

LIFETIME LIMITED WARRANTY

Hubbardton Forge products are manufactured in Vermont under the highest standards of quality and craftsmanship.

Warranty Coverage

All Hubbardton Forge products are warranted against defects in materials and workmanship, subject to certain conditions and exclusions, for the lifetime of the original purchaser, provided the fixture remains installed in the original residential installation. This warranty is valid only if the product is **registered within 90 days of receipt**. Registration can be completed at <https://hubbardtonforge.com/about/lifetime-limited-warranty>. Proof of original purchase and registration are required to initiate a warranty claim.

For the purposes of this warranty, “lifetime” refers to the period during which the original purchaser owns the fixture and it remains installed at the original residential address.

This warranty is non-transferable and applies only to products purchased and installed in North America.
