## Upscale, private outdoor spaces and tasteful interior décor.

- Mount on gates, fences, walls, and free-standing frames.
- Conceal trash bins or pool and A/C equipment.
- Add to perimeters of balconies, planters or benches.
- Section interior rooms for structure or privacy.
- Mount as wall art.
- Install lighting behind panels to add dimension.
- Add color or stain to complement aesthetics.

## Architectural elegance and quality construction

- Natural timber look and feel
- Durable, sustainable Wood-Poly Composite (WPC) made from certified FSC wood fiber
- 3 sizes, 2 colors, 4 privacy levels
- Unique decorative patterns are router-cut, not molded
- Quick and easy installation with standard tools and hardware
- No sealing, painting, or maintenance required; accepts paint and finishes smoothly
- Resistant to water, mold, mildew, and termites
- Lifetime Limited Warranty

## DIY Installation

- Prepare frame for free-standing or surface-mount installation.
- Pre-drill holes in panels.
- Mount panels to frame with screws on all sides.

Scan to see installation instructions on our website.
