

Installation Guide

Model 110

Pre-Assembly Checklist and Tips

1. Check Parts and Read Instructions:

- Please check the parts list before assembly and read the instructions carefully, step by step. Incorrect methods may lead to incomplete assembly, personal injury, or property damage.

2. User-Friendly Assembly Tips

- If possible, ask another person to assist you.
- Using an electric screwdriver will save you time and effort.
- Due to the weight of the base and armrests, it may be easier to assemble the chair by placing one side on the ground.

3. Need Help? Contact Us!

- If you encounter any issues during assembly, please contact the seller for assistance. We will respond within 24 hours.
