ASSEMBLY

1. Please open all cartons and remove all parts from them carefully.
Place all parts on protected surface or carpet.
2. Please connect the right armrest (part B in the carton A) with the seat frame first, then connect the rest seat frames according to the assembly instructions.
3. Then please insert all the backrests into the seat frames, and connect the left armrest (part A in the carton A) finally with the seat frame according to the assembly instructions
