Hinged Shower Door

The Avalux Collection of Completely Frameless Square/Rectangular Hinged Shower Enclosures by Aston features a sleek, modern and seamless design for corner installations. Available in a multitude of sizes, The Avalux Collection can accommodate virtually any corner footprint. The Avalux Collection is constructed with ANSI-certified tempered clear or frosted glass, self-centering hinges, and is engineered for left or right handed door installation. Multiple hardware finishes and glass styles are offered to upgrade any bathroom. Shower bases are not available for this collection

- Premium Clear or Frosted 3/8" (10mm) tempered safety glass - ANSI Z97.1 certified
- Wall brackets and self-centering hinges
- Two top support arms to ensure stability
- Engineered for left or right handed door installation
- Full-length clear seals included
- Installation hardware included
- No out-of-plumb adjustability
