## CONNECTORS

### Friendly Tips

•**ALUMINUM FEET** - Please remove the transparent sheet covered on the aluminum feet in use. It is covered for protection in transit.

## **CLEANING & CARE**

- **TO CLEAN: WICKER FURNITURE** may be wiped with damp cloth or rinsed with clean water and dried with a soft absorbent cloth towel. **CUSHIONS** may be cleaned with cold water by hand or rinsed. For deeper cleaning, spot clean with mild soap. After cleaning cushions tip on end and allow to drip dry. Do not use a dryer to tumble dry fabric goods. Do not machine wash or use chlorine bleach, solvents or abrasives cleaner to clean any product!
- Do not expose the furniture to extreme heat, cold, or humidity, which may cause discoloration and shorten the product lifetime.
- Do not leave the furniture wet with beads of water standing on the furniture.
- Cover furniture with outdoor covers when left outside during inclement weather or when not in use. To prevent mildew, never wrap cushions in plastic for storage. Make sure the unit is completely dry before storage.
- Re-tighten bolts if your furniture feel wobbly or loose since the bolts may slightly loosen over time. Tighten screws securely, do not over tighten.
- Do not stand or climb on unit.
