

ARK 40

FREESTANDING FIRE TABLE

Natural hues, weatherproof materials and industrial design features combined with our Triple Fuel Advantage (NG/LP/Ethanol) delivers an unmatched fire solution suitable for indoor and outdoor settings. With a wide lip to perch a drink on, and an unobtrusive shape that suits all types of décors and settings, EcoSmart's Ark 40 fire furniture creates an instant talking point – even when it is not in use.

Finish

Available in a variety of Fluid concrete colours.

Concrete Surround Options

Global Compliance

LP/NG Burners are UL/ULC Listed. Bioethanol Burner is UL Listed, and ACCC Safety Mandate compliant.

Triple Fuel Advantage

Choose between plumbed natural gas, readily available propane, or our eco-friendly bioethanol fuel system. We make it easy for you to achieve exactly what you want, for exactly where you want it.

Versatile and Incredibly Durable

EcoSmart portable fireplaces are versatile, incredibly durable, and are constructed of weather resistant materials. These appliances are designed to look great for years, and will perform admirably through all four seasons.

Versatile and Re-locatable

When you select Bioethanol or Liquid Propane as your fuel source you'll never be tied down! With zero hard utility connections, relocating your fire is a breeze. Entertain on your own terms with EcoSmart Fire.
