## Before Assembly

**Note: The sofa will come in two boxes, and they might arrive separately. Please wait patiently or contact us if you miss any box or have any question at Email: [sofaservice@outlook.com](mailto:sofaservice@outlook.com)**

1. Keep this instruction manual for future reference
2. It is important to only use this product on a firm, level surface
3. Keep all small parts out of reach of children and animals
4. Make sure you have all the components, as listed in this instruction manual, if not, email us: **[sofaservice@outlook.com](mailto:sofaservice@outlook.com)**
5. Remove all packaging and place the components on top of the empty box or on a clean floor to prevent them from becoming scratched
6. Make sure you have the right tools and a clean, dry and spacious area for assembly
7. Assemble on a flat/firm surface to avoid damage.
8. Assemble in the room you intend to use the chair or as close as possible to that room
9. Carefully follow each assembly step in the correct order to prevent incorrect assembly
10. Before use, ensure that the product is fully assembled and only then should the screws and bolts be fully tightened but not over tightened.
11. Do not discard any packaging until the product is fully assembled. This will avoid disposing of any parts
12. Do not use or attempt to assemble this product if parts are missing, damaged or worn. Please email us: **[sofaservice@outlook.com](mailto:sofaservice@outlook.com)**

## Important Safety Instructions

If you have any concerns regarding your health, consult your doctor before using this product. Individuals with pacemakers should not use this product.

If you experience pain in a muscle or joint for a prolonged period of time. Discontinue use and consult your doctor.

Persistent pain could be a symptom of a more serious condition.

When using an electrical appliance, basic precautions should always be followed, including the following:

1. This product is for use on a 12V circuit. Make sure that the product is connected to an outlet having the same configuration as the plug.
2. Always unplug the massager from the power source after use, and before cleaning.
3. Do not reach for massager if it has fallen into water. Unplug immediately.
4. An appliance should never be left unattended when plugged in. Unplug from outlet when not in use, before putting on or taking off parts or attachments.
5. Do not use outdoors.
6. Do not carry this appliance by supplied cord as a handle.
7. Keep the cord away from heated surfaces.
8. Close supervision is necessary when this appliance is used by or near children, invalids or disabled persons.
9. This unit is not a toy. Children should not use it or play with it.
10. Do not operate where aerosol (spray) products are being used or where oxygen is being administered.
11. Do not use near eyes or other highly sensitive areas.
12. Keep cord away from heated surfaces.
13. Use this appliance only for its intended use as described in this manual. Do not use attachments not provided with the unit.

---

## To store

1. Place unit in its box or safe, dry, cool place. Avoid contact with sharp edges or pointed objects which might cut or puncture the fabric. Do not wrap power cord around the unit.
2. Do not hang the unit by power cord.

---

## To clean

1. Insure the unit is unplugged from the power source, and allow to cool before cleaning.
2. Do not place in any liquid to clean. Clean fabric cover by wiping with a damp sponge, using a mild detergent or suds. Pat dry with clean, dry cloth.
3. Do not use abrasive cleaners, brushes, gasoline, kerosene, glass /furniture polish, paint thinner or water hotter than 248°F (120°C) to clean the unit.
4. To clean the unit, make sure the massager is unplugged. Allow the unit to cool and the wipe down with a damp clean cloth. Do not use any strong chemical cleaners.

# ✂ Product Assembly

## Step 1

Let's start to assemble the Left Chair Arm Frame first, we named it N1 group  
Please find and prepared those pieces with Labels: C1,D1,E1,F1,G1 and K

| Label | Accessory Shape Reference | N1 : Left Chair Arm              | N2 :Right Chair Arm               |
|-------|---------------------------|----------------------------------|-----------------------------------|
| C1,C2 |                           | C1: Right side board of Left Arm | C2: Left Side Board of Right Arm  |
| D1,D2 |                           | D1: Left side board of Left Arm  | C2: Right Side Board of Right Arm |
| E1,E2 |                           | E1: Front Block of Left Arm      | E2: Front Block of Right Arm      |
| F1,F2 |                           | F1: Back Block of Left Arm       | F2: Back Block of Right Arm       |
| G1,G2 |                           | G1: Left cupholder frame         | G2: Right cupholder frame         |
| k     |                           | Screws Pack                      |                                   |

①Attaching E1 block and F1 block with screws to C1 board (the side without the metal buckle)

D1

②Attached Side board D1 to E1 and F1 with screws

③Fix G1 with screws to the border position(as picture) by attaching to C1 and D1

Please find and prepared those pieces with Labels: C2,D2,E2,F2,G2 and k to assemble the Right Chair Arm with the same way.We named the Right Arm as N2 group

**Step 2**

Put the Left cover pillow ( H1) to the Left chair arm frame(Assembled in step1);  
Note: the cupholder place should aim at the cupholder frame, make sure the cover is tension and smooth.

| Label   | Accessory Shape Reference                                                         | Name                                                              |
|---------|-----------------------------------------------------------------------------------|-------------------------------------------------------------------|
| H1 , H2 |  | H1: Left Chair Am Cover Pillow<br>H2: Right Chair Am Cover Pillow |
| k       |  | Screws Pack                                                       |

**Then do the same to right side(H2)**

### Step 3

**2 or More adults would be easier to assemble the chair.**

① Put the seat pad (A) on the ground, attaching N1(Left Arm) to seat pad, by inserting the 2 metal pegs of seat pad into the clips of the Left Arms.

**2 or More adults would be easier to assemble the chair.**

**Please do the same to assemble the Right Arm.**

## Step 4

Attaching the Part B (Backrest) to the seat pad, by inserting the metal pegs of seat pad into the slots of the Backrest

### Accessories:

**I1: Left backrest wings**

**I2: Right backrest wings**

## Step 5

Join the wires from the backrest to the corresponding wires on the seat.

Make sure that the corresponding sizes and colors match (white with white & red with red).

Locate the part I power adaptor and attach to its corresponding receiver on the backrest.

Locate the part L remote to and attach to its corresponding receiver on the backrest.

### **NOTE:**

Make sure all bolts and screws are fully tightened before using chair.  
Lubricate all moving parts and tighten all bolts/screws every 6 month or whenever needed

press armrest

Do not press armrest  
after recline

Do not smoke or play with fire

## Frequently Asked Questions

1. How do I properly position the recliner?

A: Place on a flat surface, away from heat sources; ensure clearance for smooth operation.

2. How should I clean the sofa?

A: Blot spills with a damp cloth; vacuum regularly; use mild soap or approved leather cleaner as needed.

3. Where can I get a replacement remote?

A: Please email us: [sofaservice@outlook.com](mailto:sofaservice@outlook.com).

4. I received only half of the chair today. When can I expect the other half?

A: The chair is shipped in two boxes on the same day. Occasionally, the carrier may deliver them separately. If you haven't received both parts within a few days, please contact us at [sofaservice@outlook.com](mailto:sofaservice@outlook.com).

5: Why has my heating function stopped working?

A: The heating function will automatically turn off once the preset time is reached or when the temperature hits 158°F (60°C) for safety. Ensure that the external transformer is properly plugged into a working electrical outlet. Also, check your circuit breaker to confirm that the outlet is receiving power. Certainly, email us and we will help you.
