# MAINTENANCE AND WARNINGS

*Thank You For Choosing Our Furniture.*

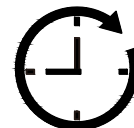

*Please read the instructions and warnings carefully before use, to ensure safe and satisfactory operation of this product.*

## NOTE :

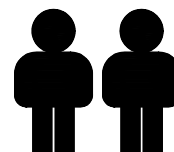

This brochure contains IMPORTANT safety info. Please read and keep it for future reference.

Weight Limitation  
40 LBS

Installation:  
45 minutes.

Two Person

## Before You Start

*Please follow the steps below:*

-  Unbox the package and check if all parts and accessories are complete.
-  If you find something missing, stop assembly and contact your supplier immediately.
-  Please do not completely tighten all the hardware until the entire assembly is completed! Be sure to tighten all the hardware once the assembly completed.
-  NOTE: Should be assembled on soft surface to keep balance.

## After-Sales Service

- If you encounter any issues or need technical support during use, please contact our after-sales team. We offer long-term maintenance and warranty services.

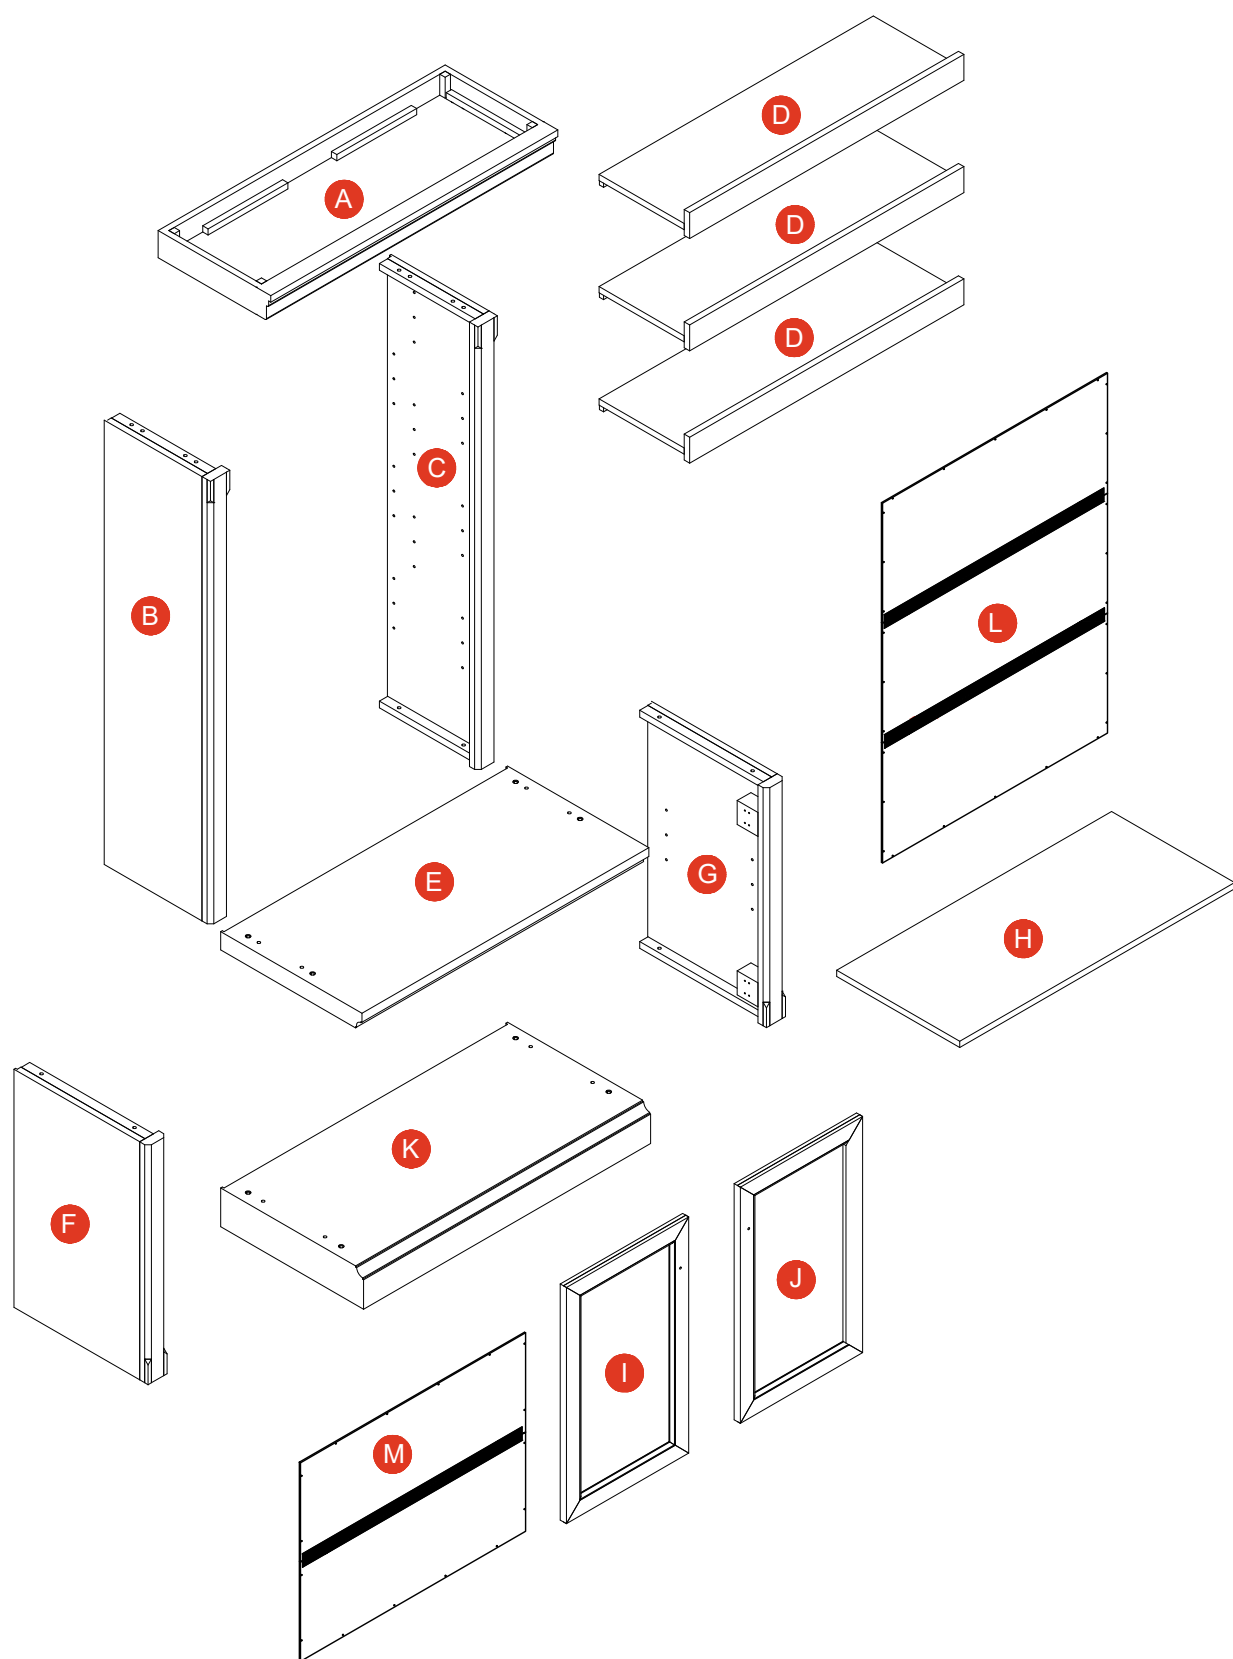

## Warranty

-  We strive to offer high , quality products, and we also try our best to satisfy each and every customer that orders from us with product or service as needed. Each customer must provide a record of their order such as the order number, or item receipt for any items that are out of the warranty period you may also still receive replacement parts by purchasing them with our company if they are available.
-  Are you having difficulty with assembly? Missing parts? Please send email with your order number to **customerservice@hulalahome.com**
-  For return, please check the return policy with the retailer or market place you bought from. Appreciate your purchasing from us. Pop up your life by our furniture piece!

### ***Daily Maintenance***

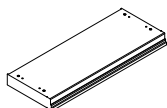

- Keep furniture away from heat.
- Do not use cleaning agents containing acids, alkalis, or corrosive substances, as they may damage the surface. It is recommended to use neutral cleaning agents or specialized furniture cleaners.
- Do not place furniture under direct sunlight, material will possibly fade over time.
- Do not use on site dry cleaning machine.
- Children should not climb or jump on the furniture.
- Do not write on furniture without a padded barrier to protect the surface.
- Not for commercial use, for residential use only.

# Assembly Instructions

## Step 01

- 1.Align the holes in (K),insert (3) by hand  
2.Use (2) to connect (F&G) with (K),Tighten (2) with (8)

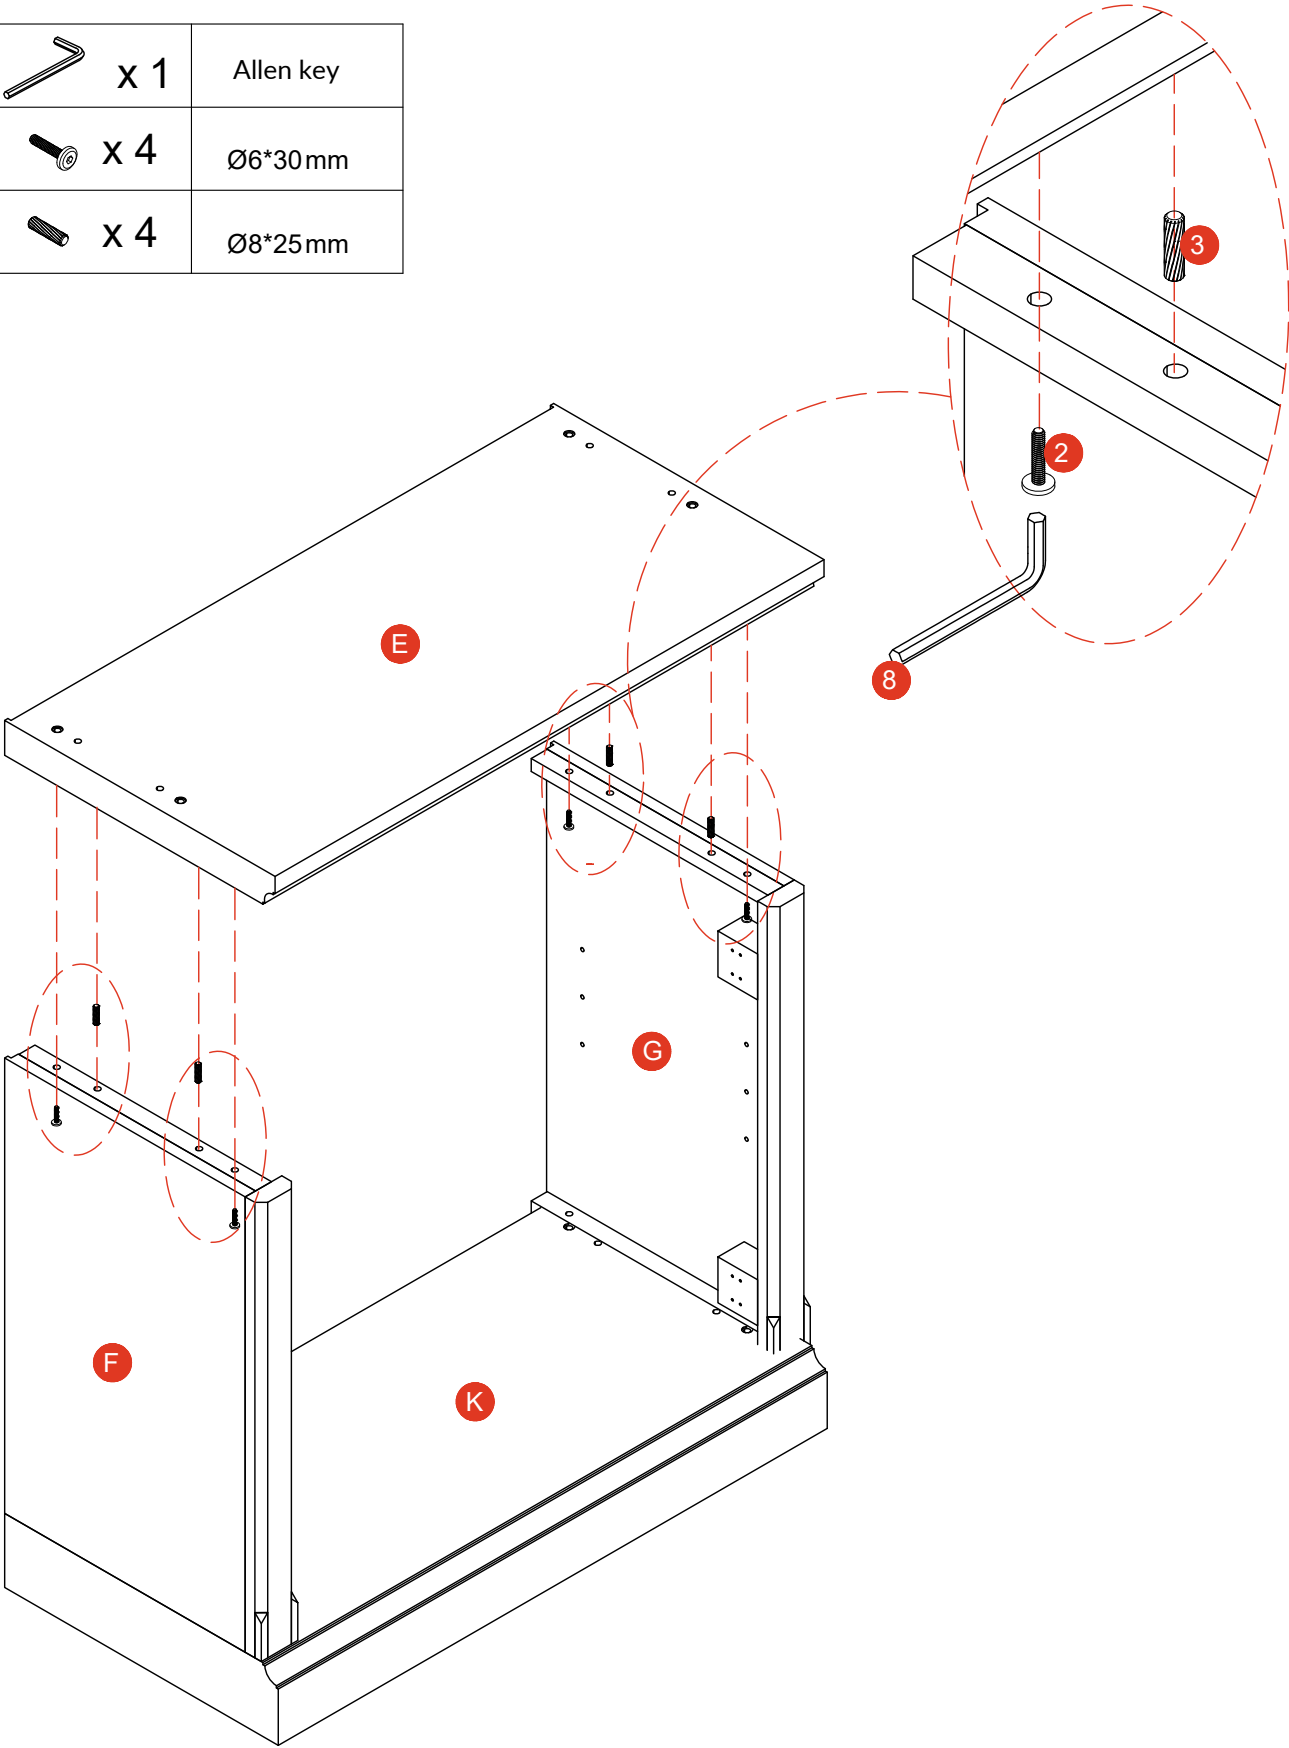

|   |                                                                                   |     |           |
|---|-----------------------------------------------------------------------------------|-----|-----------|
| 8 |  | x 1 | Allen key |
| 2 |  | x 4 | Ø6*30mm   |
| 3 |  | x 4 | Ø8*25mm   |

# Step 02

- 1.Align the holes in (F&G),insert (3) by hand
- 2.Use (2) to connect (F&G) with (E),Tighten (2) with (8)

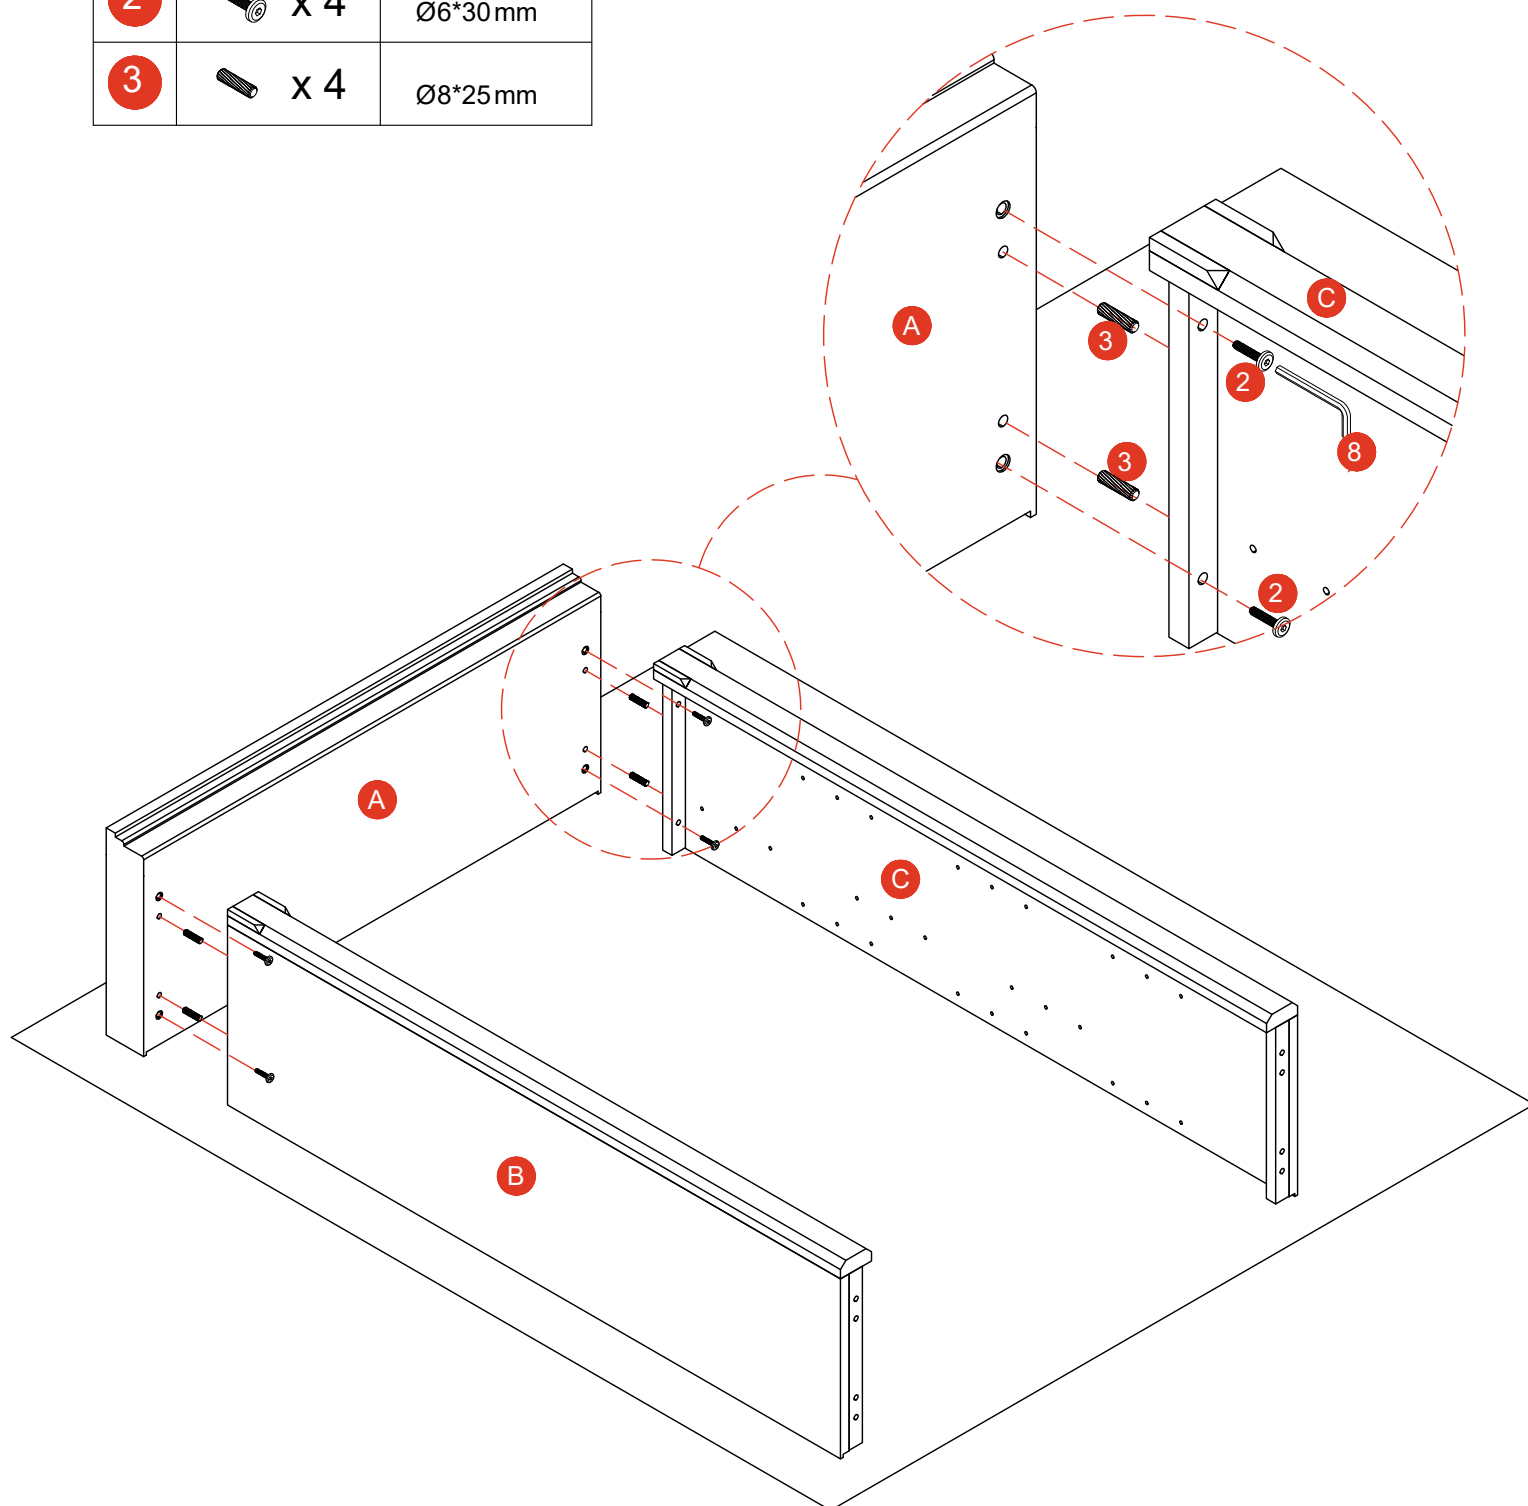

|   |                                                                                       |           |
|---|---------------------------------------------------------------------------------------|-----------|
| 8 |  x 1 | Allen key |
| 2 |  x 4 | Ø6*30mm   |
| 3 |  x 4 | Ø8*25mm   |

## Step 03

- 1.Align the holes in (A),insert (3) by hand
- 2.Use (2) to connect (B&C) with (A),Tighten (2) with (8)

|   |                                                                                       |           |
|---|---------------------------------------------------------------------------------------|-----------|
| 8 |  x 1 | Allen key |
| 2 |  x 4 | Ø6*30mm   |
| 3 |  x 4 | Ø8*25mm   |

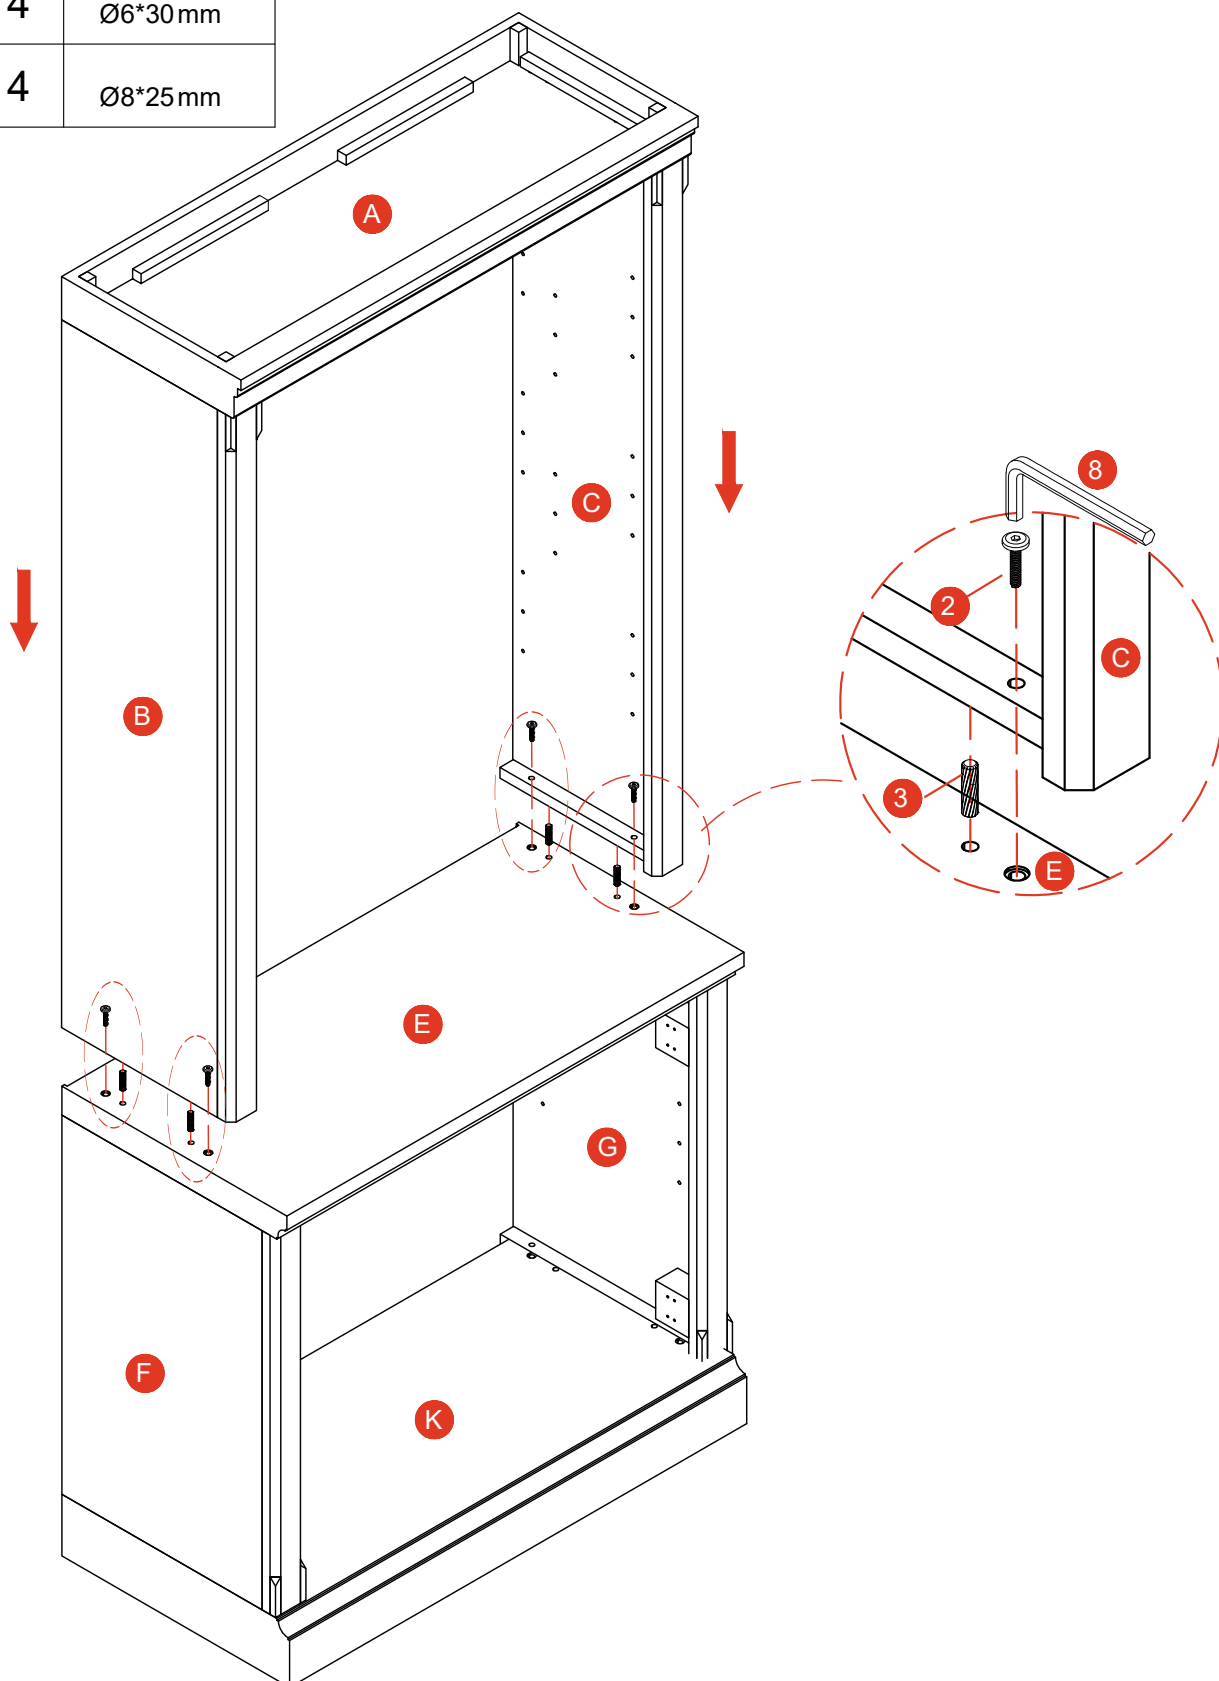

## Step 04

1.Align the holes in (E),insert (3) by hand

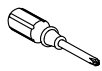

2.Use (2) to connect pre-assembled unit (A&B&C) with (E),Tighten (2) with (8)

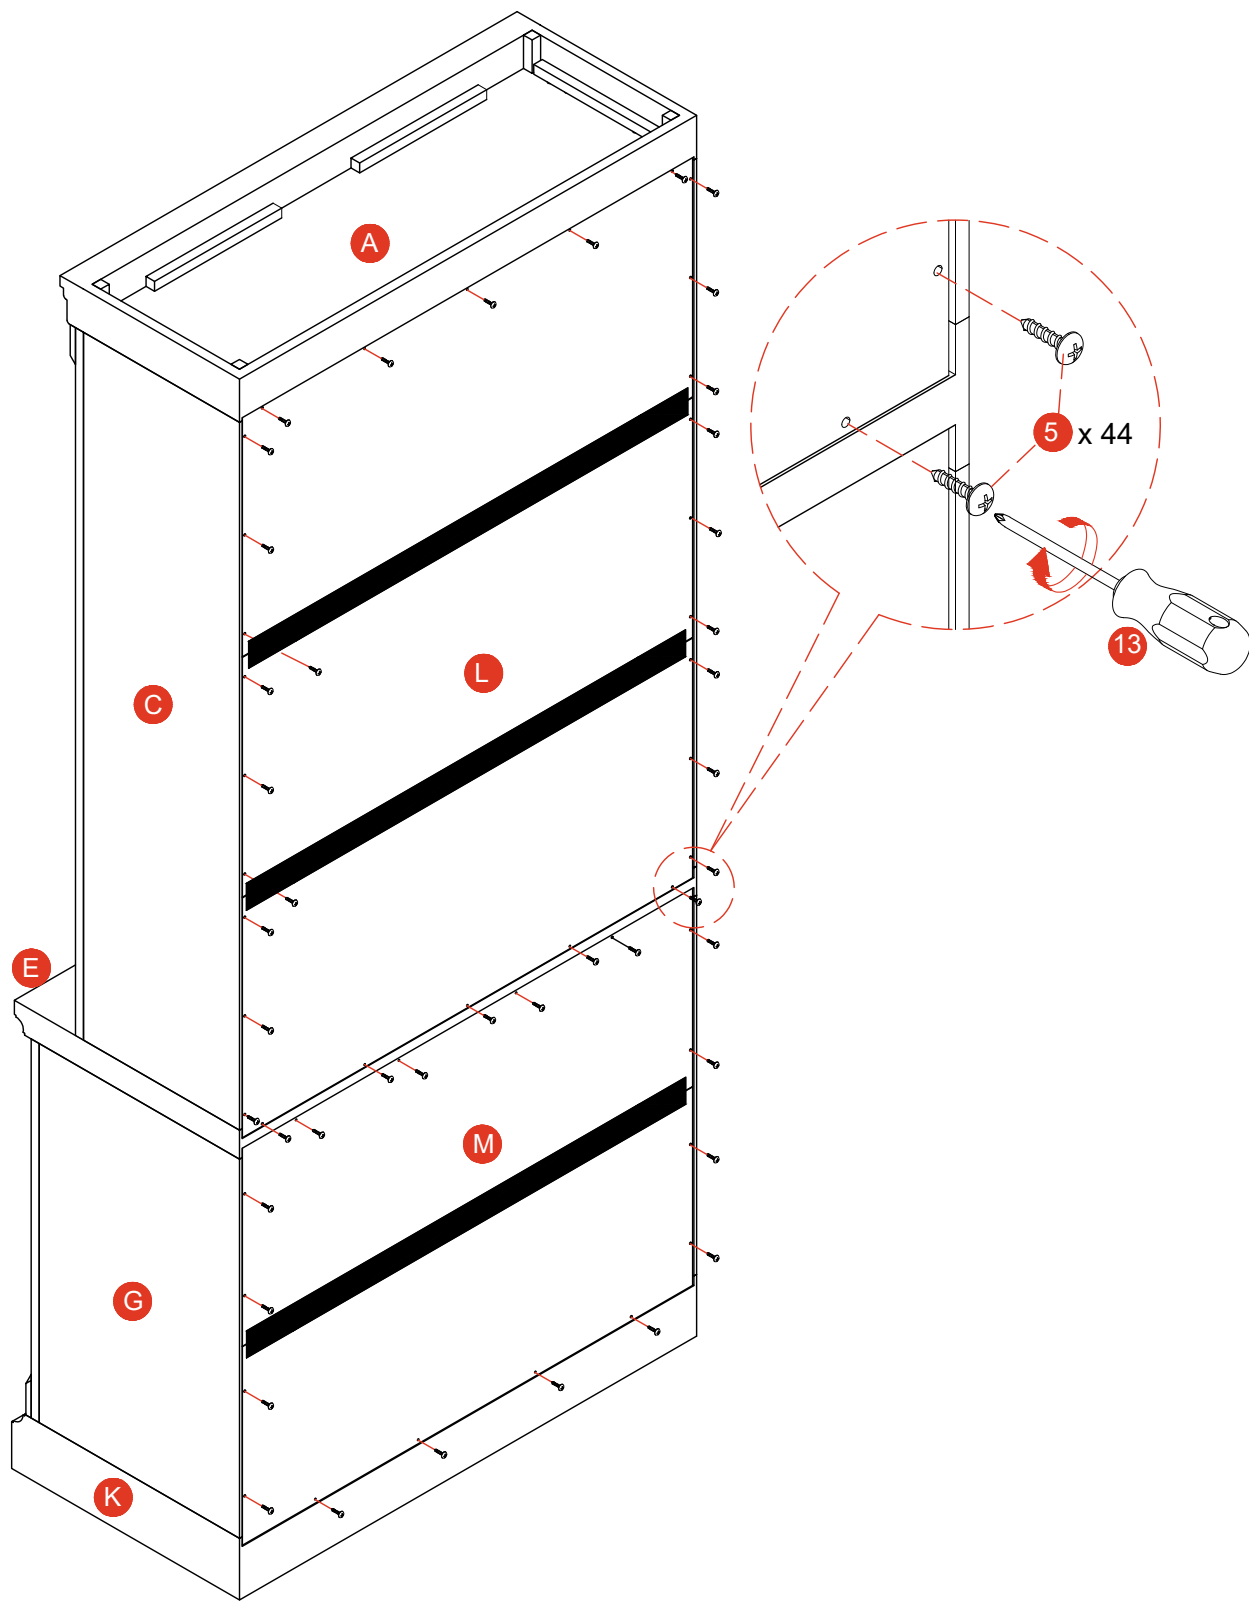

|   |                                                                                       |           |
|---|---------------------------------------------------------------------------------------|-----------|
| 8 |  x 1 | Allen key |
| 2 |  x 4 | Ø6*30 mm  |
| 3 |  x 4 | Ø8*25 mm  |

# Step 05

Using (13) to screw in (5) as picture showntighten (5) fully

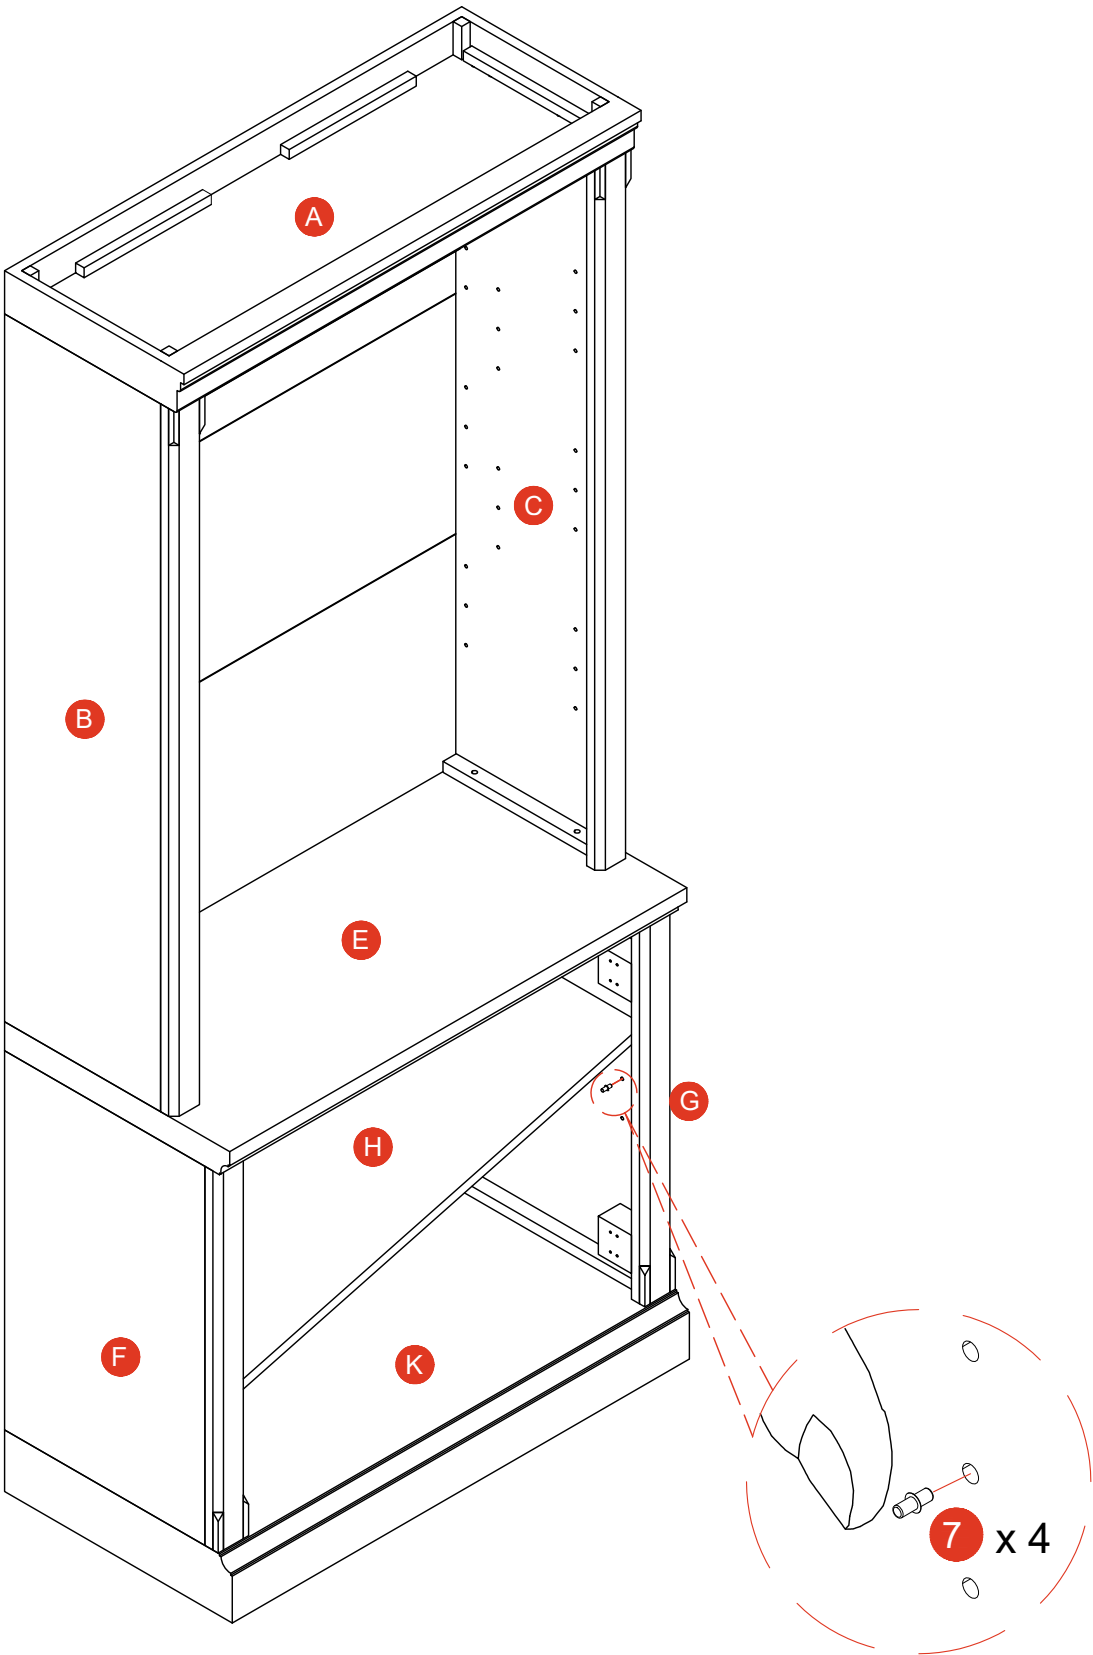

|    |                                                                                        |             |
|----|----------------------------------------------------------------------------------------|-------------|
| 13 |  x 1  | Screwdriver |
| 5  |  x 44 | Ø3*16mm     |

# Step 06

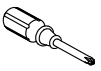

Insert (7) into the holes, attach (H) to (7)

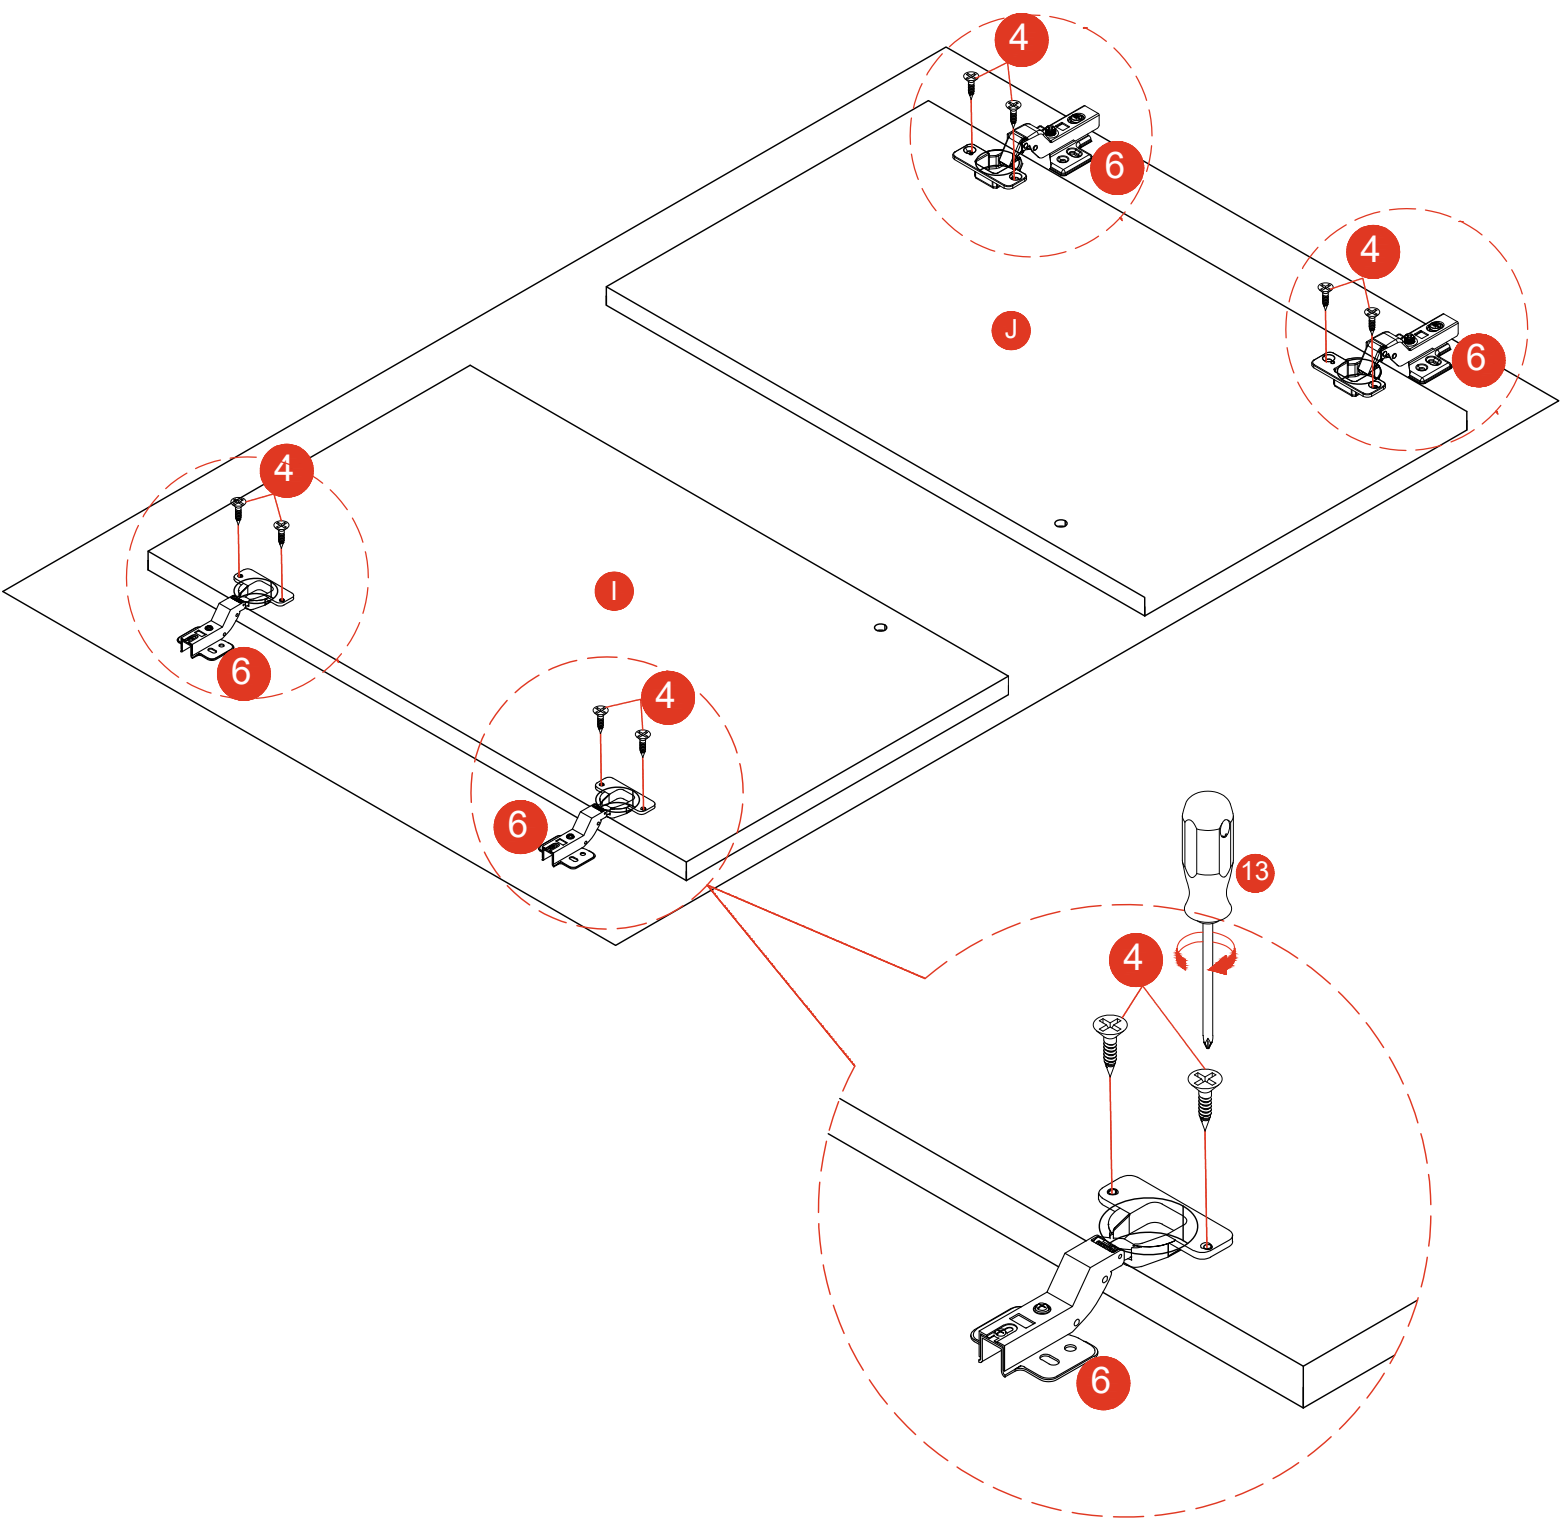

|   |                                                                                       |               |
|---|---------------------------------------------------------------------------------------|---------------|
| 7 |  x 4 | Shelf support |
|---|---------------------------------------------------------------------------------------|---------------|

# Step 07

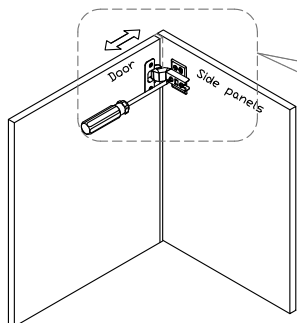

Use (4) to attach (6) to ((L&J), tighten (4) with (13).

|    |                                                                                   |     |             |
|----|-----------------------------------------------------------------------------------|-----|-------------|
| 13 |  | x 1 | Screwdriver |
| 4  |  | x 8 | Ø4*16mm     |
| 6  |  | x 4 | Large Bend  |

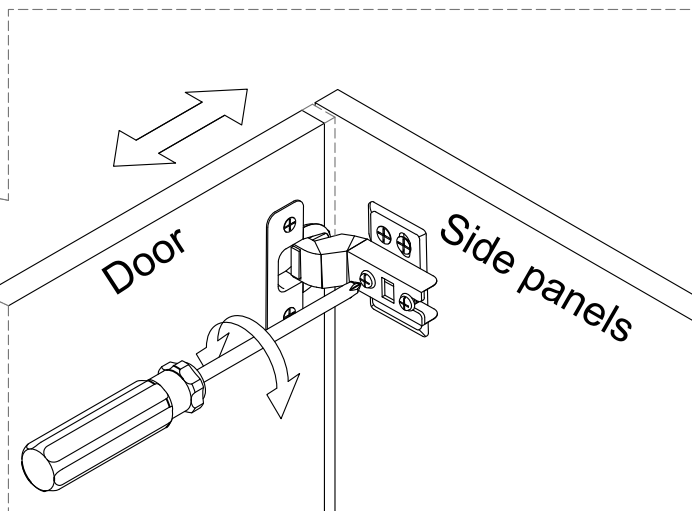

## Door Hinge Adjustment Instructions

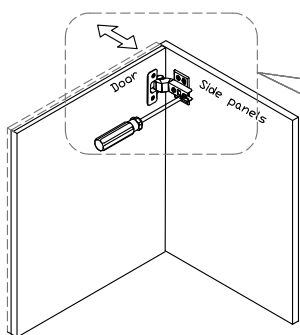

Concealed hinges are three-way adjustable.

# Step 08

Use (4) to attach (1) to (F) and (J) to (G),tighten (4) with (13).

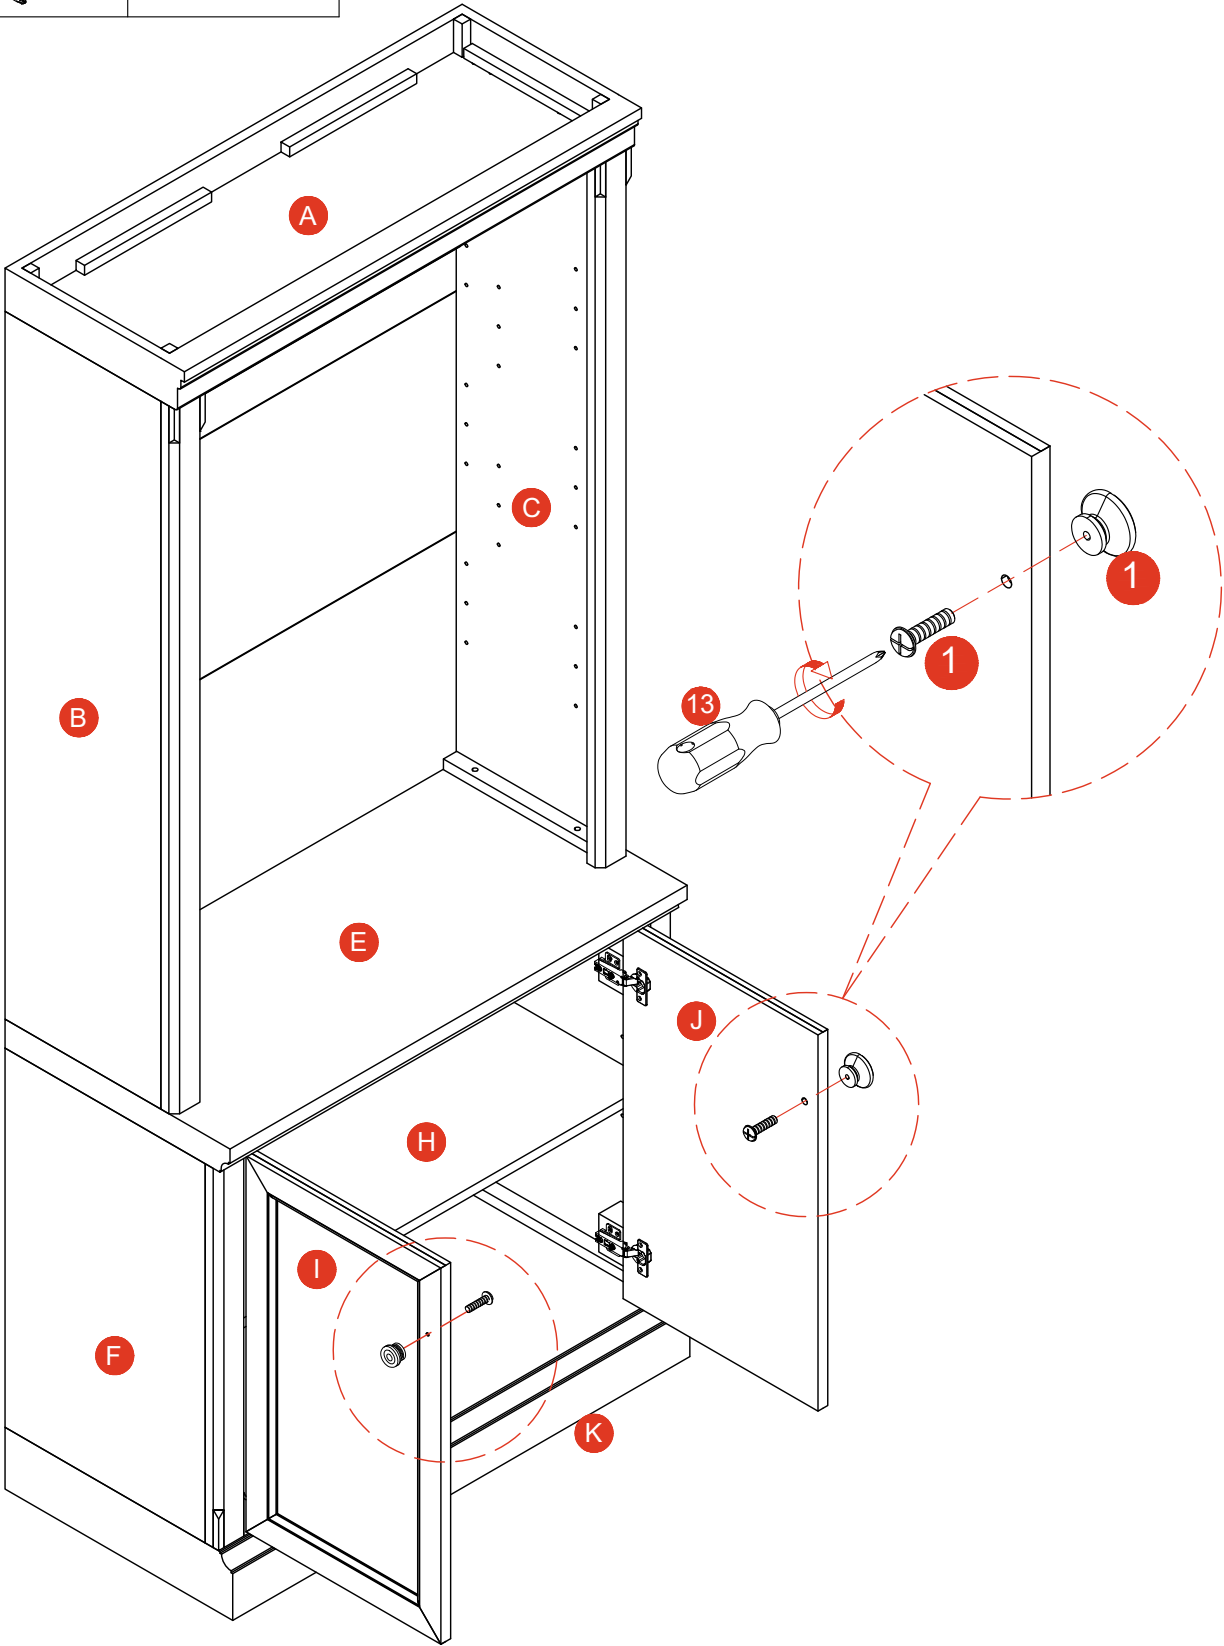

|    |                                                                                        |             |
|----|----------------------------------------------------------------------------------------|-------------|
| 13 |  x 1  | Screwdriver |
| 4  |  x 16 | Ø4*16mm     |

# Step 09

Attach (1) to (18u) with (13)

|    |                                                                                   |     |             |
|----|-----------------------------------------------------------------------------------|-----|-------------|
| 1  |  | x 2 | Ø4*18mm     |
| 13 |  | x 1 | Screwdriver |

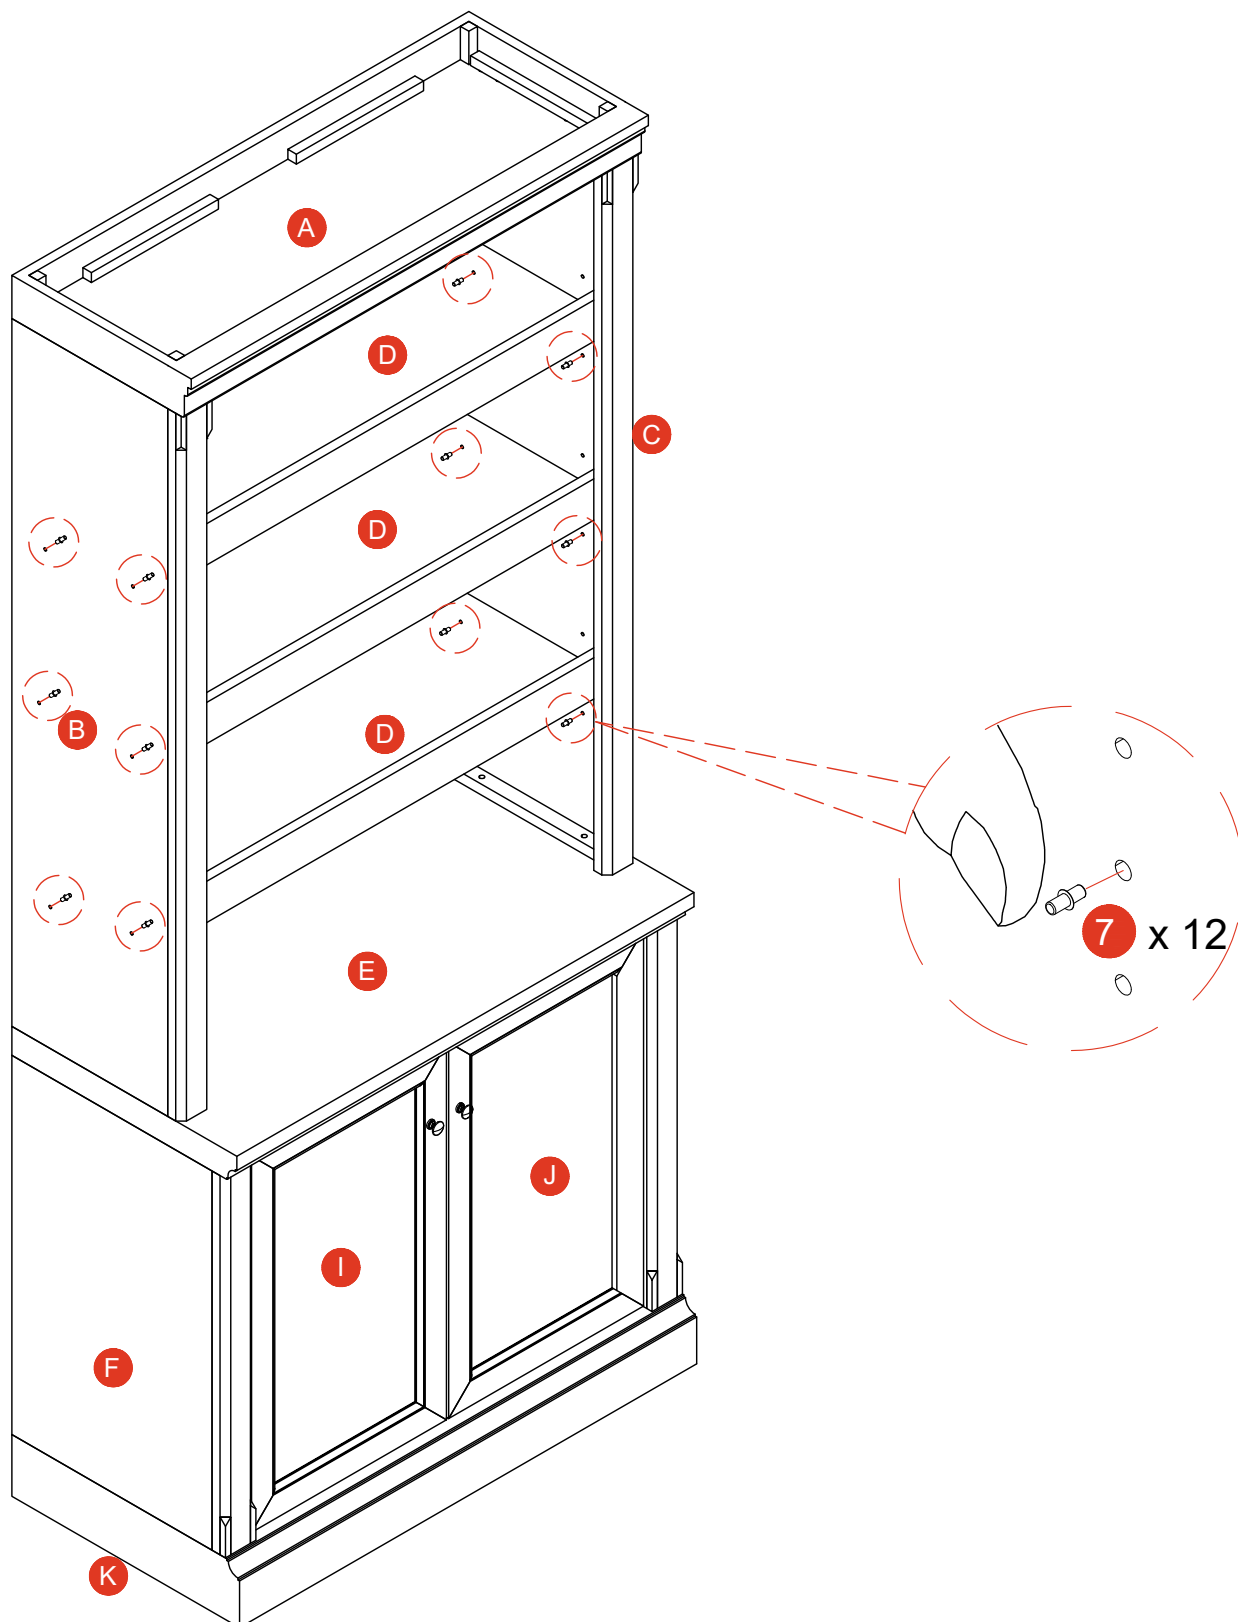

## Step 10

Insert (7) into the holes, attach (D) to (7)

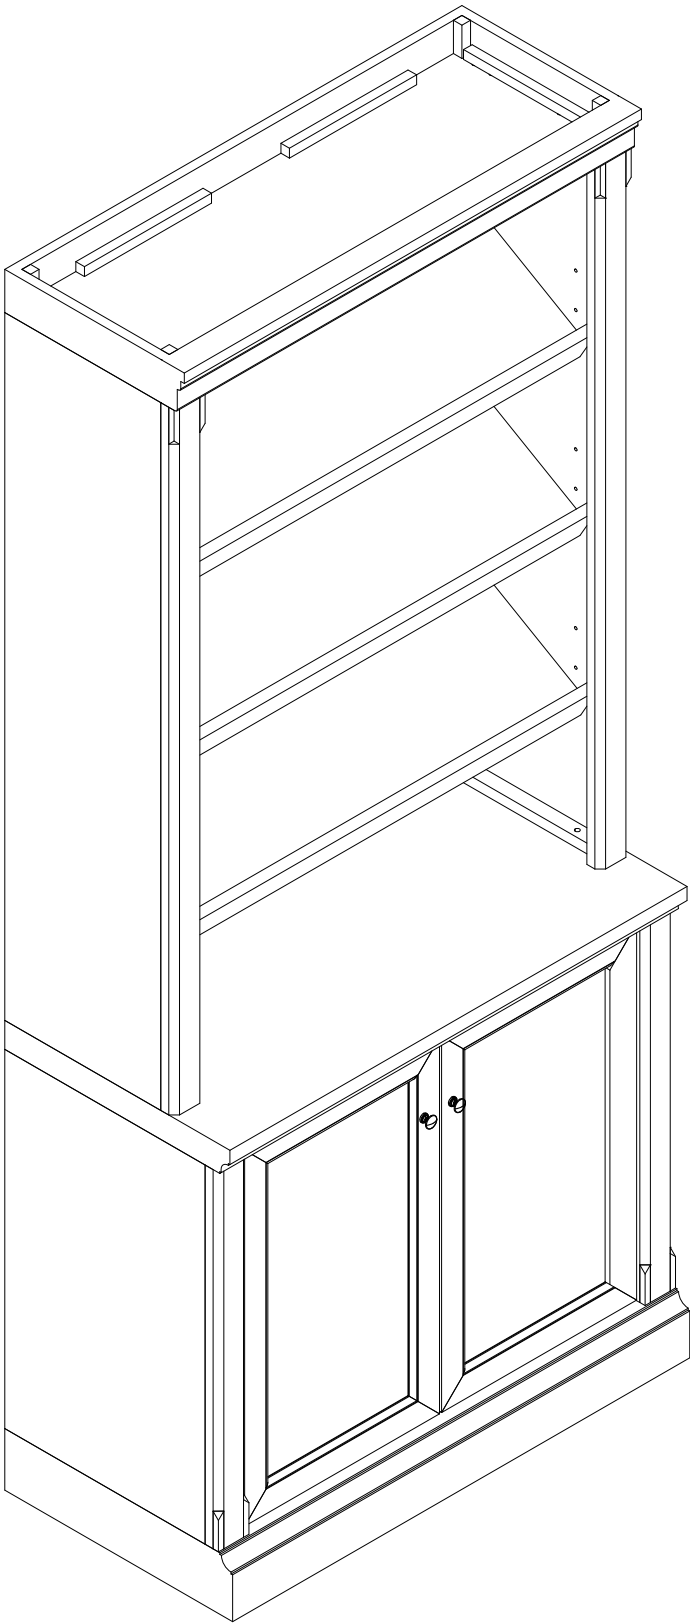

Please note that (D) can be placed either level or tilted by adjusting position of (7)

|   |                                                                                        |               |
|---|----------------------------------------------------------------------------------------|---------------|
| 7 |  x 12 | Shelf support |
|---|----------------------------------------------------------------------------------------|---------------|

# Step 11

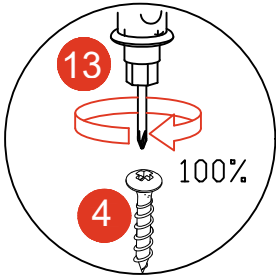

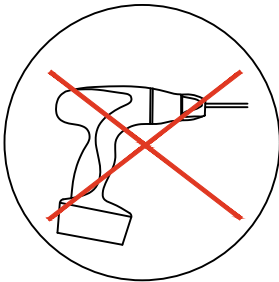

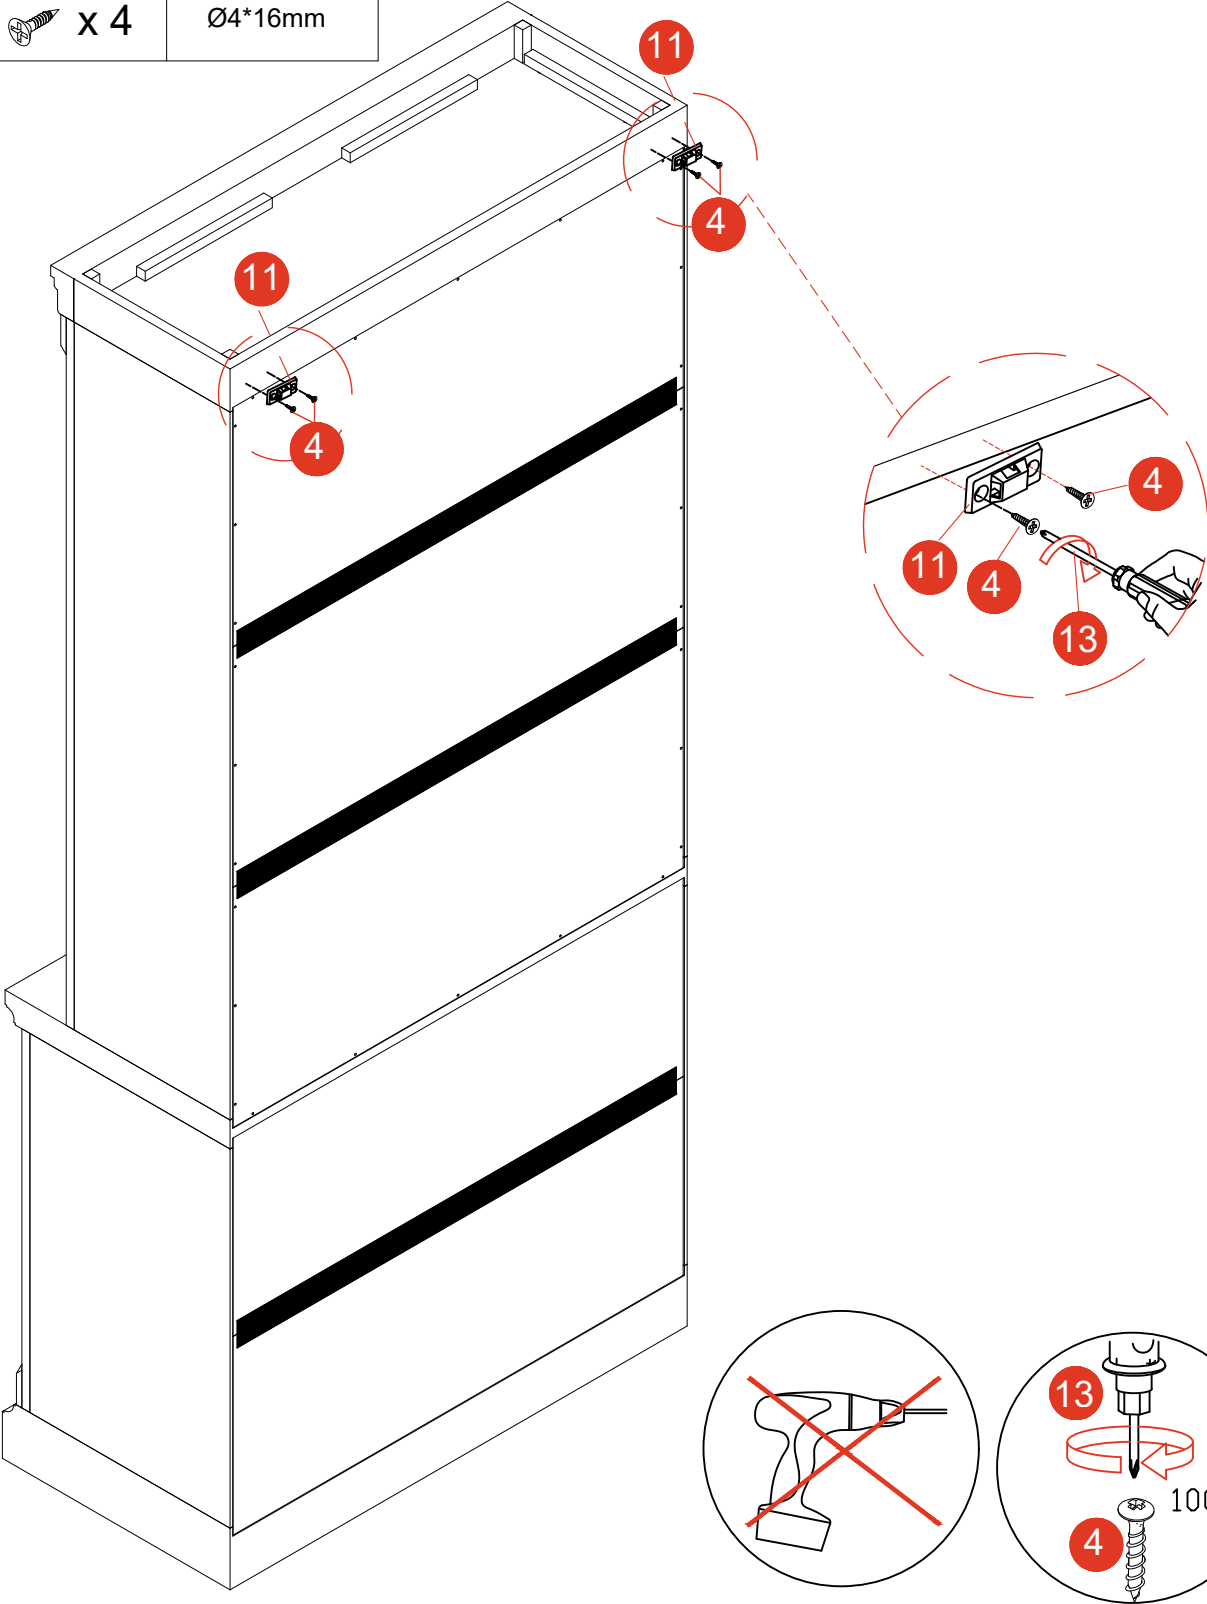

Please note that (D) can be placed either level or tilted byadjusting positon of (7)

# Step 12

Install the anti-collapse device  
Using (4) to attach (11) with (13) as picture shown

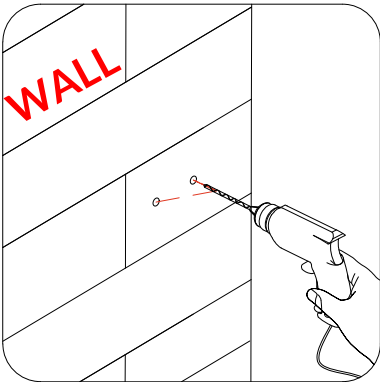

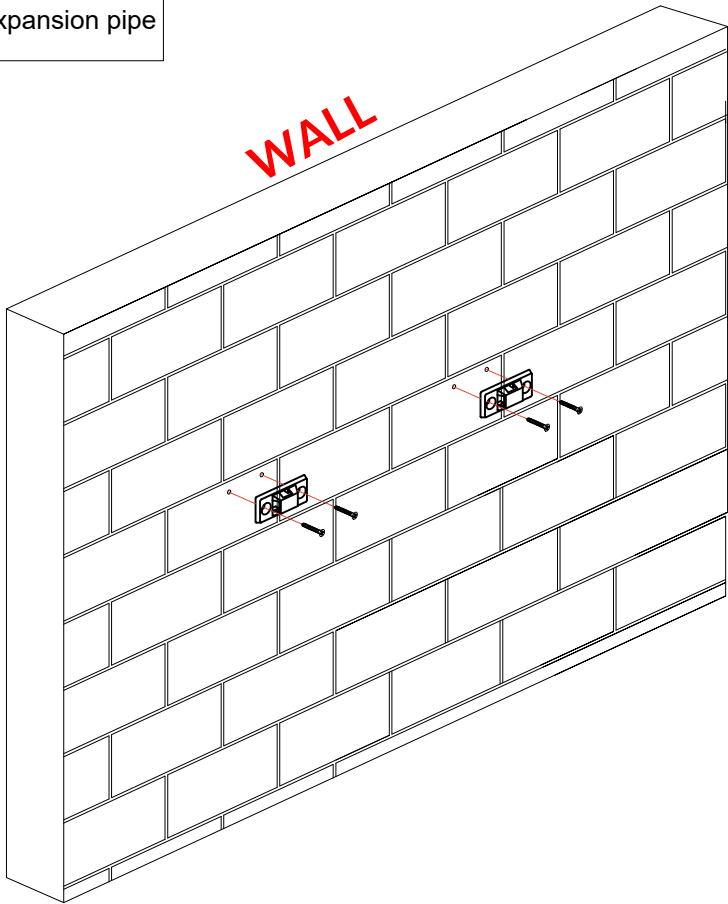

|    |                                                                                   |     |                |
|----|-----------------------------------------------------------------------------------|-----|----------------|
| 13 |  | x 1 | Screwdriver    |
| 11 |  | x 2 | Plastic buckle |
| 4  |  | x 4 | Ø4*16mm        |

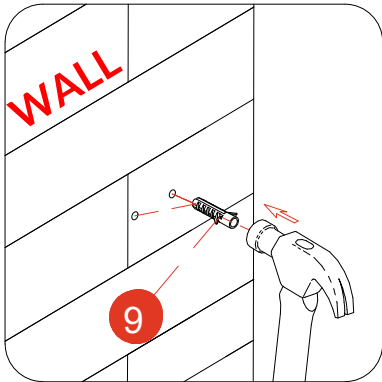

# Step 13

Install Anti-tip device(11) to the wall in this step

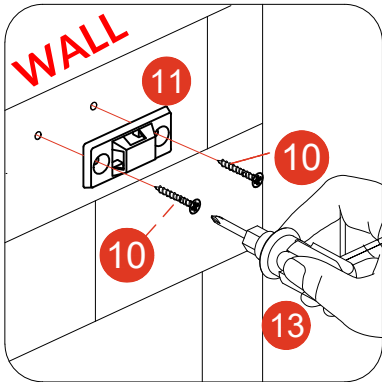

|    |                                                                                   |     |                |
|----|-----------------------------------------------------------------------------------|-----|----------------|
| 13 |  | x1  | Screwdriver    |
| 11 |  | x 2 | Plastic buckle |
| 10 |  | x 4 | Ø4*30mm        |
| 9  |  | x 4 | Expansion pipe |

1.Drill a hole in the wall with an electric drill.
