## USE AND CARE OF YOUR PERGOLAS:

Frame:
Keep the frame and motor dry. When hosing with water, avoid spraying water onto the motor. Recommended to apply non-abrasive wax onto the frame each year, especially for high salt area. During high wind and high snow season, please make sure the pergola is in the open position. For additional, please contact your dealer.

Motor:
Keep it dry. (Please note, water damage to motor, control, switch, and electronics are not covered by this warranty.

Important Notes:
Do not allow children to play with Pergolas controls. Keep remote controls away from children.
Do not barbecue under your Pergola while it is not ventilated. (Please contact your dealer for detail information.
Do not allow birds to nest on your Pergolas.
Do not operate the pergolas while in high wind or heavy snow situation.
