

Assembly Instructions For The Hickory Farm Table

Tools Needed:

1/2" Wrench or Socket

Parts List:

Table Top (1)

Table Legs (4)

Hardware:

5/16" Hex Nuts (8)

1/4" Washers (8)

- Step 1** Lay the table top upside down on a clean surface. Be careful that the table top does not get scratched.
- Step 2** Take a table leg and take the bolt covers off the end of the bolts. Insert the bolts through the holes in the corner bracket in one corner of the table. (The leg belongs on the outside). Put a 1/4" washer and a 5/16" hex nut on the ends of the bolts and tighten with the 1/2" wrench or socket. Attach the other legs the same way.
