

Tribeca Tabletop Clock 645397

For the discerning clock collector, the Tribeca glass Alarm & Table clock is a must-have. With beautiful crisp lines and a unique design, this alarm clock will become a focal point of any office or room in the home.

Careful Craftsmanship: More than just another alarm clock, this unique table clock features careful craftsmanship and design. Slightly arched at the top, this glass table clock features beveled glass paired with a brushed and polished aluminum base.

Detailed Design: Every detail of this clock comes together to create a wholly unique table clock. The white dial features a polished silver-finished bezel with black Roman numerals and luminous insets on the black hour and minute hands. Completing the entire look is the clock's glass crystal.

Extra Features: Place this unique table clock anywhere in your home or office without worry. A felt bottom protects your desktop, table, or shelf from scratches.

Quartz Movement: Utilizing quartz movement, this alarm clock requires one AA size battery.
