

INSTRUCTIONS AND CARE

Storage and Maintenance

INSTALLATION: Check your patio furniture to make sure there are no sharp objects or corners that could hurt or stress your cushion.

CUSHION: To avoid mold, be sure your cushion is completely dry before you store it in an cloused area for long periods of time.

ATTENTION: We do not recommend leaving these chair pads outside, but may be used on outdoor chairs and brought in when done.

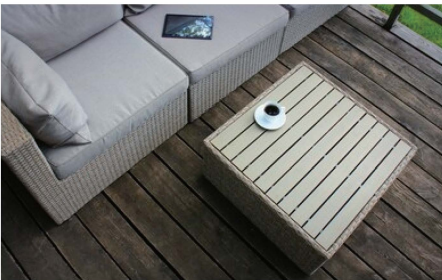

ABOUT US

Factory-based company with 30+ years of experience

We've grown into a company that focuses on helping our customers discover more time outdoors. To bringing you high quality cushions, outdoor furniture covers, hammocks , patio umbrellas, and more.

Rocking Chair Cushion

Please contact us by Email. We would like to provide ONE-YEAR EXTENED warranty of the fabric cushion cover

IMPORTANT!

It is important to first make sure that your cushions fit your furniture before opening the plastic packaging of the compressed cushion.**First measure the dimensions of your furniture, choose the size according to your measurements, you will get a cushion that exactly matches your rocking chair.**

Installation

1. Open the box and outer plastic bag (including 2 cushions, please contact us if you are missing accessories). Do not use sharp blades or scissors.

2. Roll out the compressed cushion.

3. Squeeze the cushion inward from both sides for multiple times.

4. Cushion may need up to 48 hours to fully expand.

5.Tips: Drying the cushions after receiving them will help to restore the fluffiness of the cushions and eliminate wrinkles.

6. Adjust length of straps if needed and tie around the frame of furniture.
