Chained 1

D2505S50085-4050

In Chained 1, careful shadowing and dramatic exposure lend themselves to the striking visibility of expression and movement in this thought-provoking work on textured paper. Contrasting against a severe black background, white smoke drifts down from the top of the photograph as it gently draws the gaze toward the woman's hand, mouth, and eyes. Captured is a look partially shrouded in smoke and which appears both defiant and pensive. A clever depiction that, with the help of the title, is suggestive of a significant double meaning.

Part of the exclusive ART by TA Collection, Chained 1 is a beautiful and original work of art on textured paper.
