Thank you for making a purchase with Velets. The goal of this assembly sheet is to help you assemble the product in a way that will contribute to its longevity and durability. Kindly follow all the instructions carefully to ensure a safe and accurate assembling process.

A few important things to note:

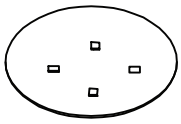

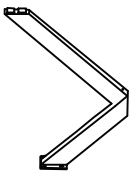

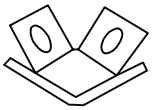

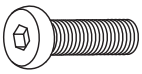

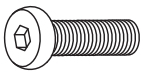

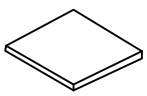

1. Please do not use a power tool to assemble this product. Using one may hinder and/or damage the item and will invalidate any claims for warranty.
2. Depending on the amount of use this product receives, it may be recommended to tighten up the fixings from time to time. This is completely normal!

Read these instructions carefully and keep for future reference. Refer to parts inventory for guidance, and ensure you have all pieces before starting.

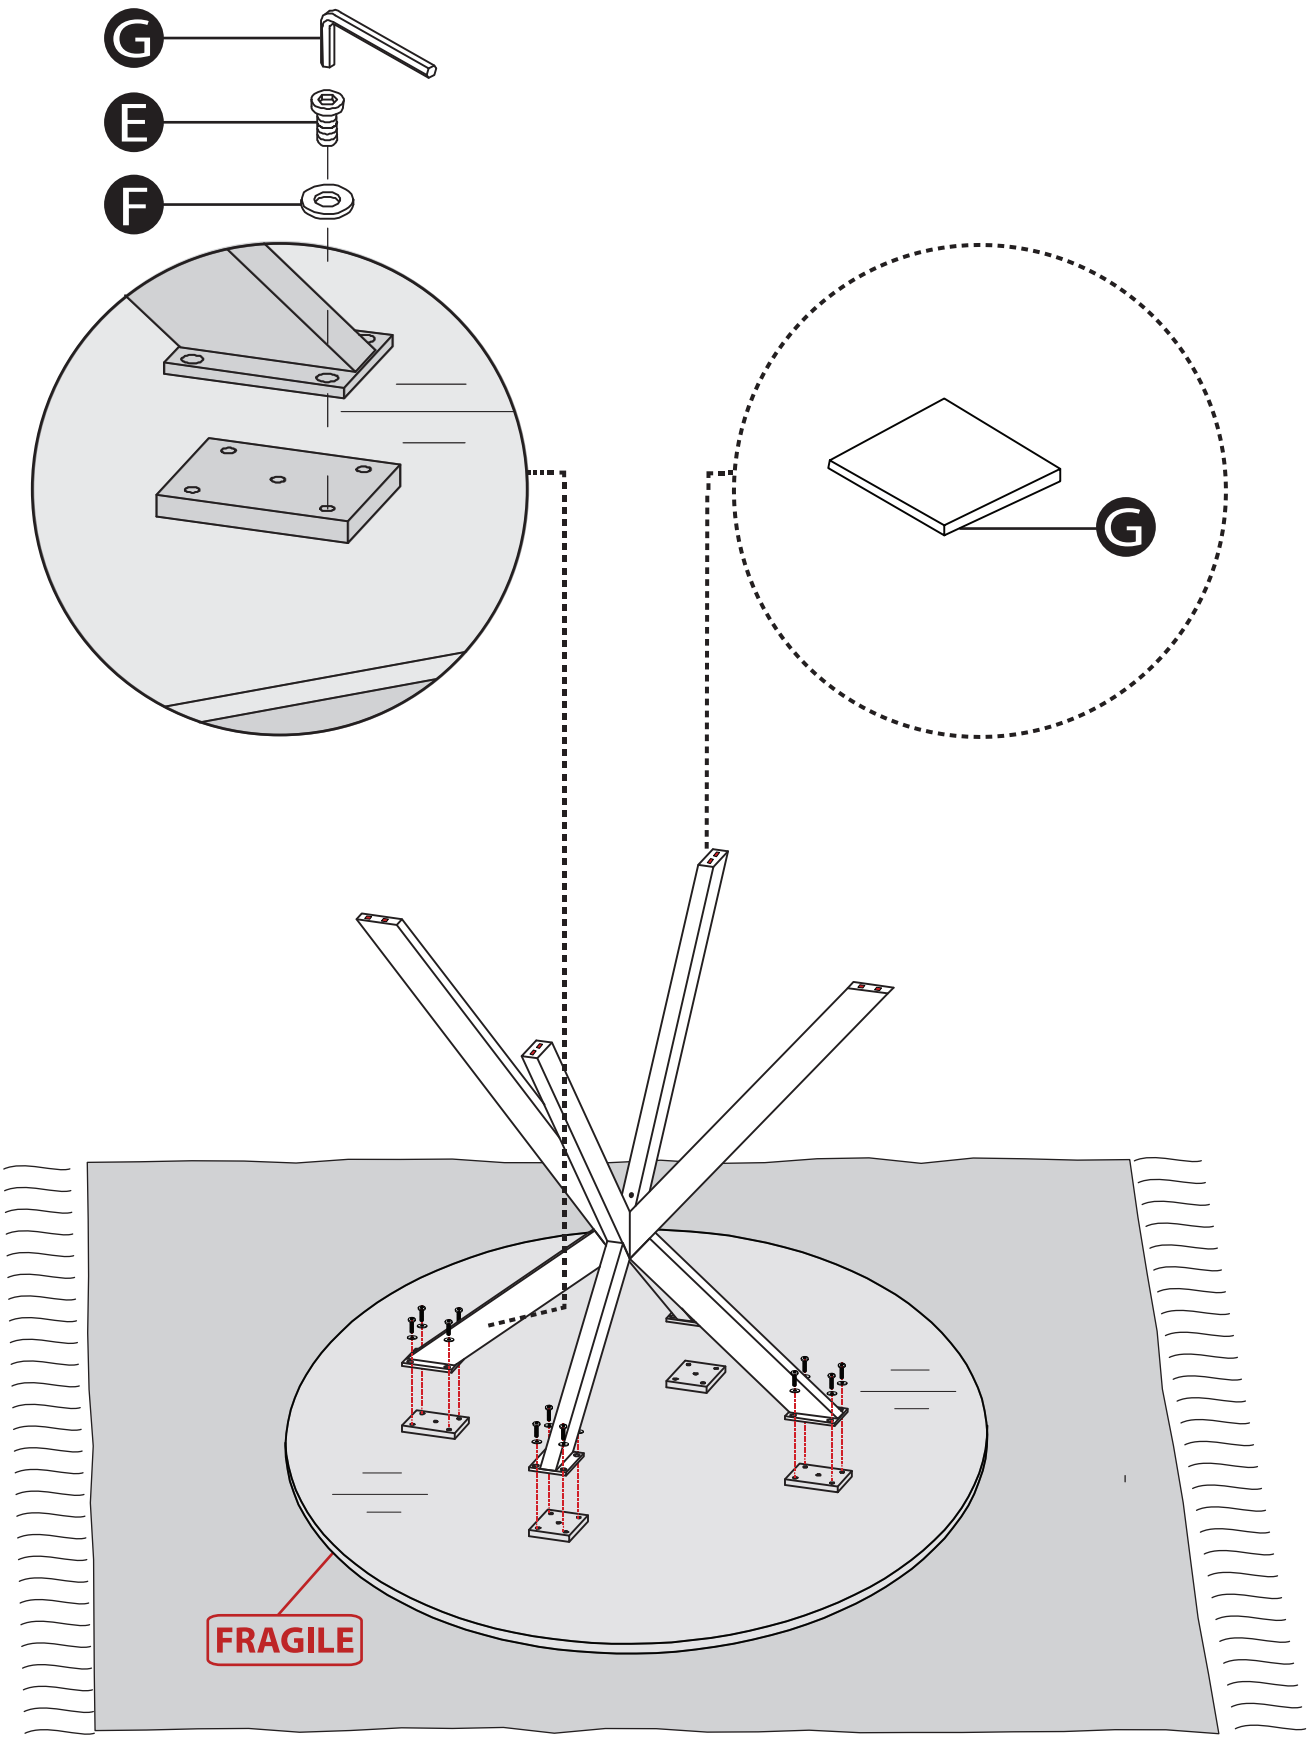

When assembling, place all parts on a soft, clean, and flat surface such as a carpet to prevent scratches.

If you're having difficulty, our friendly Customer Care team is always here to help. Call us at 1.800.484.7050 during business hours, email support@velets.com.

# Warranty Information

Version 1.0

How long is the warranty valid?

The warranty for new Velets products remains in force for 6 months. The warranty is valid from the date of purchase. The original purchase receipt is required as proof of purchase.

Products and parts not covered under this warranty:

- Fabric covers
- Leather covers
- Coated fabric covers

What is covered under this warranty?

This warranty applies to residential use only and covers defects in material and workmanship in frames, seat and back cushions when used with the intended frames. This warranty becomes valid only after the return window has expired. Please read this Limited Warranty carefully. You must follow these guidelines in order to keep your Warranty valid. If your product is proven to be defective due to poor manufacturing or structural defects other than the specified restrictions set forth herein, we will, at our discretion, replace it or issue you a prorated refund.

Only the product itself is covered by the manufacturer's warranty and financial liability; anything that might be used with the purchased product is not covered. Only manufacturing defects are covered by this warranty; misuse-related damages are not. Manufacturing defects include circumstances where the product has broken under normal use. In the event you encounter a manufacturing defect, please stop using this product immediately and call customer service.

Only the original purchaser, who is the first purchaser of the product according to the original sales receipt or invoice and who purchased the product directly from Velets as a new product, is eligible to take advantage of this warranty. Please keep your original invoice as it is mandatory and the only accepted proof of purchase.

The warranty applies only when the product has been properly used by the original purchaser. Proper use means that the product was not abused by the consumer, as defined by the manufacturer. This warranty gives you specific legal rights and you may have other rights that vary from state to state.

What is not covered under this warranty?

This warranty does not cover products that have been improperly used, mistreated, misused, improperly stored, assembled, or installed, or cleaned with the incorrect cleaning agents or methods.

Normal wear and tear, scrapes, scratches, and damage from impacts or accidents are not covered by this warranty.

This warranty does not apply if the product has been used outside or in a humid environment.

This warranty does not cover incidental or consequential damage.
