This manual randomly selects one color for installation display.*

PACKAGE PARTS

WARNING

Keep kids away from the chair when in use.

No sitting on the back or extended footrest.

No sitting on the arm.

No jumping.
No standing up when the chair is reclined.

WARM TIPS

➤ **CONTACT US** for any problems, like missing parts, etc.

➤ Please reinstall it if you find the backrest or armrests shaky.

➤ The phone holder may be slightly loose after some time. Just fasten it as Step 5.

➤ Wipe dust and dirt away with sponge or cleaning cloth.

SOFA INSTALLATION

STEP 1
Install the armrests to seat base firmly as shown.

STEP 2
Install the backrest.

STEP 3
Install the base for phone holder.

STEP 4
Unscrew the cap in red-marked part.

STEP 5
Fasten the holder tightly with the wrench.

STEP 6
Connect relative cords for side button and power adapter.
(There are 2 cords/jacks at the back of the seat base. One is for side button, and the other is for power adapter.)
