

Embassy Curio Cabinet 680243

Featuring elegant and classic styling, the Howard Miller Embassy is a stunning lighted curio cabinet perfect for any home or office. Proudly show off your favorite collectible items in this glass display cabinet.

Careful Craftsmanship: This stunning curio cabinet features an Embassy cherry finish on select hardwoods and veneers. The finish has been lightly distressed for an aged appearance.

Detailed Design: Enjoy the detailed design of this glass display cabinet. The cabinet features a pediment crowned with richly detailed leaves and a beautiful shell at its center. The fluted columns offer column caps that are decoratively detailed to match the pediment. Beveled glass on the front nicely frames your collectibles, and the interior cabinet lighting offers brighter, whiter, longer-lasting light to illuminate your collectibles.

Adjustability: Adjust this curio cabinet as needed. Adjustable levelers under each corner provide stability on uneven and carpeted floors, and glass shelves can be adjusted to any level within your cabinet. The Pad-Lock™ cushioned metal shelf clips increase stability and safety.

Convenient Features: Enjoy the simple to use, No-Reach™ light switch, conveniently located on the back of the cabinet, as well as the locking door for added security.
