Finished!

Congratulations — you're almost done! Please perform the following checks to ensure everything is secure and properly assembled:

√ Tighten all screws. Sit on the sofa and check that the legs are stable and not shaky.

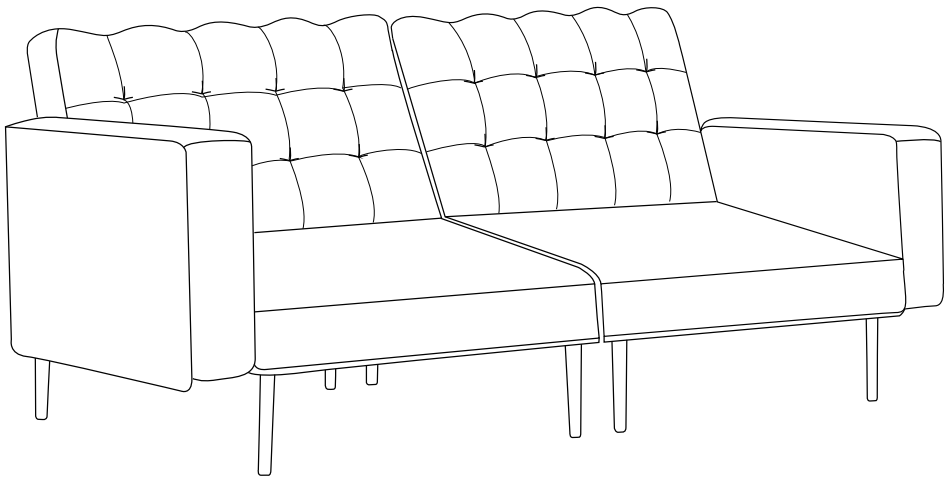

√ Verify cushion and armrest placement. Gently push on the back cushions and armrests to confirm they're firmly in position.

√ Smooth the upholstery. Adjust and lightly pull the fabric to remove wrinkles and ensure it's neatly fitted.

√ Move with care. Always lift the sofa with two people when relocating it. Avoid dragging.

√ Clean gently. Use a soft, damp cloth to wipe the surfaces.

You're all set! Enjoy your refreshed living space with your beautiful new sofa.

Care Instructions

JUST ADD TLC! Your furniture, if treated with respect and love, will last you a long time. Each piece requires light maintenance to maximise daily comfort and improve its longevity. Like anything, if you treat it well, that kindness will be repaid back to you. Your fumiture is designed to support you and put a smile on your face. lt is there to enhance yourhome, and your life.

1. Position the sofa away from direct sunlight or use curtains or blinds to limit the exposure.

2. Clean the sofa regularly with a dry, soft cloth or a vacuum cleaner with a soft attachment.

3. To remove stubborn stains on fabric, blot aected area immediately with a soft cloth soaked in warm water and mild soap. Then dean o using a dry cloth.

4. Take care not to dean with excessive rubbing. lt may damage the weave and discolor the fabric.

5. We recommend fixing felt pads undemeath the sofa to prevent scratches on the floor. Placing a rug underneath can also add the right amount of protection and shine to your living space!

6. For optimal care, you should distribute the weight evenly on the cushion regularly.

Follow the care instructions and look after your fumiture, in return, your furniture will look after you. We hope to see you soon!
