## Care & Maintenance

- |   |                                                                                     |                                                                                           |
|---|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|
| ⊘ |    | • Not for commercial use. For residential use only.                                       |
| ✓ |    | • Furniture may scratch floors. We recommend using furniture pads to protect your floors. |
| ⊘ |    | • Do not put hot items directly on furniture surface.                                     |
| ⊘ |   | • Do not clean furniture with harsh cleansers or polish.                                  |
| ⊘ |  | • Do not place furniture under direct sunlight.                                           |
| ⊘ |  | • Do not place furniture near heating or cooling vents.                                   |
| ⊘ |  | • Do not write on furniture without a padded barrier to protect the surface.              |
| ⊘ |  | • Do not place furniture outside . For indoor use only.                                   |
| ⊘ |  | • Stains may be removed with mild soap solution and damp cloth.                           |
| ⊘ |  | • Children should not climb or jump on the furniture.                                     |
- 
- |   |                                                                                     |                                                                        |
|---|-------------------------------------------------------------------------------------|------------------------------------------------------------------------|
| ✓ |  | • Dust and pick-up spills using a clean, non-colored, lint-free cloth. |
|---|-------------------------------------------------------------------------------------|------------------------------------------------------------------------|

Please look in carton for hardware packs and legs.
