B-PYSS24-G035-3
B-PYSS24-G035-4

ASSEMBLY INSTRUCTIONS

Please check the number of parts in the following accessory catalogue when unpacking. We have sent you more small parts for spare. If there is any missing or any questions about the installation. Please feel free to contact us. We will reply within 24 hours.

E-mail: cs.helper01@gmail.com

TOOLS RECOMMENDED

*NOTE: The recommended tools are not included in boxes and need to be prepared by yourself.

DRILL

RUBBER Mallet

STEPLADDER
(6.5Ft Or More)

SAFETY HAT

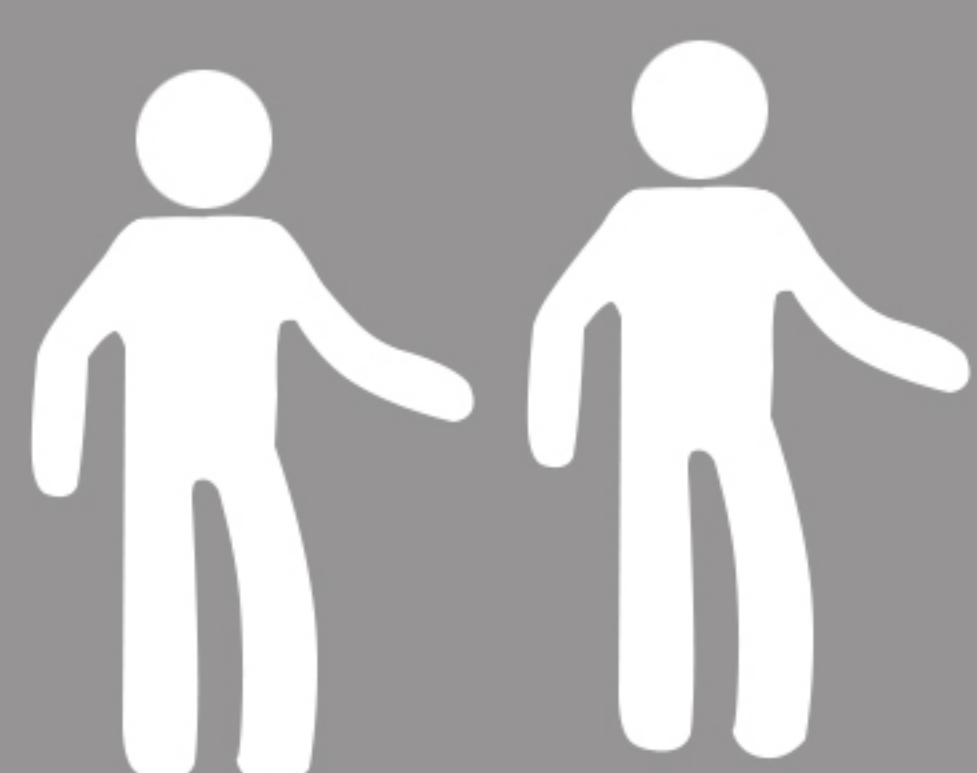

GLOVES

SAFETY GOGGLES

ATTENTIONS

Two or more people
are required for
assembly

To better align the screws
for practical situations, do
not fully tighten screws
initially

Please reinforced the Gazebo
and do not use in heavy winds
or inclement weather

Make sure all screws are
tightened before use and
check all screws, buckles and
straps every 90 days

Since it is easy to lose many
small accessories during the
installation, please collect all the
the screw accessories before the
assembly is completed

Please clear the snow off the
roof in time for the heavy
snowfall and do not use it

To improve stability of gazebo, expansion screws and ground nails are very necessary. Expansion screws use for cement surfaces, ground nails use for grassy surfaces. Expansion screws are included in the package but ground nails are not provided.

OR

!!! For safety's stake, please check and make sure that all screws are tightened after all installation is complete.

Installation Completed

Hope you enjoy this product.

If you have any concerns about gazebo Installation, please feel free to contact us. We will reply within 24 hours.
