

Mirror

This Transitional piece features a wood frame fashioned into a cameo-esque shape with breathtaking grooves, designs and curves. Each side is accented with a floral medallion detail. The oval frame is then finished with a lovely Virginia silver leaf with bronze accents. This simple yet stunning piece would be a great addition to any room. It is a perfect focal point for an entryway, bathroom, bedroom or any room in your home. D-rings are affixed to the back of the mirror so it is ready to hang right out of the box in either a horizontal or vertical orientation!
