WARNING

STRANGULATION HAZARD

NEVER place bed near windows where cords from blinds or drapes may be strangle a child.
NEVER suspend strings over bed.
NEVER place items with a string, cord, or ribbon, such as hood strings or pacifier cords, around a child's neck. these items may catch on bed parts.
ALWAYS follow assembly instructions.

WARNING!

Not intended for children under the age of six. INFANTS HAVE DIED FROM BECOMING ENTRAPPED IN BEDS. Openings in and between bed parts can entrap the neck and head of a small child. NEVER use bed or child under the age of six.

The mattress must be appropriately size for the bed. If the mattress is undersized, dangerous gaps can exist and a person can become entrapped or entangled in the frame and suffocate.

Note: This Bed is NOT a TOY.

Keep your child/children at bay during the assembly process.

The BED is HEAVY.

To prevent injury to yourself or damage to the product a minimum of two adults are required whenever moving or lifting it.

Assembly Instruction

Step 15

Insert the assembled drawers into the bed frame as shown in the illustration. Make sure the drawers are properly aligned and slide smoothly into position.

Assembly Instruction

Complete

Check for wobbles.

In a sequential manner, gradually tighten all Bolts until evenly secured.

Inspect the Bed and make sure all parts are adequately connected.

With assistance from your adult partner, adjust the Levelers to desired height to avoid wobbles.

To adjust the Levelers, get assistance from an adult partner to lift/ lean and hold the Bed while you are working.

Your Bed is ready for use.

This Bed can only be used on a flat, level surface.
