Assembly Steps

Overview

Table Top (A)

FRONT FACING

This Dining Table has multiple parts and may require up to some 30 minutes to assemble. To give you an overview of the Dining Table parts, the above picture is to help you put the various parts into perspective. Please read through the instructions below to familiarise yourself with the parts and steps before assembly.

Step 1

Place the Table Top (A) face down onto a clean, soft surface to avoid any scratches or damages to the product.

Position the Table Leg (B) as shown. Fix the leg with JCB Bolt ① + Spring Washer + Flat Washer using Allen Key ②.

DO NOT tighten a Bolt fully and then move on towards another one.

Repeat the same process with the remaining three Legs.

In case the table wobbles, need loosen tighten the screw and bolts, and use your hand press the top of the table, to make sure the table evenness, and then full tighten the bolts sequence.

FULLY TIGHTEN THE BOLT NOW.

With assistance from your adult partner, stand the Table up.

Your Table is now ready for use.

-
-   ● Dust and pick-up spills using a clean, non-colored, lint-free cloth .

What is Proposition 65?

Proposition 65 is a California law that requires warning labels on products that may contain one of more than 800-plus chemicals or ingredients that the California Office of Environmental Health Hazard Assessment (OEHHA) has deemed to cause cancer or other reproductive toxicity. Chemicals and elements on this list include wood dust, brass, and other everyday substances, which can be found in very common household items, such as: lamps, tableware, jewelry, crystal glasses, electric cords, beauty products, automobiles, and furniture.

Why Did I Find a Proposition 65 Warning on My Home Goods Product?

We include Proposition 65 warnings on all of our products because there is always a chance that one of the 800-plus common chemicals and ingredients listed under this law could potentially be on our furniture or packing materials. We risk large fines under this law, if we don't include this warning.

Should I worry?

We realize you may be worried finding this warning on our products, but we want to reassure you that the hazardous exposure limits for any of these chemicals have never been found on furniture products that we've shipped to our customers. Additionally, this warning label is very common and can be found on almost every piece of furniture sold in the state of California.

Just How Common Are Proposition 65 Warnings?

Proposition 65 warnings have become so common in California that it is hard to take a trip to a local bank, grocery store, or restaurant without finding at least one warning. In fact, even the Disney Land Resort has a Proposition 65 warning:
