Application

This product can be used as a shoe rack, display rack, flower rack, or book rack and is suitable for placing in the hall, closet, corridor, hallway, living room, bedroom, balcony, etc. It can store slippers, sneakers, leather shoes, high heels, etc.

Notes

1. Please remove the protective film before use.
2. Please avoid prolonged exposure to the sun, and do not use it in a humid environment.
3. Please allow the slight color difference caused by the shooting light and the 1-3 cm error due to manual measurement, and make sure you do not mind before ordering.
