

# DOWNROD SIZING

## FOR KICHLER FANS

### 1 Choose the Right Downrod for Your Ceiling Height

### 2 Select the Correct Downrod Style

### 3 Multiple Finishes Available

The single-threaded downrod is designed exclusively for ceiling fans equipped with a threading mechanism on the motor side, please verify compatibility between your chosen ceiling fan and this single-threaded downrod prior to installation. Compatible with Kichler fans with a hyphenated SKL number. Consult with Kichler Customer Care for compatibility.
