

Akava Dresser

111063

The Akava Dresser will add intrigue to any bedroom space. Features a minimal linear frame crafted with a light oak wood veneer. Wood tiling on the front drawer brings texture and visual interest to the overall look. Completed with light gold aluminum handles and a matching steel base. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
