

ASSEMBLY INSTRUCTIONS

- Thank you for purchasing and using our sofa products.
- There are two combinations of sofas. Please refer to the list of corresponding parts and assembly methods according to the actual purchase.

ATTENTION:

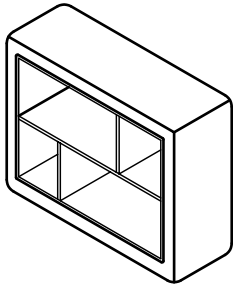

- The product is away from heat and fire sources.
- Keep the product away from sharp objects.
- Do not use strong detergents or polishes such as detergents, solvents, abrasives, spray bags or leather cleaners to clean products.
- Use colorless gentle soap to mix warm water (mix 1:10 percent of soap and water) or professional cleaning products to clean the sofa.
- Do not place furniture in direct sunlight, the product may fade over time.
- Some parts of the product have been compressed. Please open the compression bag after receiving the product, make the parts fluffy, and it will slowly return to their original state within 72 hours.
