

ASSEMBLY INSTRUCTIONS

Bromley Table Lamp (Item# II153-0147)

Important Safety Instructions:

- For safety purpose, this lamp is equipped with a polarized plug (one blade is wider than the other). If the plug does not fit securely into your outlet, do not force it, contact a professional electrician. Never alter the plug.
- These instructions are provided for your safety. It is very important that they are read carefully and completely before assembling fixture.
- This fixture has been rated for up to (1) 60-watt maximum TYPE A bulb or **(1) 9W LED light bulb (Included)**. To avoid the risk of fire, do not exceed the recommended wattage.
- This lighting fixture is intended for indoor, residential use.

Warning:

- Wires and cables are all attached (further wiring is not needed from consumer). When unpacking product, be careful to not pull wires as it may result in a bad connection. Do not plug into electrical outlet until lamp is fully assembled.
- To reduce the risk of fire, electrical shock or personal injury, do not turn on lighting fixture until light bulb is installed and assembly is complete.
- Always turn off the light fixture and allow it to cool before replacing the light bulb.

Care Instructions:

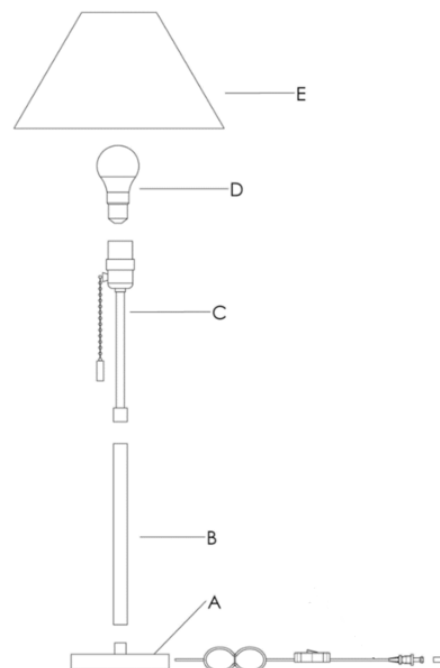

- Wipe with soft dry cloth only.
- Always avoid the use of harsh chemicals or abrasives as they may cause damage.

Pre-assembly:

- Remove all parts and hardware from box along with any plastic protective packaging.
- Check that all parts listed are included.
- Do not discard any contents until after assembly is complete to avoid accidentally discarding small parts or hardware.

Component List

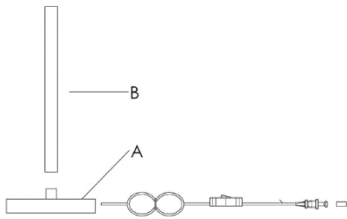

Part Code	Components	Description	Qty
