

INSTALLATION INSTRUCTION

Installation diagram of hanging plate

Be sure to use 6 inch expansion screws (please use different screws for different ceilings) close to the ceiling. The hanging board is attached to the ceiling with expansion bolts and nuts. The hanging plate is attached to the hanging board with screws and nuts.

The hanging plates used in each series of lamps are all different but the assembly is the same

Noted:

Please note that due to the nature of stained glass, each piece of glass in your shade will vary in color and texture, "This is part of the appeal of Tiffany style lamps-each one is unique-a one-of-a-kind Piece of art to be treasured for a lifetime.

Prior to use:

Upon removing your Lamp from its packaging, you may find a coat of oil on the shade (oil is used in the final stage of production to protect the soldering). To remove the oil, place the Lamp on a soft, flat surface (be sure to place a towel on any furniture to prevent scratching). Using a paper towel, gently buff the shade, turning the towel frequently, Do not use chemical cleansers, as they may harm the finish of the soldering.
