1. Keep this instruction manual for future reference
2. It is important to only use this product on a firm, level surface
3. Keep all small parts out of reach of children and animals
4. Make sure you have all the components, as listed in this instruction manual, if not, email us: homelifeservice@hotmail.com
5. Remove all packaging and place the components on top of the empty box or on a clean floor to prevent them from becoming scratched
6. Make sure you have the right tools and a clean, dry and spacious area for assembly
7. Assemble on a flat/firm surface to avoid damage.
8. Assemble in the room you intend to use the chair or as close as possible to that room
9. Carefully follow each assembly step in the correct order to prevent incorrect assembly
10. Before use, ensure that the product is fully assembled and only then should the screws and bolts be fully tightened but not over tightened.
11. Do not discard any packaging until the product is fully assembled. This will avoid disposing of any parts
12. Do not use or attempt to assemble this product if parts are missing, damaged or worn. Please email us: homelifeservice@hotmail.com

Important Safety Instructions

If you have any concerns regarding your health, consult your doctor before using this product. Individuals with pacemakers should not use this product.

If you experience pain in a muscle or joint for a prolonged period of time. Discontinue use and consult your doctor.

Persistent pain could be a symptom of a more serious condition.

When using an electrical appliance, basic precautions should always be followed, including the following:

1. This product is for use on a 12V circuit. Make sure that the product is connected to an outlet having the same configuration as the plug.
2. Always unplug the massager from the power source after use, and before cleaning.
3. Do not reach for massager if it has fallen into water. Unplug immediately.
4. An appliance should never be left unattended when plugged in. Unplug from outlet when not in use, before putting on or taking off parts or attachments.
5. Do not use outdoors.
6. Do not carry this appliance by supplied cord as a handle.
7. Keep the cord away from heated surfaces.
8. Close supervision is necessary when this appliance is used by or near children, invalids or disabled persons.
9. This unit is not a toy. Children should not use it or play with it.
10. Do not operate where aerosol (spray) products are being used or where oxygen is being administered.
11. Do not use near eyes or other highly sensitive areas.
12. Keep cord away from heated surfaces.
13. Use this appliance only for its intended use as described in this manual. Do not use attachments not provided with the unit.

To store

1. Place unit in its box or safe, dry, cool place. Avoid contact with sharp edges or pointed objects which might cut or puncture the fabric. Do not wrap power cord around the unit.
2. Do not hang the unit by power cord.

To clean

1. Insure the unit is unplugged from the power source, and allow to cool before cleaning.
2. Do not place in any liquid to clean. Clean fabric cover by wiping with a damp sponge, using a mild detergent or suds. Pat dry with clean, dry cloth.
3. Do not use abrasive cleaners, brushes, gasoline, kerosene, glass /furniture polish, paint thinner or water hotter than 120 °C to clean the unit.
4. To clean the unit, make sure the massager is unplugged. Allow the unit to cool and the wipe down with a damp clean cloth. Do not use any strong chemical cleaners.

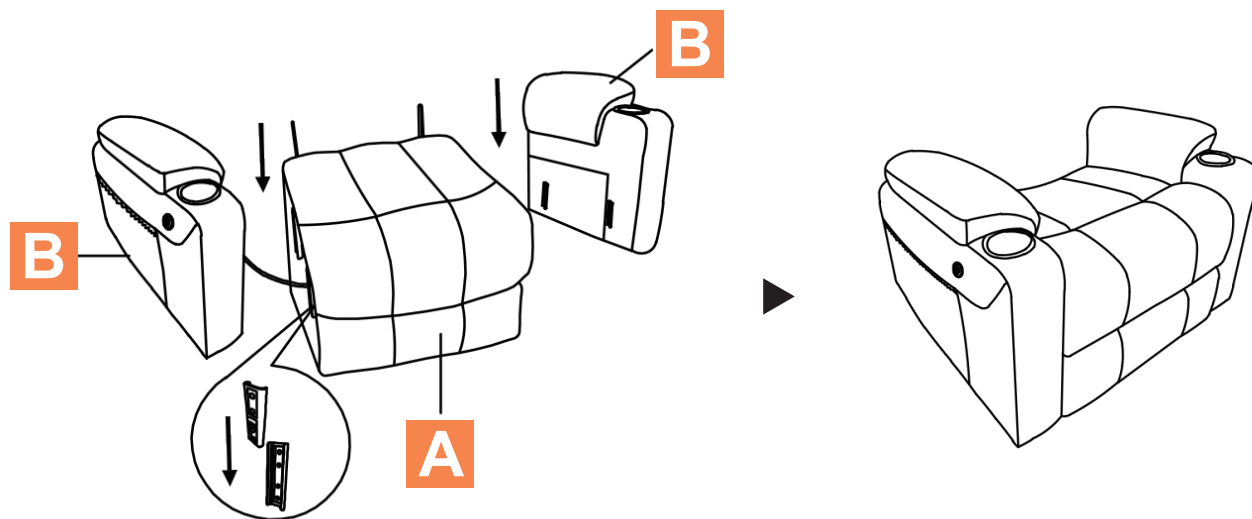

Product Assembly

Step 1

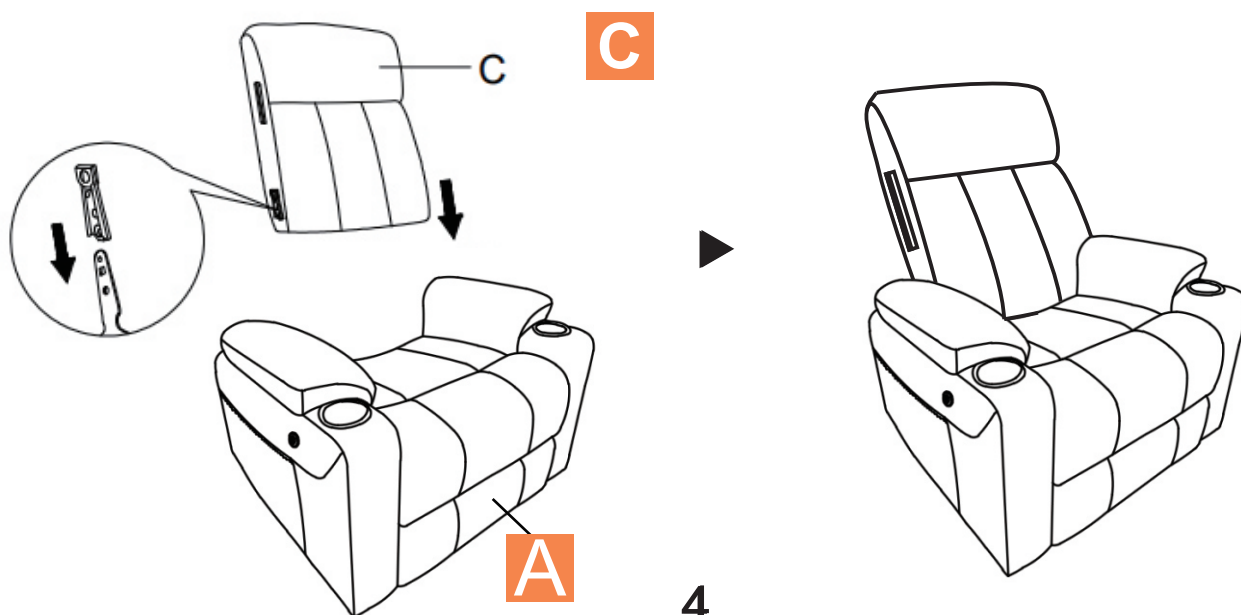

For easier and better assembly, 2 or more adults are required.

Place the part B armrest onto part A seat and insert the two metal pegs on the seat into the clips on the backrest with a click.

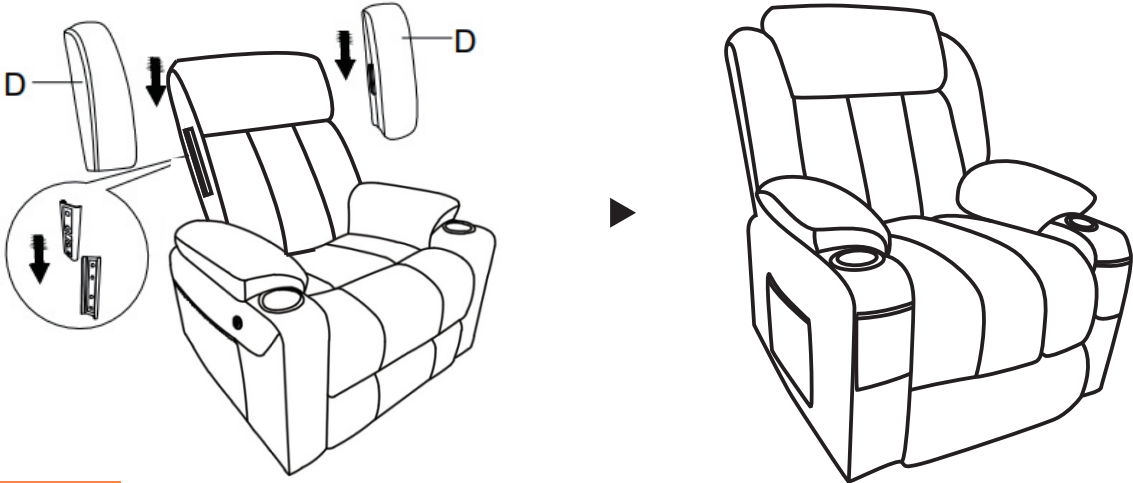

Step 2

Place the part C backrest onto part A seat and insert the two metal pegs on the seat into the clips on the backrest with a click.

Step 3

Place the part D backrest onto part A seat and insert the two metal pegs on the seat into the clips on the backrest with a click.

Step 4

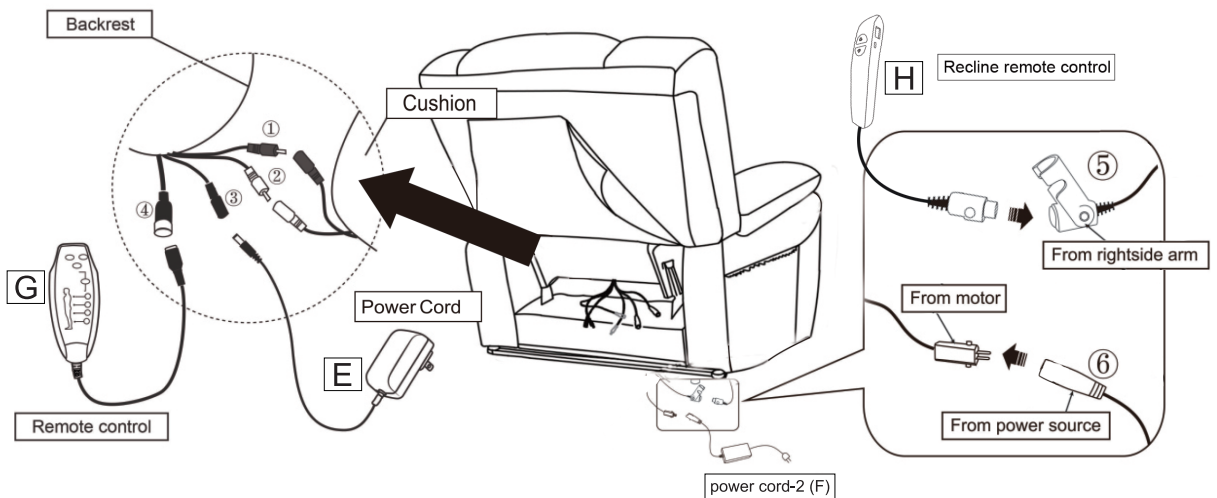

Join the wires from the backrest to the corresponding wires on the seat.

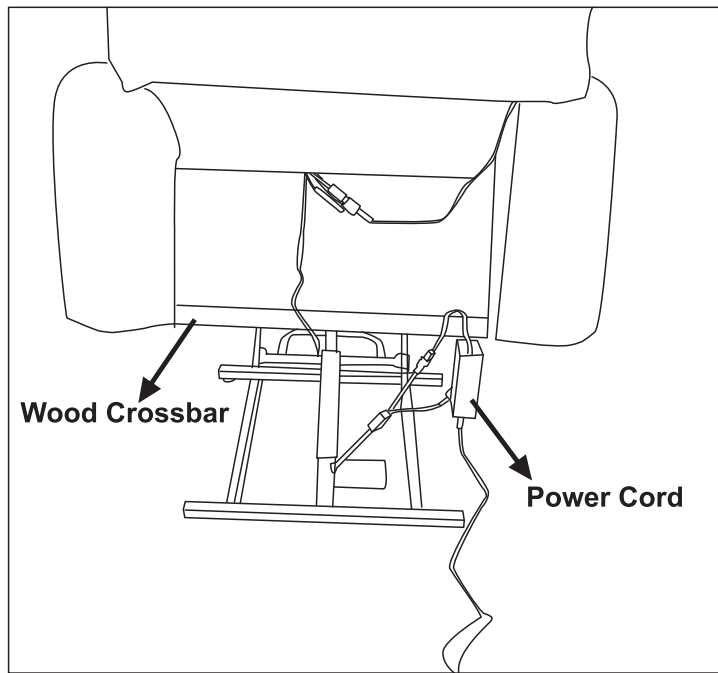

Make sure that the corresponding sizes and colors match (white with white & red with red)

Locate the part E power adaptor and attach to its corresponding receiver on the backrest.

Locate the part F motor adapter and attach to its corresponding receiver on the base of the chair

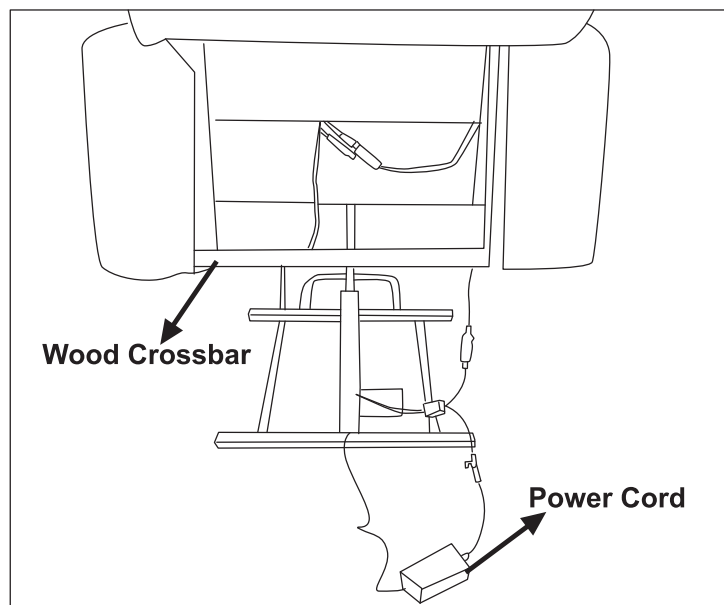

Locate the part G/H remote to and attach to its corresponding receiver on the backrest.

⚠ Caution:
