Safety Instructions

Assembly & Installation Instructions

- Before You Begin: Read through the entire manual before starting assembly. Verify that all parts are present by comparing them with the parts list.
- Safety First: For your safety, assemble on a soft, clean surface to avoid damaging the product or your floor.
- Use Correct Components: Use only the hardware provided. Using incorrect hardware may compromise the stability and safety of the furniture.
- Keep Instructions: Save these instructions and the hardware for any future maintenance or moves.

Usage

- Non-intended use may lead to product damage. No liability is assumed for damages resulting from non-intended use. The product is not intended for commercial purposes.

Weight Limits

- Adhere to the maximum weight limits of the item. For tabletops, the maximum allowable weight is 20 kg. For shelves, the weight limit is 10 kg. Do not overload the item to ensure safe use. Do not stand on the item.

Placement

- Position the item on a level and stable surface to minimize the risk of tipping. Avoid placing it in windy areas to ensure stability and safety. If the item is placed in a windy location, secure it against tipping. Avoid damp areas to prevent mold.

Maintenance and Care

- Regularly inspect the fastenings and safety elements of the item and fasten any loose connections. Clean the item regularly to ensure the durability of the material. Avoid using corrosive cleaning agents, as they may damage the material. Metal parts can be cleaned with a damp cloth. Dry them thoroughly after cleaning to prevent rust.
- Wood may change due to weather and sunlight. To protect the material, apply an additional layer of varnish every 1-2 years. If the item is placed outdoors and is frequented by wildlife (e.g., as a nesting box), clean it ONLY outside of the local bird or animal breeding season to avoid disturbance.

Disposal

- Dispose of the item at the end of its lifespan in accordance with local regulations and environmental requirements. For more information on product disposal, contact your municipality or city administration.

Safety

- Choking & Injury Hazard: This furniture contains small parts (e.g. screws) and may have sharp edges. Keep children away during assembly and ensure all hardware is securely fastened and out of reach after assembly.
- Adult Assembly Required: Assembly by adults only. Do not allow children to play near unassembled furnitures or packaging materials.
- Never let children climb on it.

Hi, there, I'm a DIY dad who started this woodworking journey when I built a cozy little cage for my daughter's pet. What began as a labor of love soon grew into a passion project, and now I work with a small team of fellow crafters to create functional and beautiful wooden pieces we're proud to share.

We're here to make sure you love what you receive!

After-sale policy

- The quality of our items is strictly controlled at every stage of manufacturing. Each product upgrade reflects the hard work and dedication of our team and partners. We strive to minimize defects and are committed to providing worry-free after-sales support.
- If you have damage or quality problems after receiving the goods, please contact us, our professional after-sales partner will reply you asap.
- To help us address your concern quickly, please provide a detailed description of the issue, including images and the relevant part number in instruction.
- For returns and refunds, we do not accept unreasonable refund requests. If you are not satisfied within 3 days of delivery, please contact us. Once your case has been reviewed and approved, the product must be returned in its original condition to qualify for a refund.
- Please note: If the return is due to personal preference or non-quality-related reasons (e.g., change of mind, don't like size, or inaccurate order placement), the original shipping fee will not be refunded.
