WARNINGS - Not paying attention to the following warnings could result in injuries.

Only one person at a time and refrain from sitting on the edge of the seat to prevent the chair from tipping over.

Do not stand on the chair.

Do not use the chair if the frame parts are damaged, or if any of the screws are loose or missing.

Do not leave babies or toddlers unattended while seated on the chair, always ensure adult supervision. Keep children from playing with the chair for their safety.

CARE AND MAINTENANCE

Clean with a soft cloth lightly dampened in a solution of smooth soap and water.

Do not use solvents or abrasive materials.

Do not expose to direct sunlight or to extreme environmental conditions.

Inspect the chair thoroughly every 4 months and re-tighten the screws.
