

TREVINO CARVED BLACK 4X4 3D SATIN BASALT STONE TILE

The Trevino Carved Black 4x4 Honed Basalt Tile features relief patterns carved with mechanical precision into rich black volcanic basalt. These small-format tiles have a honed finish and a unique texture that emulates woodgrain. Decorative while maintaining its material authenticity, its thoughtful subtlety is ideal for interior and exterior accents.

TREVINO

Each of the faces of the Trevino collection is carved with minimalist geometric reliefs and striations that fit together seamlessly in any number of custom configurations. Trevino is available in a range of premium natural stone options. Each of these stones features distinctive color, surface texture, and dimensionality that is at once organic and intentional.
