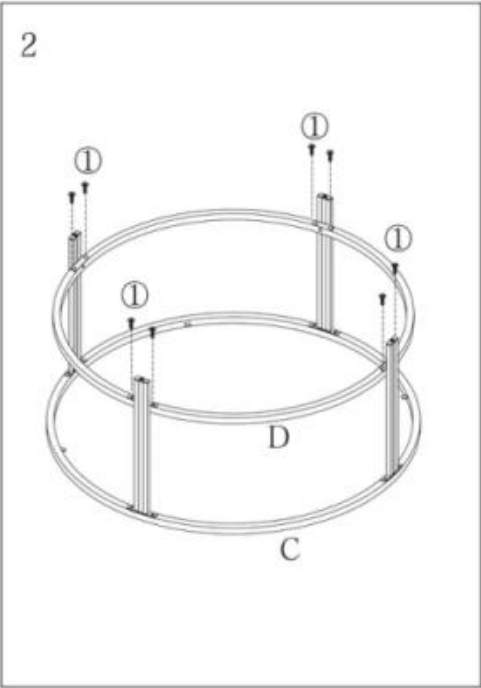

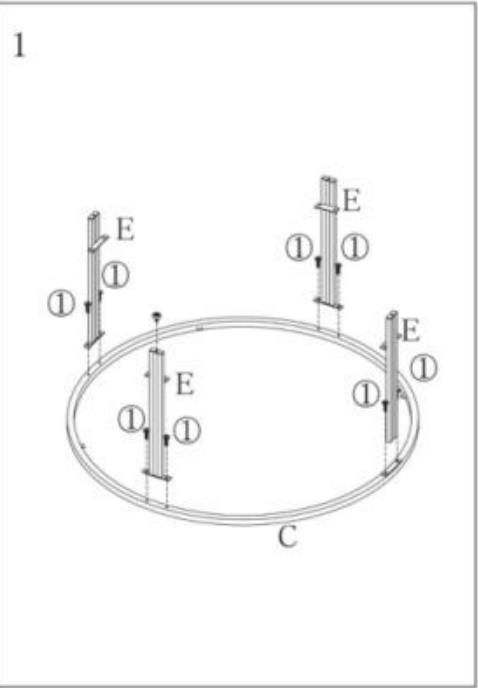

NOTE: Handle the glass with care and ensure it rests evenly on all suction cups.

6 Adjust the Foot Pads

Adjust the installed **foot pads** at the bottom of the legs to ensure the coffee table **sits level** and remains completely **stable** on your floor.

7 Final Inspection

Check that the table **sits level** and all **connections are secure**. Once everything is confirmed, your coffee table is **ready for use**.

⚠️ IMPORTANT SAFETY INSTRUCTIONS

READ ALL INSTRUCTIONS BEFORE ASSEMBLY. SAVE THESE INSTRUCTIONS.

⚠️ WARNING: Keep Away from Children During Assembly

Keep children away while assembling this item. Small hardware parts may cause **choking hazards**, and assembly gaps can lead to **pinching injuries**.

⚠️ WARNING: Two People Required for Moving & Handling

When fitting the tempered glass panel, two adults must lift it by the bottom edge and set it down slowly and gently.

Do not drop the glass or force it harshly onto the metal frame.

⚠️ WARNING: Never stand, sit or lie on the coffee table. Do not use this piece as a step stool, ladder, or support structure of any kind.

⚠️ CAUTION: Proper Handling for Relocation

When moving the table, Requires two people: lift the table by the upper metal frame only. **Do not lift** via the glass panels. **Never drag** the table across the floor surface.

⚠️ CAUTION: Place on Solid, Level Surfaces Only

Assemble and operate the coffee table solely on **firm, flat, stable flooring**. (Uneven surfaces may cause glass stress or tipping.)

⚠️ CAUTION: Do Not Exceed Weight Capacity, Do not place objects heavier than the rated load-bearing limit on the table to prevent structural failure or glass breakage.

🔧 NOTICE: Periodic Hardware Inspection & Maintenance

Verify all bolts and screws stay securely tightened during regular use. Retighten loose fasteners with the included hex key immediately if loosening occurs. Inspect all hardware connections **every 90 days** as recommended.

Usage & Care Instructions

1 Daily Cleaning

Wipe surfaces gently with a **slightly damp soft cloth**, then dry thoroughly with a dry cloth. Do not use cleaners containing **alcohol, abrasives, strong acids** or harsh chemicals.

2 Usage Environment

Place the coffee table in a **well-ventilated** area. Keep away from humid spaces, prolonged **direct sunlight** and heat sources to prevent the metal **finish** from fading.

3 Periodic Maintenance

Regularly inspect and retighten all **connection fasteners**.

4 Stain Removal

For tough stains, wipe the stained area gently with a soft cloth soaked in **neutral detergent**. Do not scrub or scrape the glass or frame.
