Step 6.
Extend the two outer slides of the runners so that they could align with the sides of the drawer. Make sure the pre-drilled holes from the drawer align with the screw holes of the outer slides.
Secure two screws from the inside of the drawer using a Phillips screwdriver to tighten them to the outer slides.

X2

Step 7.

ASSEMBLY IS COMPLETED

Make sure the product is rested on a flat surface and does not feel loose or wobbly. If it does, double check that the bolts/screws are secured and properly tightened.
