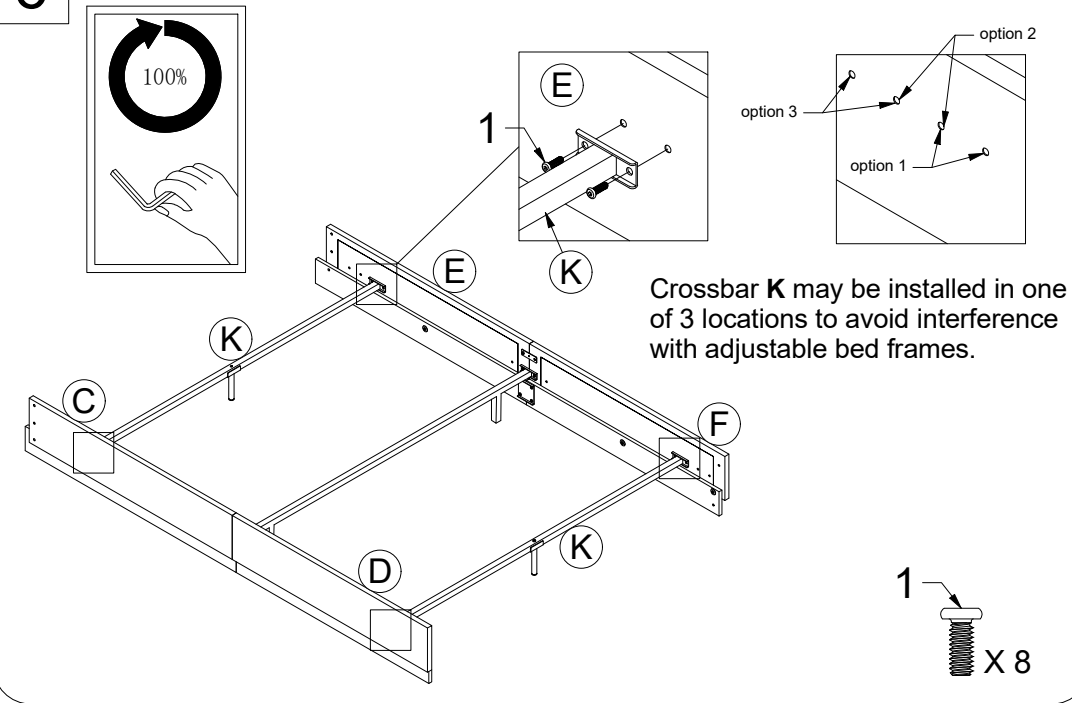

Diagram illustrating the assembly of the upper part of the frame. The frame consists of two main sections, M and B. The assembly involves securing the sections using screws (6) and washers (4). The diagram shows the screws being inserted into the frame sections. A 100% completion icon indicates that this step is finished.

[illegible]

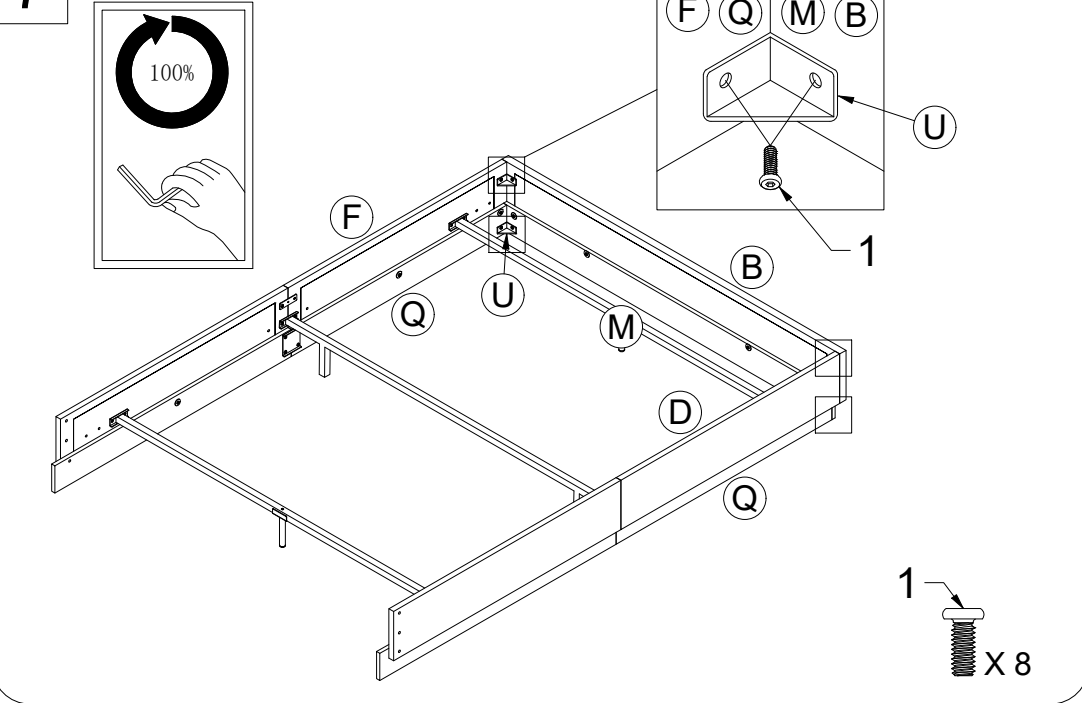

5

Crossbar **H** may be installed in one of 3 locations to avoid interference with adjustable bed frames.
