

COMMERCIAL WARRANTY:

Limited Warranty

If fixtures fail to operate for the warranty period, a free replacement fixture (labor-related charges are the customer's responsibility) will be provided. If a socket fails to operate within the warranty period, a free replacement for that socket will be provided (labor related charges are the customer's responsibility).

Terms and Conditions

Fixtures must be installed and operated under suitable environmental conditions and in accordance with The Canadian Electrical Code, Underwriters Laboratory Bulletins, National Electrical Code, and ANSI Specifications. This warranty will not apply in the event of conditions demonstrating abnormal use or stress, such as temperatures, under/over voltage conditions, dirty or cracked sockets, or improper fixture installation.
