

ASSEMBLY INSTRUCTIONS

Caution: Please read instructions thoroughly before unpacking assembly parts. Sharp, exposed staple tips can cause injury. Therefore, for your protection, please remove any exposed staple used in packing.

1. Two people are required to safely assemble this product.

2. Be sure to check all hardware in case that small parts may come loose inside the carton during shipment.

3. Please do not over tighten screws or bolts.

4. Please unpack the box and place the contents on a flat, level and soft surface.
