Antilles Upholstered Panel Bed

Item #:566-144C

DESCRIPTION	Make a design statement with the saddle brown leather panel in the headboard, framed with decorative nailhead trim. For proper proportion, the king headboard features four panels and the pin-knotty oak footboard and siderails provide visual strength and offer an ideal canvas for your bedding. The inset leather headboard panel features top stitching and spaced nailhead trim in a natural coloration. Also available in headboard only.
