

ASSEMBLY INSTRUCTIONS

Good news! You have a beautiful window panel and the perfect location for it. Now, it just needs to be installed.

Don't worry...there's not much to it – we just want to be sure the panel (and you) stay safe.

Follow the instructions below:

- 1) Place all parts (panel + chain) on a smooth, flat surface
- 2) Connect the provided chain to the rings attached to the panel
- 3) Install an anchor (not included) rated for up to 25lb in the desired hanging location
- 4) Place the chain (with window panel attached) onto the anchor
