

Full Foam Construction Sofa

No assembly required

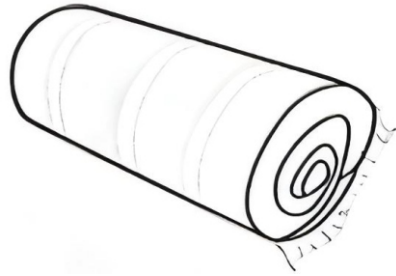

one-piece compression technology

After unpacking, please wait

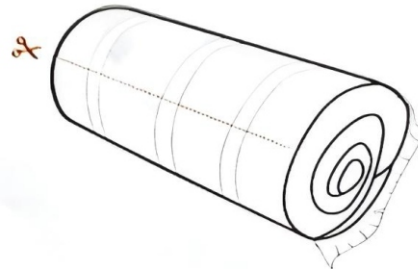

96hours

for the product to fully recover to its original shape.

Step 1

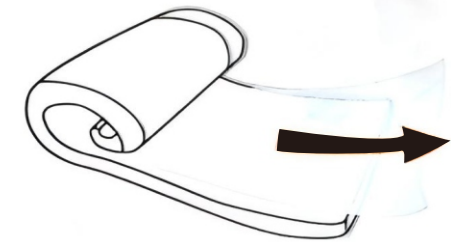

Carefully take the entire sofa out of the box and place it where you want to use it.

Step 2

Carefully use a paper cutter or scissors to cut along the edge of the package seal.

(please be careful not to damage the product itself)

Step 3

Roll the product along the edges and stretch it out to a flat surface.

Step 4

Carefully use a paper cutter or scissors along the edges of the product to unseal and decompress it.

(please be especially careful not to scratch the product in this step!!!)

96 H_{RS}

Step 5

Remove all packaging and allow to settle for at least 96 hours to allow the product to spring back to its original shape.

A strong tap on this product can greatly reduce its rebound time.

Please be careful not to scratch the product when cutting open the package!!!!

Please note: We provide fast after-sales service, don't worry if there is something wrong with the package you received. Please contact us first, we will reply you in time!
