KNOCK-DOWN DESIGN — NOT PRE-HUNG

The frame arrives unassembled and requires on-site assembly.

DOOR SLAB HEIGHT & SWEEP

The sweep is pre-installed and removable. Slab height excludes the sweep; with it installed, total height matches the nominal size: 80" or 96".

JAMB WIDTH FOR WALL DEPTH

4-9/16" jamb → standard 2×4 wall

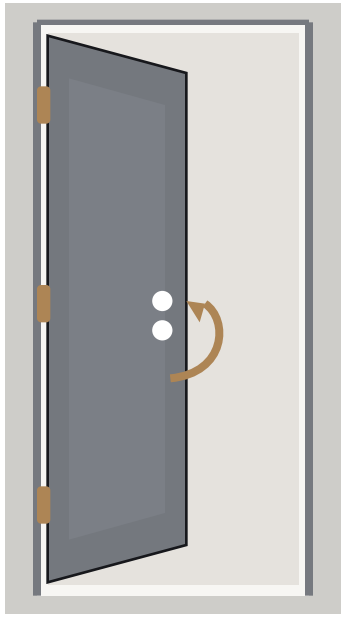

6-9/16" jamb → standard 2×6 wall

DOOR HANDING GUIDE

Stand outside and face the entry door. The hinge side determines the handing.

LEFT-HAND INSWING

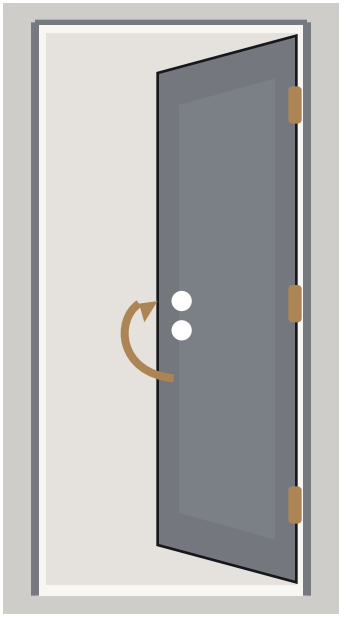

Hinges on the left • Door swings inward

OUTSIDE — YOU ARE HERE

RIGHT-HAND INSWING

Hinges on the right • Door swings inward

OUTSIDE — YOU ARE HERE

Viewed from outside, the door opens inward into the home.

Left hinges = Left-Hand Inswing • **Right hinges = Right-Hand Inswing**
