FITS PERFECTLY IN A **BOX.**

ELEPHANT IN A BOX

STOOL SET-UP INSTRUCTIONS

INSIDE THE BOX YOU WILL FIND:

- Stool body (honeycomb core, 1 piece)
- Seat cushion lining (1)
- Stool lining (1 piece)
- Fabric cover (1 piece)

1

Open the box and carefully remove all contents and lay out all parts in an organized manner.

2

Remove the strip that secures the honeycomb to expand it with a circular move.

3

Join the sides through the velcro on the edges.

4

Unfold the seat cushion to put it on top of the honeycomb. Put the black lining around the honeycomb from top to bottom.

5

Put the fabric cover on top of the stool to wrap it from the top to the bottom to tighten it.

6

Place the stool with the honeycomb facing the floor and now you can sit and relax!
