

2 pack

Different glass shades don't affect the use of this manual.

Single-head Wall Sconce

PLEASE READ THE INSTRUCTION CAREFULLY.FOLLOW ALL STEPS AND PAY ATTENTION TO THE WARNINGS

WARNING

- Turn the electricity off at the main circuit breaker panel before installation. Thoroughly wash hands after finishing.
- Remove the fixture and the mounting package from the box and make sure that no parts are missing by referencing the illustrations on the installation instructions.
- All electrical connections must be following local and National ElectricalCode (N.E.C.) standards. If you are unfamiliar with proper electrical wiring connections, please ask for help from a qualified electrician.

CAUTION

The glass shade is fragile, please take care of your hands when handling glass components or lamps.

INSTALLATION STEPS

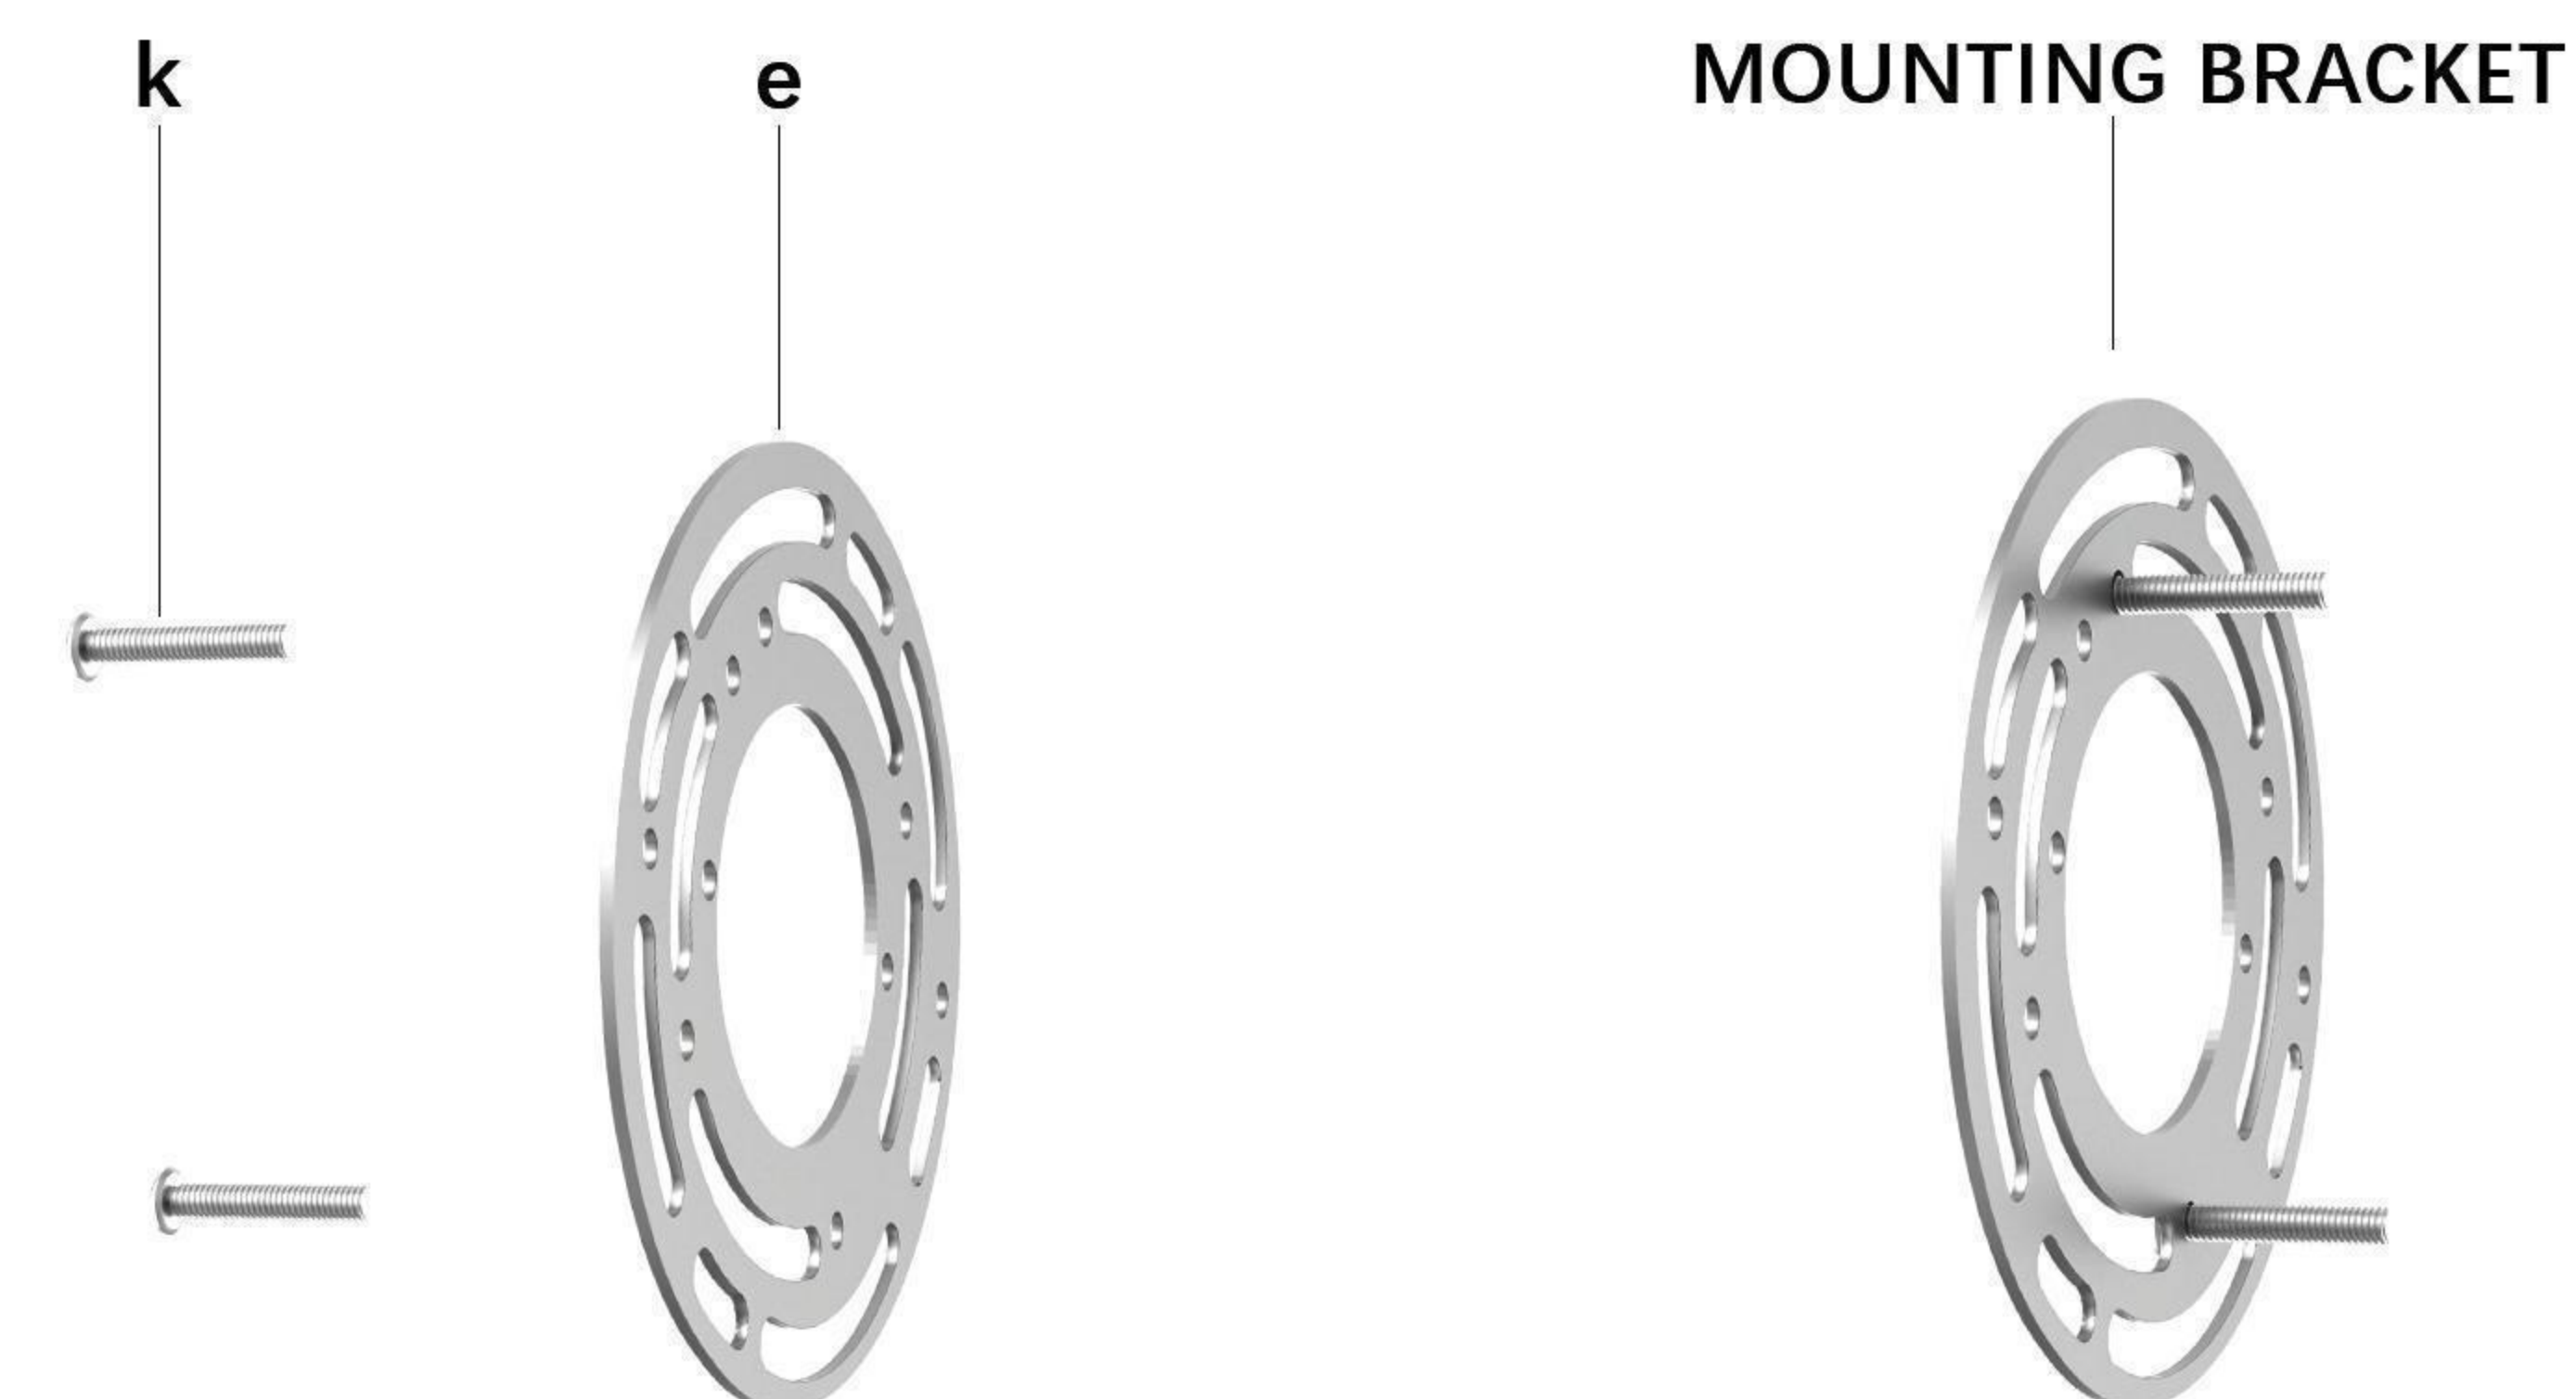

STEP 1

Attach the mounting units to the base of the FIXTURE BACK PLATE, in the order shown in the picture below(a-c-f-j).

STEP 2

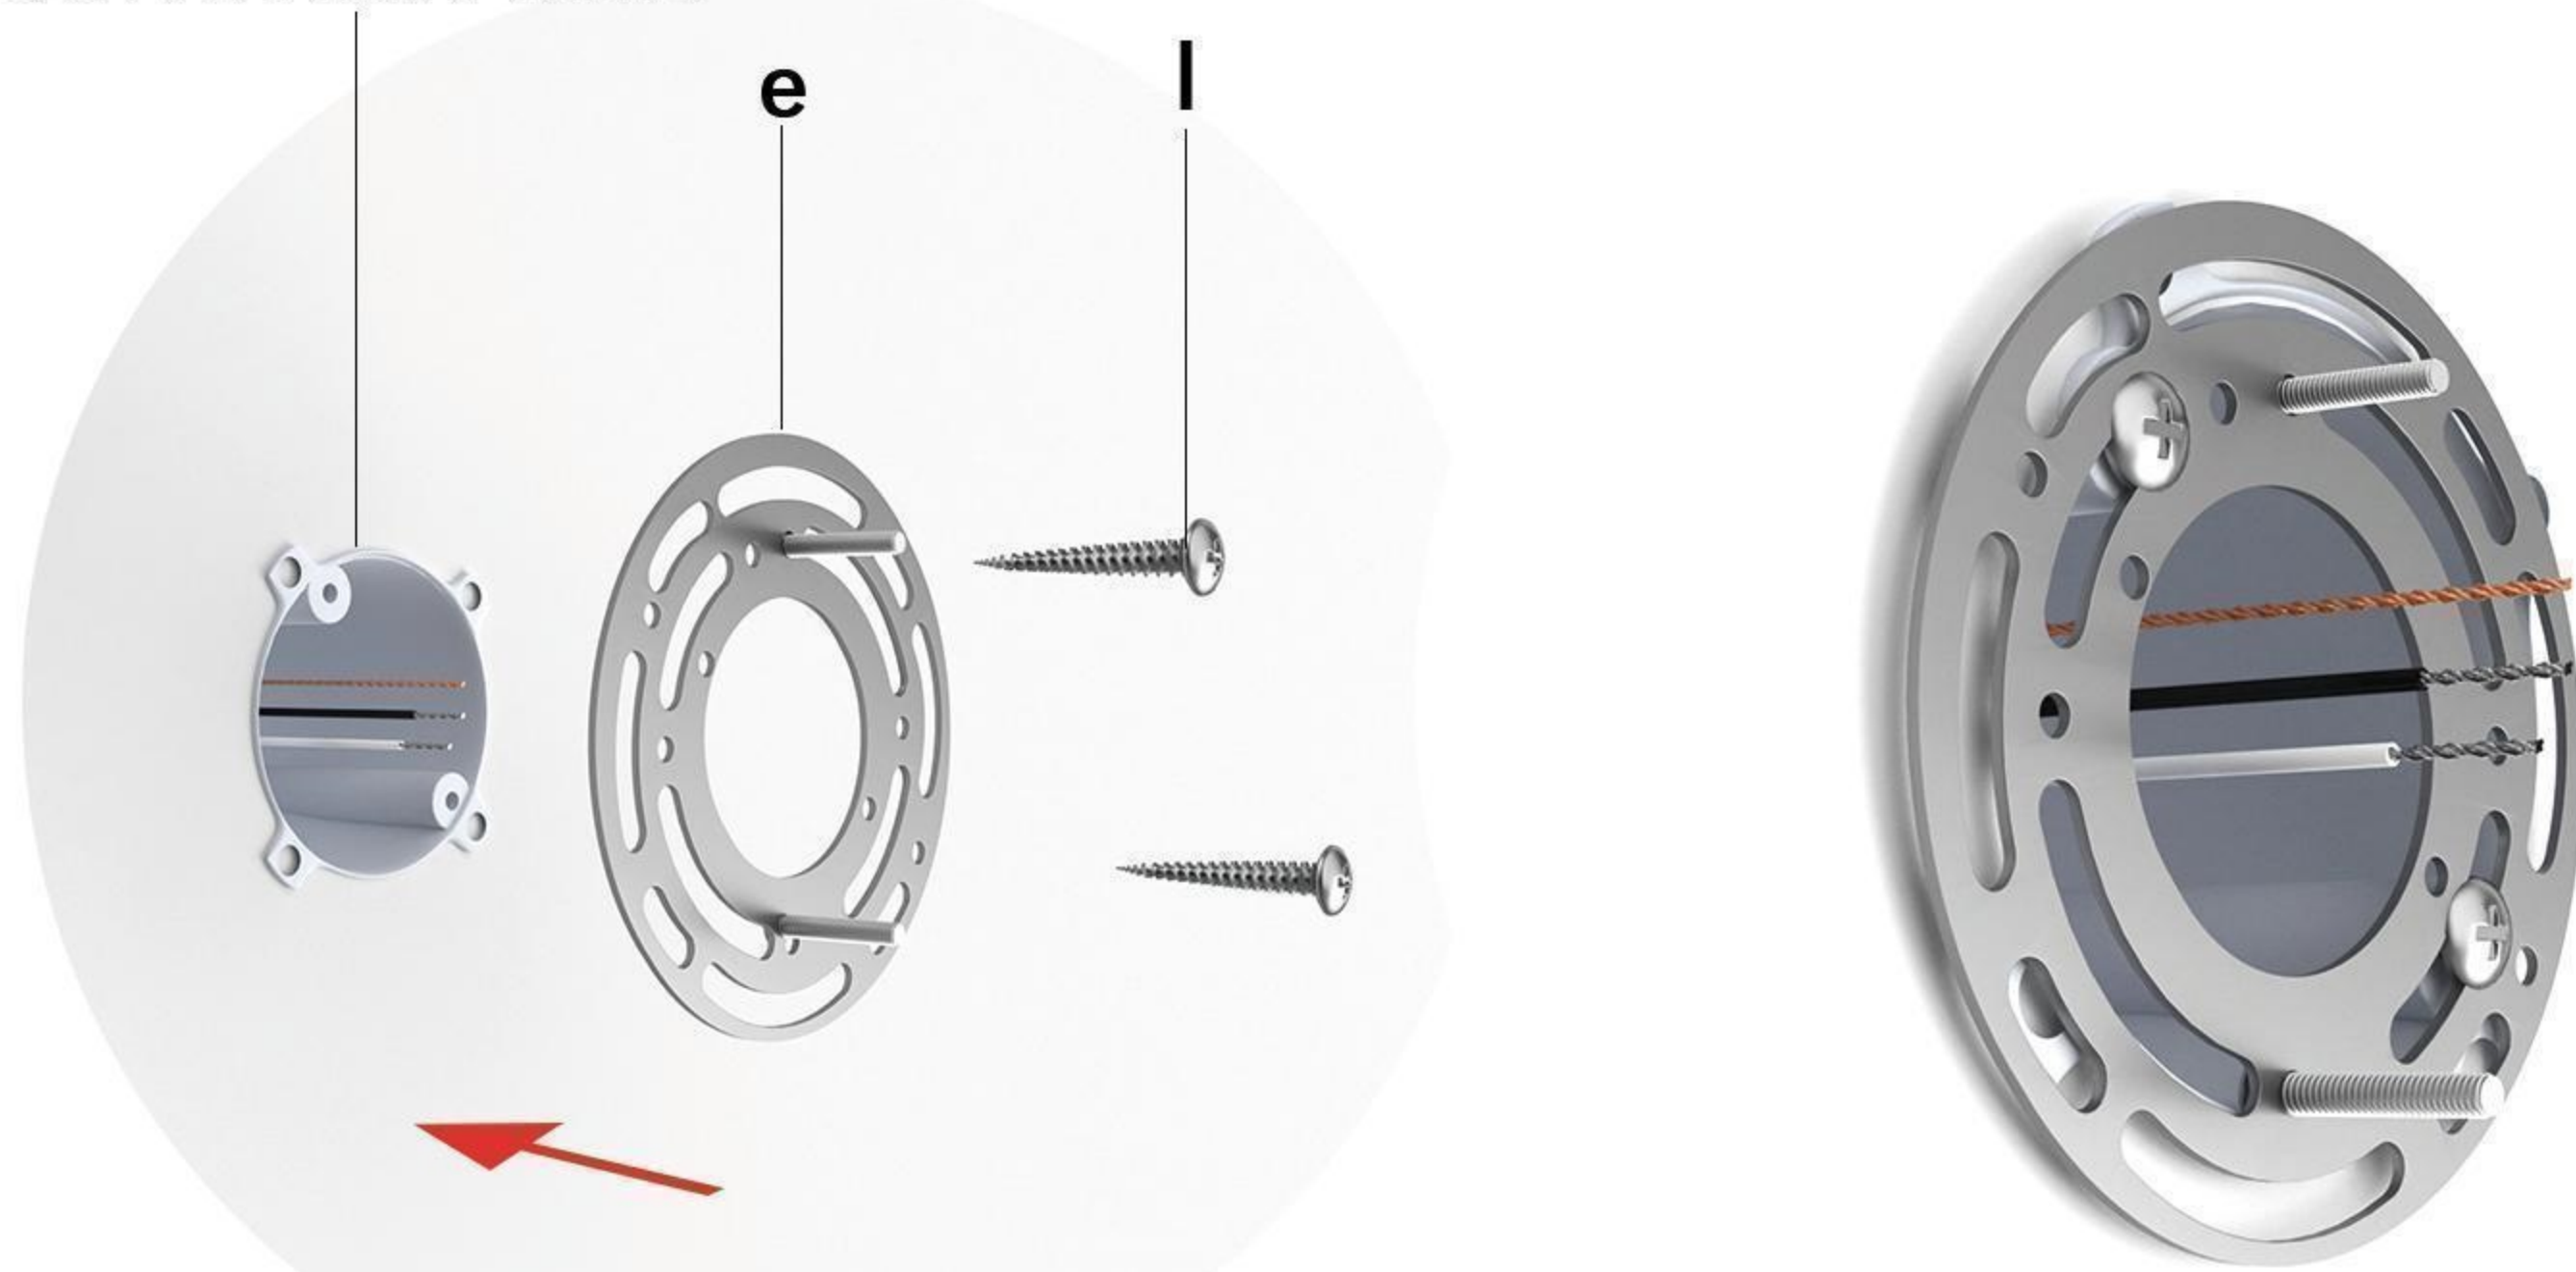

Twist the two screws symmetrically on the MOUNTING BRACKET.

STEP 3

Fix the MOUNTING BRACKET to the JUNCTION BOX with screws. Please pay attention to reference the position of the two long SCREW installed in step 2. Be perpendicular to the ground so that the lamp can install horizontally.

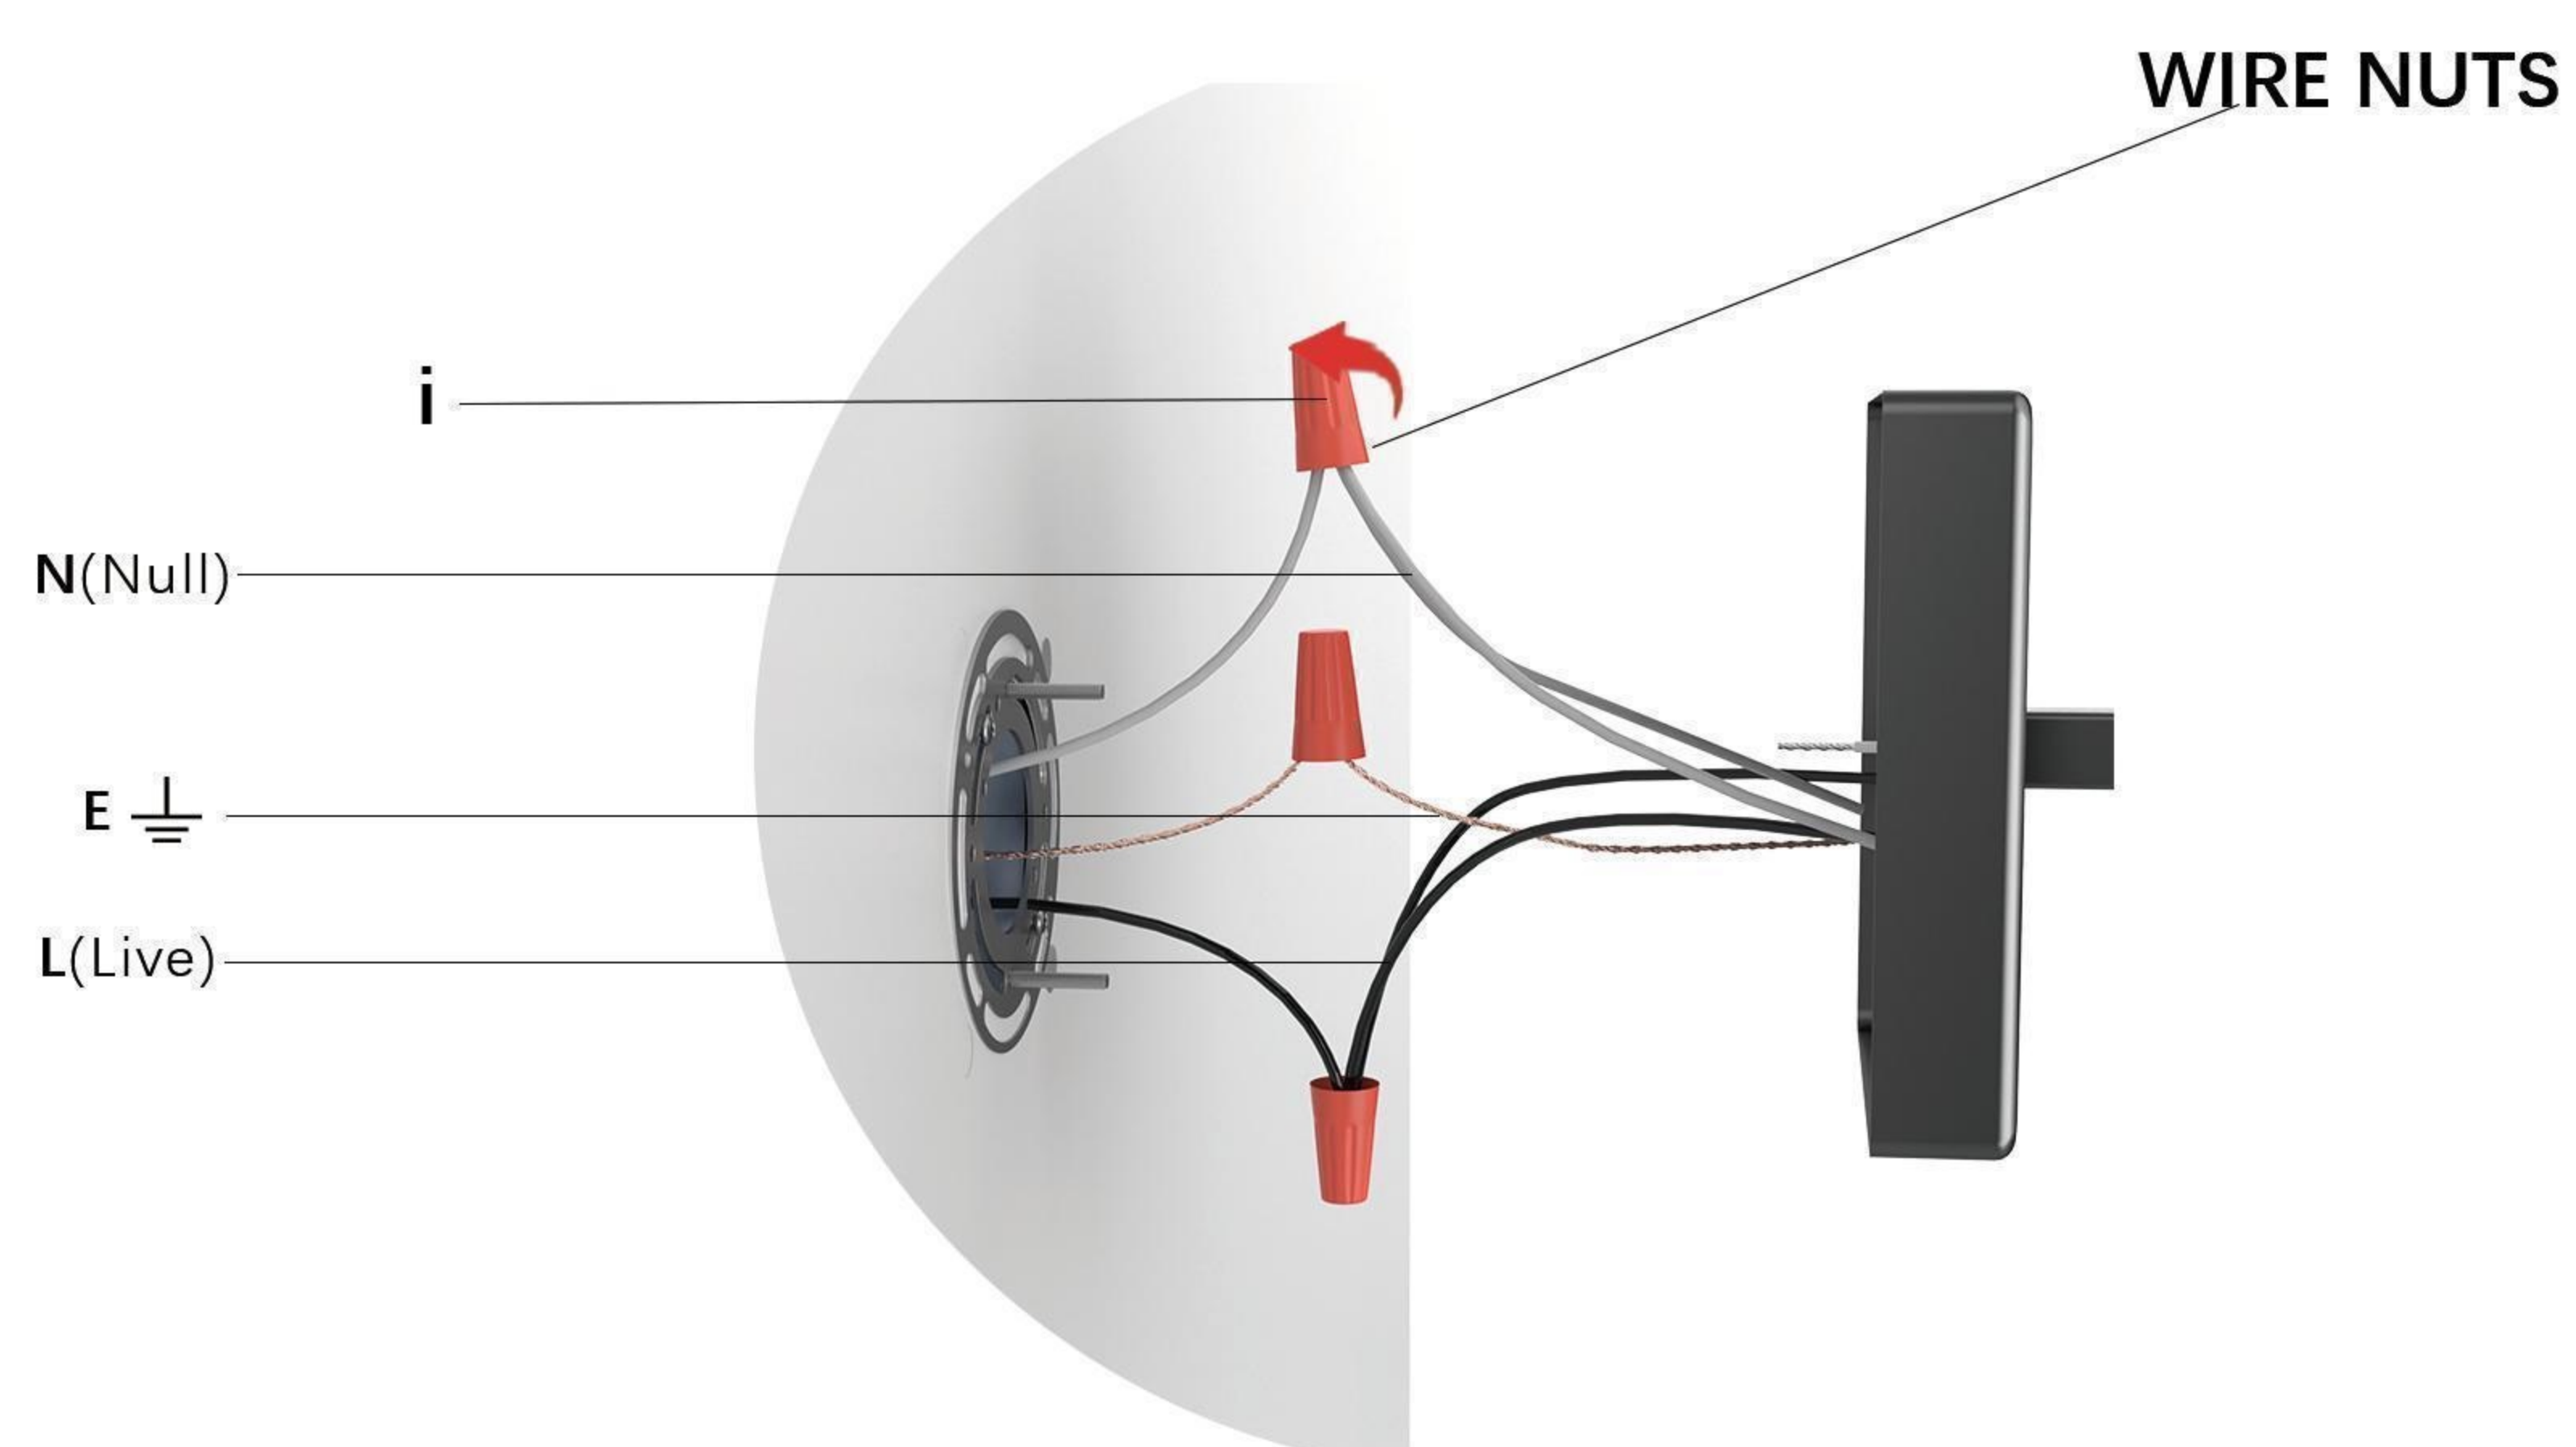

JUNCTION BOX

STEP 4

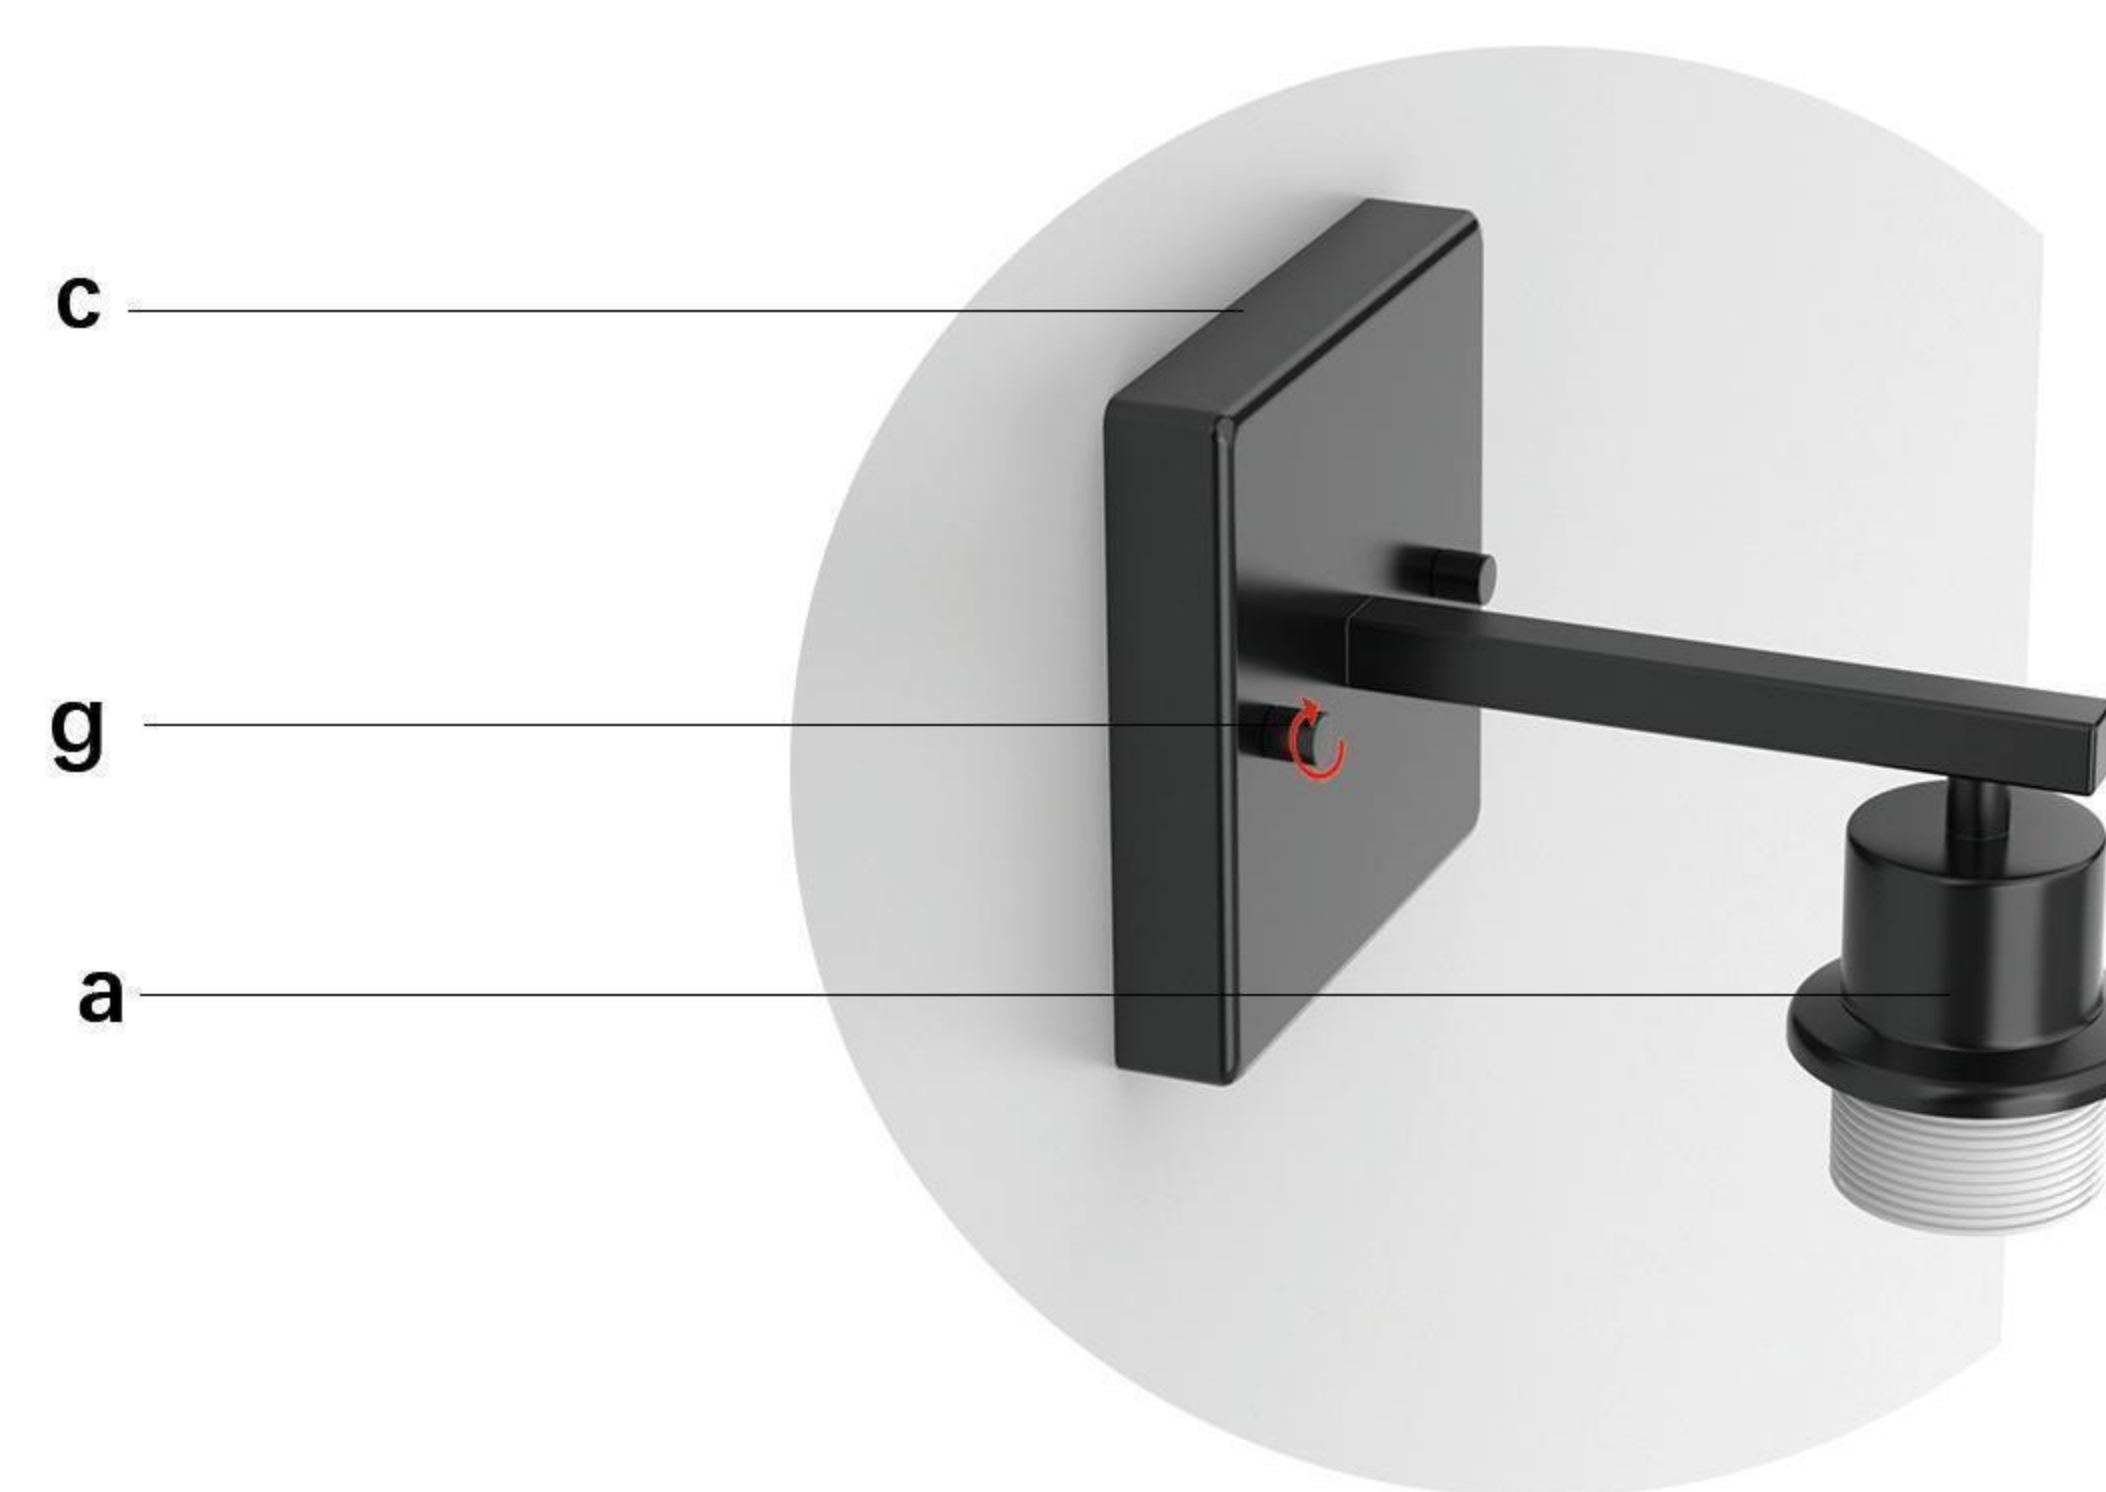

Connect wire and WIRE NUTS:

- A-Connect the black wire (L)to the black supply wire.
 - B-Connect the white wire (N) to the white supply wire.
 - C-Connect the ground wire (E) to the supply ground wire with a wire nut.
- Carefully tuck wires back into the MOUNTING BRACKET.

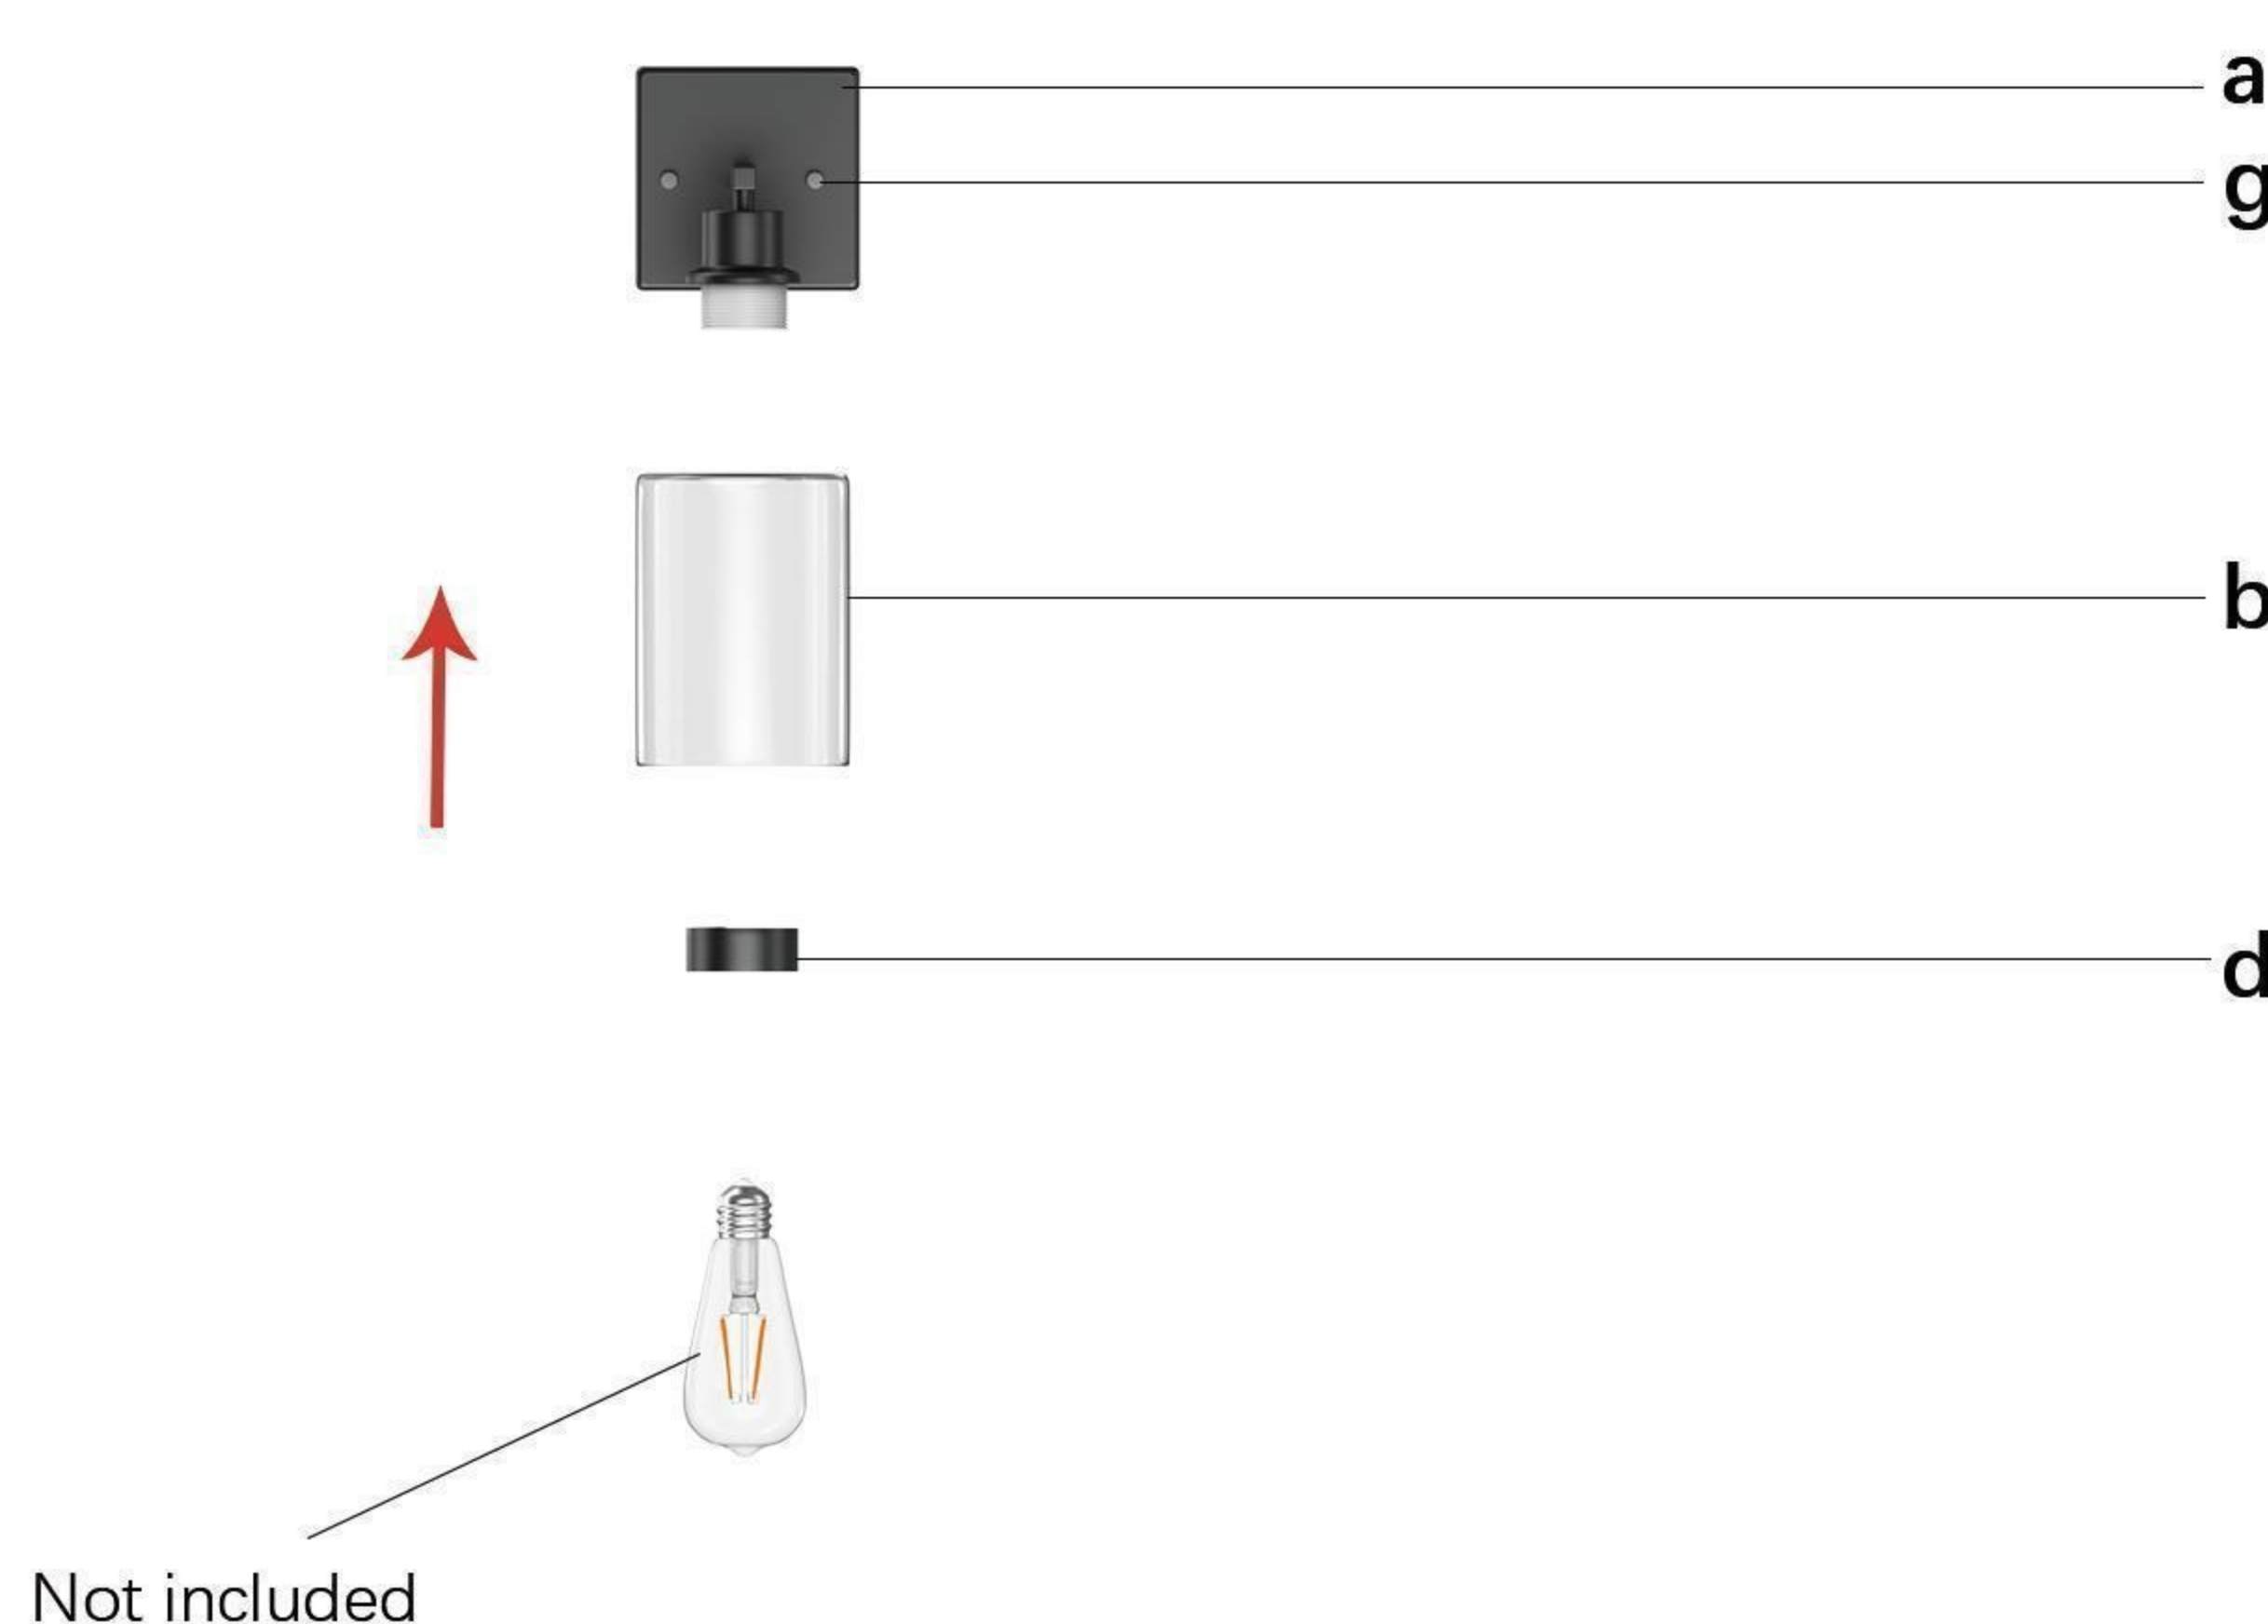

STEP 5

Place the FIXTURE BACK PLATE of the lamp over the MOUNTING BRACKET, then use the NUT(g) to attach them.

STEP 6

Attach the SHADES onto FIXTURE using SOCKET RINGS. Install the bulbs(Not included).

Turn on the light, it's in perfect view!
