Affordable Comfort & Classic Style

Everyone deserves a task chair that offers all-day support but doesn't skimp on style—without breaking the bank, of course. Altern offers reliable comfort, smart features, and a clean design that blends seamlessly into every environment. And with a choice of a classic black frame paired with a black fabric and mesh or a clean white frame paired with grey fabric and mesh, Altern is at home just about anywhere.

Features

LIMITED RECLINE SYNCHRO-TILT WITH SEAT SLIDE

Altern reclines the back at a higher ratio than the seat for proper back alignment. Seat slide moves forward or back to adapt to upper leg length.

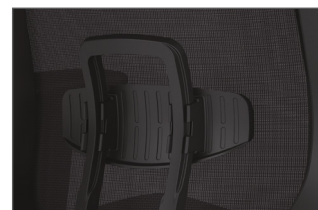

ATTACHABLE HEADREST (MESH MODELS ONLY)

Altern's mesh models ship with a convenient attachable headrest for additional support and posture alignment.

HEIGHT-ADJUSTABLE ARMS

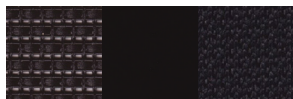

Make the most of your sit with height-adjustable arms, featuring a contemporary polished aluminum accent for aesthetic upgrade.

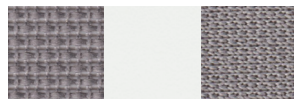

ADJUSTABLE LUMBAR (MESH MODELS ONLY)

Altern has your back—literally. With an adjustable lumbar on all mesh models, Altern provides a continuous support throughout the day.
